This Proxy Statement and enclosed proxy card is being sent on behalf of the Board of Directors to all stockholders beginning on or about March 30, 2018. [Table of Contents](#)

PROXIES:

If your properly executed proxy does not indicate how you wish to vote your common stock, the persons named on the proxy card will vote FOR election of the nine nominees for director (Proposal 1), FOR the ratification of the appointment of Ernst & Young LLP as independent auditors (Proposal 2), FOR the approval of the compensation of our named executive officers (Proposal 3), and FOR the approval of the National Oilwell Varco, Inc. 2018 Long-Term Incentive Plan (Proposal 4).

REVOKING YOUR PROXY:

You can revoke your proxy at any time prior to the time that the vote is taken at the meeting by: (i) filing a written notice revoking your proxy; (ii) filing another proxy bearing a later date; or (iii) casting your vote in person at the Annual Meeting. Your last vote will be the vote that is counted.

QUORUM:

As of March 16, 2018, there were 381,866,426 shares of National Oilwell Varco common stock issued and outstanding. The holders of these shares have the right to cast one vote for each share held by them. The presence, in person or by proxy, of stockholders entitled to cast at least 190,933,214 votes constitutes a quorum for adopting the proposals at the Annual Meeting. Abstentions will be included in determining the number of shares present at the meeting for the purpose of determining a quorum, as will broker non-votes. A broker non-vote occurs when a broker is not permitted to vote on a matter without instructions from the beneficial owner of the shares and no instruction is given. If you have properly signed and returned your proxy card by mail, you will be considered part of the quorum, and the persons named on the proxy card will vote your shares as you have instructed them.

VOTE REQUIRED FOR APPROVAL:

For the proposal to elect the nine director nominees (Proposal 1), our bylaws require that each director nominee be elected by the majority of votes cast with respect to such nominee (i.e., the number of shares voted “for” a director nominee must exceed the number of shares voted “against” that nominee). For additional information regarding our majority voting policy, see page 5 of the proxy statement. You cannot abstain in the election of directors and broker non-votes are not counted. **Brokers are not permitted to vote your shares on the election of directors in the absence of your specific instructions as to how to vote. Please provide your broker with voting instructions so that your vote can be counted.**

Approval of the proposal to ratify the appointment of Ernst & Young LLP as independent auditors (Proposal 2), and the proposal to approve the compensation of our named executive officers (Proposal 3), will require the affirmative vote of a majority of the shares of our common stock entitled to vote and present in person or by proxy. An abstention will have the same effect as a vote “against” such proposal. **With respect to Proposal 3, brokers are not permitted to vote your shares in the absence of your specific instructions as to how to vote. Please provide your broker with voting instructions so that your vote can be counted.**

Approval of the proposal to approve the National Oilwell Varco, Inc. 2018 Long-Term Incentive Plan (Proposal 4) will require the affirmative vote of the majority of the votes cast on the proposal. An abstention will have the same effect as a vote “against” such proposal. **With respect to Proposal 4, brokers are not permitted to vote your shares in the absence of your specific instructions as to how to vote. Please provide your broker with voting instructions so that your vote can be counted.**

MULTIPLE PROXY CARDS:

If you receive multiple proxy cards, this indicates that your shares are held in more than one account, such as two brokerage accounts, and are registered in different names. You should vote each of the proxy cards to ensure that all of your shares are voted.

HOUSEHOLDING:

The U.S. Securities and Exchange Commission, or SEC, has adopted rules that permit companies and intermediaries, such as brokers, to satisfy the delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a copy of these materials, other than the Proxy Card, to those stockholders. This process, which is commonly referred to as “householding,” can mean extra convenience for stockholders, potential benefits to the environment, and cost savings for the Company. Beneficial stockholders can request information about householding from their banks, brokers, or other holders of record. Through householding, stockholders of record who have the same address and last name will receive only one copy of our Proxy Statement and Annual Report, unless one or more of these stockholders notifies us that they wish to continue receiving individual copies. This procedure will reduce printing costs and postage fees.

Stockholders who participate in householding will continue to receive separate Proxy Cards. If you are eligible for householding, but you and other stockholders of record with whom you share an address currently receive multiple copies of Proxy Statements and Annual Reports, or if you hold stock in more than one account and wish to receive only a single copy of the Proxy Statement or Annual Report for your household, please contact Broadridge Householding Department, in writing, at 51 Mercedes Way, Edgewood, New York 11717, or by phone at (800) 542-1061. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate Proxy Statement and Annual Report, please notify your broker if you are a beneficial stockholder.

COST OF PROXY SOLICITATION:

We have retained InvestorCom, Inc. to solicit proxies from our stockholders at an estimated fee of \$6,500, plus expenses. This fee does not include the costs of preparing, printing, assembling, delivering and mailing the Proxy Statement. The Company will pay for the cost of soliciting proxies. Some of our directors, officers and employees may also solicit proxies personally, without any additional compensation, by telephone or mail. Proxy materials also will be furnished without cost to brokers and other nominees to forward to the beneficial owners of shares held in their names.

**NOTICE REGARDING THE AVAILABILITY OF
PROXY MATERIALS:**

This proxy statement, the accompanying notice of annual meeting of stockholders and form of proxy and our 2017 annual report are available via the Internet at:

<http://investors.nov.com/phoenix.zhtml?c=97690&p=irol-sec> and at www.proxyvote.com.

Pursuant to United States Securities and Exchange Commission (“SEC”) rules related to the Internet availability of proxy materials, we have elected to provide access to our proxy materials on the Internet instead of mailing a printed copy of the proxy materials to each stockholder of record. Accordingly, beginning on or about March 30, 2018, we are mailing a Notice Regarding the Availability of Proxy Materials (the “Notice”) to our stockholders of record as of the Record Date (but excluding those stockholders who have previously requested a printed copy of our proxy materials) in lieu of mailing the printed proxy materials. Instructions on how to access the proxy materials via the Internet, on voting shares via the Internet and on how to request a printed or electronic copy of the proxy materials may be found in the Notice. All stockholders will have the option to access our proxy materials on the websites referred to above. Stockholders will not receive printed copies of the proxy materials unless they request (or have previously requested) such form of delivery. Printed copies will be provided upon request at no charge. In addition, stockholders may request to receive future proxy materials in printed form by mail or electronically by email on an ongoing basis. A request to receive proxy materials in printed form by mail or electronically by email will remain in effect until the stockholder terminates such request. Stockholders who do not expect to attend the Annual Meeting are encouraged to vote via the Internet using the instructions on the Notice or, if you received a printed copy of the proxy materials (which includes the proxy card), by signing and returning the proxy card in the pre-paid envelope provided or by voting via the Internet or by phone using the instructions provided on the proxy card.

**Important Notice Regarding the Availability of Proxy Materials for the
Stockholder Meeting to Be Held on Friday, May 11, 2018.**

**ELECTION OF DIRECTORS
PROPOSAL NO. 1 ON THE PROXY CARD**

Clay C. Williams, Greg L. Armstrong, Marcela E. Donadio, Ben A. Guill, James T. Hackett, David D. Harrison, Eric L. Mattson, Melody B. Meyer and William R. Thomas are nominees for directors for a one-year term expiring at the Annual Meeting in 2019, or when their successors are elected and qualified. Each of the nominees was elected as a director at the 2017 Annual Meeting, with the exception of Ms. Meyer, who joined the Board of Directors in September 2017. We believe each of the nominees will be able to serve if elected. However, if any nominee is unable to serve, the remaining members of the Board have authority to nominate another person, elect a substitute, or reduce the size of the Board. Proxies cannot be voted for a greater number of persons than the number of nominees named.

Vote Required for Approval

National Oilwell Varco's Bylaws require that each director be elected by the majority of votes cast with respect to such director in uncontested elections (i.e., the number of shares voted "for" a director nominee must exceed the number of votes cast "against" that nominee). In a contested election (i.e., a situation in which the number of nominees exceeds the number of directors to be elected), the standard for election of directors would be a plurality of the shares represented in person or by proxy at any such meeting and entitled to vote on the election of directors. Whether an election is contested or not is determined as of a date that is 14 days in advance of when we file our definitive proxy statement with the SEC. This year's election was determined to be an uncontested election, and the majority vote standard will apply. If a nominee who is serving as a director is not elected at the annual meeting, Delaware law provides that the director would continue to serve on the Board as a "holdover director." However, under our Bylaws and Corporate Governance Guidelines, each director must submit an advance, contingent, irrevocable resignation that the Board may accept if the director fails to be elected through a majority vote. In that situation, the Nominating/Corporate Governance Committee would make a recommendation to the Board about whether to accept or reject the resignation, or whether to take other action. The Board will act on the Nominating/Corporate Governance Committee's recommendation and publicly disclose its decision and the rationale behind it within 90 days from the date the election results are certified. If a nominee who was not already serving as a director fails to receive a majority of votes cast at the annual meeting, Delaware law provides that the nominee does not serve on the Board as a "holdover director." All director nominees are currently serving on the Board.

Brokers are not permitted to vote your shares on the election of directors in the absence of your specific instructions as to how to vote. Please provide your broker with voting instructions so that your vote can be counted.

BOARD OF DIRECTORS

Director Nomination Process and Diversity Considerations

The Nominating/Corporate Governance Committee has the responsibility of identifying candidates for election as directors, reviewing background information relating to candidates for director, and recommending to the Board of Directors nominees for directors to be submitted to stockholders for election. It is the policy of the Committee to consider director candidates recommended by stockholders. Nominees to be evaluated by the Nominating/Corporate Governance Committee are selected by the Committee from candidates recommended by multiple sources, including other directors, management, stockholders, and candidates identified by independent search firms (which firms may be paid by the Company for their services), all of whom will be evaluated based on the same criteria. As of March 16, 2018, we had not received any recommendations from stockholders for potential director candidates. All of the current nominees for director are standing members of the Board that are proposed by the entire Board for re-election. Written suggestions for nominees should be sent to the Secretary of the Company at the address listed below.

The Board of Directors believes that nominees should reflect the following characteristics:

- have a reputation for integrity, honesty, candor, fairness and discretion;
- be knowledgeable, or willing to become so quickly, in the critical aspects of the Company's businesses and operations;
- be experienced and skillful in serving as a competent overseer of, and trusted advisor to, the senior management of at least one substantial enterprise; and
- have a range of talent, skill and expertise sufficient to provide sound and prudent guidance with respect to the full scope of the Company's operations and interests.

The Board values diversity and seeks to achieve a mix of directors that represents a diversity of viewpoints, backgrounds and experiences. The Board considers diversity in a variety of different ways and in a fairly expansive manner when identifying nominees for director. In evaluating the overall qualifications of a prospective nominee, the Nominating/Corporate Governance Committee and Board will take into account the individual's professional experience, experience in the oil and gas industry, education, skills, gender, race and other qualities and attributes that contribute to board heterogeneity.

The Nominating/Corporate Governance Committee reviews Board composition annually to ensure that the Board reflects the knowledge, experience, skills, expertise, and diversity required for the Board to fulfill its duties. If and when the need arises for the Company to add a new director to the Board, the Nominating/Corporate Governance Committee will take every reasonable step to ensure that diverse candidates (including, without limitation, women and minority candidates) are in the pool from which nominees are chosen and strive to obtain diverse candidates by searching in traditional corporate environments, as well as government, academia, and non-profit organizations.

Article II, Section 10 of the Bylaws prescribes the procedures and requirements for inclusion of a stockholder nominee in our proxy materials.

AUDIT COMMITTEE REPORT

The responsibilities of the Audit Committee, which are set forth in the Audit Committee Charter adopted by the Board of Directors, include providing oversight to the Company's financial reporting process through periodic combined and separate meetings with the Company's independent auditors and management to review accounting, auditing, internal controls and financial reporting matters. The management of the Company is responsible for the preparation and integrity of the financial reporting information and related systems of internal controls. The Audit Committee, in carrying out its role, relies on the Company's senior management, including senior financial management, and its independent auditors.

The Board of Directors has determined that all of the members of the Audit Committee are independent based on the guidelines set forth by the NYSE and SEC rules for the independence of Audit Committee members. The Audit Committee held nine (9) meetings in 2017, and at each regularly scheduled quarterly meeting met separately in executive session with both the internal audit vice president and the independent audit partner, without management being present.

The Audit Committee reviewed and discussed with senior management the audited financial statements included in the Company's Annual Report on Form 10-K. Management has confirmed to the Audit Committee that such financial statements have been prepared with integrity and objectivity and in conformity with generally accepted accounting principles.

The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the independent external audit firm retained to audit the Company's financial statements. The Audit Committee has appointed Ernst & Young LLP as the Company's independent external auditor for fiscal year 2018. The Audit Committee is responsible for audit fee negotiations associated with the Company's retention of Ernst & Young LLP.

The Audit Committee discussed with Ernst & Young LLP, the Company's independent auditors, the matters required to be discussed under the applicable rules of the Public Company Accounting Oversight Board ("PCAOB"), which require independent auditors to communicate certain matters related to the conduct of an audit to those who have responsibility for oversight of the financial reporting process. Among the matters to be communicated to the audit committee are: (1) methods used to account for significant unusual transactions; (2) the effect of critical and significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus; (3) the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditor's conclusions regarding the reasonableness of those estimates; and (4) disagreements with management over the application of accounting principles, the basis for management's accounting estimates, and the disclosures in the financial statements. In addition, the Audit Committee reviewed with Ernst & Young their judgment as to the quality, not just the acceptability, of the Company's accounting principles.

The Audit Committee has received the written disclosures and the letter from Ernst & Young required by applicable requirements of the PCAOB Ethics and Independence Rule 3526, *Communication with Audit Committees Concerning Independence*, regarding Ernst & Young's communication with the Audit Committee concerning independence, and has discussed Ernst & Young's independence with Ernst & Young.

Based on the foregoing, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's 2017 Annual Report on Form 10-K.

Notwithstanding the foregoing, the Audit Committee's charter clarifies that it is not the Audit Committee's duty to conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles ("GAAP"). Management is responsible for

[Table of Contents](#)

the Company's financial reporting process, including its system of internal controls, and for the preparation of financial statements in accordance with GAAP. Management is also responsible for assuring compliance with laws and regulations and the Company's corporate policies, subject to the Audit Committee's oversight in the areas covered by the Audit Committee's charter. The independent auditors are responsible for expressing opinions on those financial statements and on the effectiveness of the Company's internal control over financial reporting.

**RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS
PROPOSAL NO. 2 ON THE PROXY CARD**

Information Regarding our Independent Auditors

The Audit Committee of the Board of Directors has reappointed Ernst & Young LLP as independent auditors for 2018. Stockholders are being asked to vote upon the ratification of the appointment. Representatives of Ernst & Young will attend the Annual Meeting, where they will be available to respond to appropriate questions and have the opportunity to make a statement if they desire.

Vote Required for Approval

The proposal to ratify the appointment of Ernst & Young LLP as independent auditors will require approval of a majority of the shares of our common stock entitled to vote and present in person or by proxy. In accordance with NYSE rules, a proposal to ratify independent auditors is considered to be a “discretionary” item. This means that brokerage firms may vote in their discretion on this matter on behalf of beneficial owners who have not furnished voting instructions within the time period specified in the voting instructions submitted by such brokerage firms. Abstentions, which will be counted as votes present for the purpose of determining a quorum, will have the effect of a vote against the proposal. Your shares will be voted as you specify on your proxy. If your properly executed proxy does not specify how you want your shares voted, we will vote them for the ratification of the appointment of Ernst & Young LLP as independent auditors.

Audit Fees

The Audit Committee pre-approves all services provided by the Company’s independent auditors to the Company and its subsidiaries. Consideration and approval of such services generally occurs in the regularly scheduled quarterly meetings of the Audit Committee. The Audit Committee has delegated the Audit Committee Chair to pre-approve allowed non-audit services, subject to review by the full committee at the next regularly scheduled meeting. The Audit Committee has considered whether the provision of all services other than those rendered for the audit of the Company’s financial statements is compatible with maintaining Ernst & Young’s independence and has concluded that their independence is not compromised.

The following table sets forth Ernst & Young LLP’s fees for services rendered during 2017 and 2016. All services provided by Ernst & Young LLP were pre-approved by the Audit Committee.

	2017	2016
	<i>(in thousands)</i>	
Audit Fees	\$ 8,841	\$ 8,812
Audit Related Fees	\$ 13	\$ 13
Tax Fees(1)	\$ 2,612	\$ 4,904
All Other Fees	—	—
Total	\$11,466	\$13,729

(1) Consists primarily of fees for compliance, planning and advice with respect to various domestic and foreign corporate tax matters.

**APPROVAL OF COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS
PROPOSAL NO. 3 ON THE PROXY CARD**

A proposal will be presented at the meeting asking stockholders to approve on an advisory basis the compensation of the Company's named executive officers as described in this proxy statement.

Why You Should Approve our Executive Compensation Program

The Company's compensation philosophy is designed to attract and retain executive talent and emphasize pay for performance, including the creation of stockholder value. The Company encourages its stockholders to read the Executive Compensation section of this proxy statement, including the compensation tables, as well as the Compensation Discussion and Analysis (CD&A) section of this proxy statement, for a more detailed discussion of our compensation programs and policies. The Company believes its compensation programs and policies are appropriate and effective in implementing its compensation philosophy and in achieving its goals, and that they are aligned with stockholder interests and worthy of continued stockholder support.

In the past, our stockholders have overwhelmingly approved the compensation of our named executive officers. In May 2017, our stockholders approved, on an advisory basis, the compensation of our named executive officers with approximately 97% of stockholder votes cast in favor of our say-on-pay resolution. We believe this strong result indicates general approval from our stockholders of the Company's existing approach to its compensation programs and policies.

We believe that stockholders should consider the following in determining whether to approve this proposal:

Strong Pay-for-Performance Orientation

- *Annual Incentive Plan awards are aligned with our performance:* For 2017, the Company's EBITDA performance was above the "target" EBITDA objective set under the 2017 annual incentive plan, therefore, the named executive officers received an incentive compensation bonus payout for 2017.
Long-term incentives linked to shareholder value: The Company's long-term incentive awards consist of: stock options, restricted stock and performance share awards (as used herein, the terms "performance awards" and "performance share awards" shall have the same meaning), which rewards the named executive officers for absolute stock price appreciation and relative shareholder return performance.
- *Base salaries have been frozen since the downturn:* In early 2015, the CEO voluntarily reduced his base salary by \$100,000 in light of market conditions in our industry. In 2017, the Company made no adjustments to the base salary levels of its named executive officers.

Compensation Program Has Appropriate Long-term Orientation

- *Minimum three-year vesting for equity awards:* The Company encourages a long-term orientation by its executives through the use of three-year annual vesting requirements for options and time-based restricted stock awards and three-year cliff vesting for performance-based equity awards.

Summary of Good Governance and Risk Mitigating Factors

- *Limited Bonus Payouts:* Bonus awards cannot exceed 200% of target, thus capping payouts for short-term performance.
- *Balanced Pay Mix:* The mix of pay is balanced between annual and long-term compensation.

[Table of Contents](#)

- *Multiple Year Vesting of Long-Term Incentives:* Long-term incentive awards do not vest in their entirety until three years after the grant.
- *CEO Pay:* CEO base salary level has generally been below the competitive peer median.
- *Adoption of Executive Stock Ownership Guidelines:* The Company has stock ownership guidelines for executive officers that help align the interests of the Company's executive officers and the Company's stockholders by requiring executives to accumulate and retain a meaningful level of the Company's stock.
- *Clawback Policy:* Awards of long-term equity compensation and compensation under the Company's annual cash incentive plan can be recouped by the Compensation Committee if it determines that the recipient of such award has engaged in material misconduct that requires the Company to make a restatement of its reported financial statements.
- *Returns Focused Incentives:* The performance measures for the Company's Annual Incentive Plan (i.e., Adjusted EBITDA with a working capital modifier and NVA) encourage the prudent deployment of capital, the reduction of costs and inventory levels and the improvement of cash flow and working capital.

The Company's compensation program for its named executive officers has been thoughtfully designed to support the Company's long-term business strategies and drive creation of stockholder value. The program does not encourage excessive risk-taking by management. It is aligned with the competitive market for talent, and highly sensitive to Company performance. The Company believes its program delivers reasonable pay that is strongly linked to Company performance over time.

The following resolution will be submitted for a stockholder vote at the 2018 annual meeting:

"RESOLVED, that the stockholders of the Company approve, on an advisory basis, the compensation of the Company's named executive officers listed in the 2017 Summary Compensation Table included in the proxy statement for this meeting, as such compensation is disclosed pursuant to Item 402 of Regulation S-K in this proxy statement under the section entitled "Executive Compensation", including the compensation tables and other narrative executive compensation disclosures set forth under that section, as well as the section in the proxy statement entitled "Compensation Discussion and Analysis"."

This advisory vote on the compensation of the Company's named executive officers gives stockholders another mechanism to convey their views about the Company's compensation programs and policies. Although your vote on executive compensation is not binding on the Company, the Board values the views of stockholders. The Board and Compensation Committee will review the results of the vote and take them into consideration in addressing future compensation policies and decisions.

Your Board of Directors recommends that you vote "FOR" the proposal to approve the compensation of our named executive officers.

**APPROVAL OF THE NATIONAL OILWELL VARCO, INC.
2018 LONG-TERM INCENTIVE PLAN
PROPOSAL NO. 4 ON THE PROXY CARD**

In 2005, the stockholders approved the National Oilwell Varco Long-Term Incentive Plan (the “Equity Incentive Plan”), which was most recently amended and restated effective May 18, 2016 to increase the number of shares available for issuance under its terms to 69,400,000, to incorporate a fungible ratio concept, to increase individual participant limits and to provide for the net exercise of options.

As of March 16, 2018, 8,839,989 shares are available for grant under the Equity Incentive Plan. The Compensation Committee of the Board of Directors and the Board itself considers this number to be inadequate to achieve the stated purpose of the Equity Incentive Plan in the future; namely, to promote the long-term financial interests of the Company by: (i) encouraging directors, officers and employees of the Company to acquire an ownership position in the Company; (ii) enhancing the ability of the Company to attract and retain directors, officers and key employees of outstanding ability; and (iii) providing directors, officers and key employees with an interest in the Company aligned with that of the Company’s stockholders. As a result, the Company has decided to adopt a new National Oilwell Varco, Inc. 2018 Long-Term Incentive Plan (the “2018 Equity Plan”). The 2018 Equity Plan is provided as Appendix I to this proxy statement.

As of March 16, 2018, there were 381,866,426 shares of National Oilwell Varco common stock issued and outstanding. If the 2018 Equity Plan is approved by the stockholders, then the 17,800,000 shares of our common stock that could be issued under the 2018 Equity Plan, as of March 16, 2018, would represent approximately 4.14% of the total number of shares of our common stock outstanding on a fully diluted basis as of such date. In determining this percentage, we divided the new shares requested by the common shares outstanding plus the new shares added plus the shares reserved for outstanding stock options and unvested full value awards. However, we expect in the future, to continue to grant full value awards, such as restricted stock, which count against available shares under the 2018 Equity Plan on a 2.5-to-1 basis and would reduce this dilution percentage.

Existing awards under the Equity Incentive Plan will remain in full force and effect in accordance with the plan’s terms. No new awards will be made under the Equity Incentive Plan after approval of the 2018 Equity Plan by stockholders.

Reasons for Seeking Shareholder Approval

The 2018 Equity Plan provides for long-term compensation and incentive opportunities for directors, executives and key employees of the Company and its subsidiaries. The Board believes that the future success of the Company is dependent upon the quality and continuity of management, and that compensation programs such as stock options and restricted stock grants are important in attracting and retaining individuals of superior ability and in motivating their efforts on behalf of the Company.

Shareholder approval of the 2018 Equity Plan is required under the rules of the New York Stock Exchange applicable to the Company. If the 2018 Equity Plan is not approved, it will not go into effect. If that occurs, awards may continue to be made under the Equity Incentive Plan in accordance with its terms until the shares remaining for Awards under the Equity Incentive Plan are exhausted. The Company is also asking the stockholders to approve the 2018 Equity Plan for purposes of Section 421 of the Internal Revenue Code of 1986, as amended (the “Code”).

Securities Authorized for Issuance under Equity Compensation Plans

As of March 16, 2018, there were 30,105,408 shares reserved for issuance under the Equity Incentive Plan upon the vesting of performance awards/restricted stock grants and the exercise of existing option grants. As of March 16, 2018, there were 6,716,379 shares and 23,487,848 shares reserved for issuance under all Company equity plans (including the Equity Incentive Plan and all discontinued Company equity plans)

[Table of Contents](#)

upon the vesting of performance awards/restricted stock grants and the exercise of existing option grants, respectively. As of March 16, 2018, the weighted-average exercise price and the weighted-average remaining term for the Company's outstanding stock options under all Company equity plans were \$52.28 and 6.84 years, respectively.

As of March 16, 2018, there were 381,866,426 shares of National Oilwell Varco common stock issued and outstanding.

The following table sets forth information as of March 16, 2018, with respect to compensation plans under which our common stock may be issued:

Plan Category	Number of securities to be issued upon exercise of warrants and rights (a)	Weighted-average exercise price of outstanding rights (b)	Number of securities remaining available for equity compensation plans (excluding securities reflected in column (a)) (c) (1)
Equity compensation plans approved by security holders	23,417,135	\$ 52.28	8,839,989
Equity compensation plans not approved by security holders	—	—	—
Total	23,417,135	\$ 52.28	8,839,989

(1) Shares could be issued through equity instruments other than stock options, warrants or rights; however, none are anticipated during 2018.

Vote Required for Approval

Approval of the proposal to approve the adoption of the 2018 Equity Plan will require the affirmative vote of the majority of the votes cast on the proposal. An abstention will have the same effect as a vote "against" such proposal. Your shares will be voted as you specify on your proxy. If your properly executed proxy does not specify how you want your shares voted, we will vote them for the adoption of the 2018 Equity Plan.

Description of the Plan

The following summary describes briefly the principal features of the proposed 2018 Equity Plan, and is qualified in its entirety by reference to the full text of the proposed 2018 Equity Plan, which is provided as Appendix I to this Proxy Statement.

General Terms

The purpose of the 2018 Equity Plan is to promote the long-term financial interests of the Company, including its growth and performance, by encouraging directors, officers and employees of the Company and its affiliates to acquire an ownership position in the Company, by enhancing the ability of the Company to attract and retain directors, officers and key employees of outstanding ability, and by providing directors, officers and key employees with an interest in the Company aligned with that of the Company's stockholders. It is not possible to determine at this time the number of shares of Company common stock covered by options or restricted stock awards that may be granted in the future under the 2018 Equity Plan to any employee.

[Table of Contents](#)

Administration

Generally, the 2018 Equity Plan will be administered by the Compensation Committee, which is and will be composed of independent directors of the Company. The Board will administer the 2018 Equity Plan as to awards to members of the Board. In addition, the Compensation Committee has the authority to delegate to one or more members of the Board or one or more officers of the Company the power to administer the plan as to employees, other than persons subject to Section 16 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

The Compensation Committee will have full authority, subject to the terms of the 2018 Equity Plan, to establish rules and regulations for the proper administration of the 2018 Equity Plan, to select the employees, consultants and directors to whom awards are granted, and to set the date of grant, the type of award that shall be made and the other terms of the awards.

Eligibility

All employees, consultants and directors of the Company and its affiliates are eligible to participate in the 2018 Equity Plan. The selection of those employees, consultants and directors, from among those eligible, who will receive awards is within the discretion of the Compensation Committee. As of February 28, 2018, there were approximately 32,980 worldwide employees working for the Company and its affiliates who were eligible to participate in the plan. Of the approximate 32,980 worldwide employees, approximately 602 were temporary employees (the majority of which were non-US employees) and a small subset of this group may be classified by the Company as “consultants”. It is not possible at this time to determine the benefits or amounts that will be received by or allocated to eligible participants under the 2018 Equity Plan.

Term of the Plan

The 2018 Equity Plan will terminate on May 11, 2028, after which time no additional awards may be made or options granted under the 2018 Equity Plan.

Number of Shares Subject to 2018 Equity Plan and Award Limits

A total of 17,800,000 shares will be available for future grants under the 2018 Equity Plan.

In connection with the granting of an option or SAR, the number of shares available for issuance under the 2018 Equity Plan shall be reduced by the number of shares in respect of which the option or SAR is granted or denominated. For example, upon the grant of stock-settled SARs, the number of shares available for issuance shall be reduced by the full number of SARs granted, and the number of shares available for issuance shall not thereafter be increased upon the exercise of the SARs and settlement in shares, even if the actual number of shares delivered in settlement of the SARs is less than the full number of SARs exercised. In connection with the granting of an award that is not an option or SAR, the number of shares available for issuance under the 2018 Equity Plan shall be reduced by a number of shares equal to the product of (i) the number of shares in respect of which the award is granted and (ii) 2.5. However, awards that by their terms do not permit settlement in shares shall not reduce the number of shares available for issuance under the Equity Incentive Plan.

Any shares that are tendered by a participant or withheld as full or partial payment of withholding or other taxes or as payment for the exercise or conversion price of an award under the 2018 Equity Plan shall not be added back to the number of shares available for issuance under the 2018 Equity Plan.

Whenever any outstanding option or other award (or portion thereof) expires, is cancelled or forfeited or is otherwise terminated for any reason without having been exercised or payment having been made in the form of shares, the number of shares available for issuance under the 2018 Equity Plan shall be increased by the

[Table of Contents](#)

number of shares allocable to the expired, forfeited, cancelled or otherwise terminated option or other award (or portion thereof). To the extent that any award is forfeited, or any option or SAR terminates, expires or lapses without being exercised, the shares subject to such awards will not be counted as shares delivered under the 2018 Equity Plan.

No participant may receive awards with respect to more than 4,000,000 shares in any calendar year. The maximum amount of awards denominated in cash that may be granted to any participant during any calendar year may not exceed \$10,000,000. The maximum value for any award issued to a director during any calendar year, determined on the date of grant, may not exceed \$600,000. The limitations described in the preceding two sentences may be adjusted upon a reorganization, stock split, recapitalization or other change in the Company's capital structure.

Types of Awards

The 2018 Equity Plan permits the granting of any or all of the following types of awards ("Awards"): (1) stock options, (2) restricted stock, (3) restricted stock units, (4) performance awards, (5) phantom shares, (6) stock appreciation rights, (7) stock payments, and (8) substitute awards.

Stock Options

The term of each option will be as specified by the Compensation Committee at the date of grant (but not more than ten years). The effect of the termination of an optionee's employment, consulting relationship, or membership on the Board will be specified in the Award agreement that evidences each option grant. The Compensation Committee shall also determine the performance or other conditions, if any, that must be satisfied before all or part of an option may vest and be exercised. The period during which an option is exercisable shall be set forth in the Award agreement. No portion of an option which is unexercisable at termination of the participant's employment or service, as applicable, shall thereafter become exercisable, except as may be otherwise provided by the Compensation Committee either in the Award agreement or by action following the grant of the option. At the election of the Compensation Committee, any option may be exercised by an optionee with a "net exercise."

The option price will be determined by the Compensation Committee and will be no less than the fair market value of the shares on the date that the option is granted, except for adjustments for certain changes in the Company's common stock.

The Compensation Committee may determine the method by which the option price may be paid upon exercise, including in cash, check, other shares of Company common stock owned by the optionee, shares issuable upon option exercise, other securities or property, withholding of shares, or by a combination thereof. The 2018 Equity Plan also allows the Compensation Committee, in its discretion, to establish procedures pursuant to which an optionee may affect a cashless broker exercise of an option. No participant who is a member of the board of directors or an executive officer shall be permitted to pay the exercise price or tax withholding obligation of an option or any other Award in any method that would violate Section 13(k) of the Exchange Act.

Restricted Stock

Awards may be granted in the form of restricted stock ("Restricted Stock Award"). Restricted Stock Awards may be awarded in such numbers and at such times as the Compensation Committee may determine. Restricted Stock Awards will be subject to certain terms, conditions or restrictions, including vesting terms that may be linked to performance criteria or other specified criteria including passage of time. The Compensation Committee may, in its discretion, waive any restrictions on any outstanding Restricted Stock Award as of a date determined by the Compensation Committee. Cash dividends paid with respect to a Restricted Stock Award will not be paid during the vesting period but shall be accrued and paid in cash at the time, and to the extent, the underlying shares of Company common stock are delivered.

[Table of Contents](#)

Restricted Stock Units

Restricted Stock Units are rights to receive shares of Company common stock, which vest over a period of time as established by the Compensation Committee and with the satisfaction of certain performance criteria or objectives. The Compensation Committee may, in its discretion, require payment or other conditions of the Participant respecting any Restricted Stock Unit. The Compensation Committee shall establish, with respect to and at the time of each Restricted Stock Unit, a period over which the award shall vest with respect to the Participant. Following the end of the vesting period for a Restricted Stock Unit (or at such other time as the applicable Restricted Stock Unit Agreement may provide), the holder of a Restricted Stock Unit shall be entitled to receive one share of Stock for each Restricted Stock Unit then becoming vested or otherwise able to be settled on such date. Cash dividend equivalents will not be paid during the vesting period but may be accrued to the extent provided for in the Restricted Stock Unit Agreement and paid in cash at the time the underlying shares of Company common stock are delivered.

A Restricted Performance Unit will terminate if the Participant does not remain continuously in the employ of the Company and its subsidiaries or does not continue to perform services as a consultant or a director for the Company and its subsidiaries at all times during the applicable vesting period, except as may be otherwise determined by the Compensation Committee. The terms and provisions of Restricted Stock Unit Agreements need not be identical.

Performance Awards

The Compensation Committee may, in its sole discretion, grant Performance Awards under the 2018 Equity Plan that may be paid in cash, shares of Company common stock, or a combination thereof as determined by the Compensation Committee. At the time of the grant, the Compensation Committee will establish the maximum dollar amount of each Performance Award, the performance goals which may be linked to performance criteria or other specified criteria, including passage of time, and the performance period over which the performance goals will be measured.

Performance Awards will be granted by the Compensation Committee no later than ninety days following the commencement of the performance period, will designate, in writing, the performance criteria applicable to the performance period, and establish performance goals and amounts of awards, as applicable, which may be earned for the performance period. Following the completion of the performance period, the Compensation Committee must certify in writing whether the applicable performance goals have been achieved for the performance period, and no award or portion of an award will be considered earned or vested until the Compensation Committee certifies in writing that the conditions to which the distribution, earning or vesting of such award is subject have been achieved.

If a change of control occurs during a performance period and a Participant is employed by the Company or one of its Affiliates on the date a Change of Control occurs and the Participant's employment is, within the 24 month period commencing on the effective date of such Change of Control, either involuntarily terminated by the Company or, if the Participant has an employment agreement which permits resignation for "good reason" the Participant resigns for "good reason" as defined in such employment agreement (each referred to as a "Qualifying Termination"), the payment level for any then outstanding Performance Awards shall be the greater of (i) the amount payable if each of the performance criteria shall be deemed to be satisfied at the target payment level, provided the Award shall be prorated based on the total number of days during the performance period prior to the date of the Employee's Qualifying Termination in relation to the total number of days during the performance period, or (ii) the amount payable based on the actual performance for each of the performance criteria through the date of the Employee's Qualifying Termination.

Phantom Shares

Phantom Shares under the 2018 Equity Plan are awards of, or rights to receive amounts equal to, a specified number of shares of Company common stock over or following a specific period of time. Such awards may be subject to fulfillment of conditions, which may be linked to performance criteria or other specified criteria, including the passage of time, if any, as the Compensation Committee may specify.

Payment of Phantom Shares may be made in cash, Company common stock, or a combination thereof and shall be paid in a lump sum or installments, following the close of the performance period or at such later deferral date elected by the participant each as prescribed by the Compensation Committee. Any payment to be made in cash will be based on the fair market value of the Company common stock on the payment date.

Stock Appreciation Rights

The Compensation Committee may grant to employees, consultants and directors Stock Appreciation Rights (“SAR”), which consist of a right to receive amounts equal to the share appreciation in the Company’s common stock over a specified period of time. The payment may be made in shares of Company common stock, cash or both. A SAR may be granted (1) in connection and simultaneously with the grant of an option, (2) with respect to a previously granted option, or (3) independent of an option.

Stock Payments

Stock Payments may be awarded in such number of shares of Company common stock and may be based upon performance criteria or other specific criteria, if any, as determined appropriate by the Compensation Committee, determined on the date such Stock Payment is made or on any date thereafter. Stock Payments may be made as part of any bonus, deferred compensation or other arrangement, in lieu of all or any portion of such compensation.

Substitute Awards

The Compensation Committee may also grant to individuals who become employees, consultants or directors of the Company or its subsidiaries in connection with a merger or other corporate transaction awards under the 2018 Equity Plan in substitution of an award such person may have held under his or her prior employer’s plan. It is expected that a substitute award will have substantially the same terms as the award it replaces.

Dividend Treatment for Performance Based Awards

Distributions on shares of Company common stock underlying performance awards or awards with performance criteria, including dividends and dividend equivalents, will accrue and be held by the Company without interest until the award with respect to which the distribution was made becomes vested or is forfeited and then paid to the award recipient or forfeited, as the case may be.

Federal Income Tax Consequences

The following is a brief summary of the U.S. federal income tax consequences of the grant, vesting and exercise of awards under the 2018 Equity Plan. This summary is not intended to be exhaustive, and, among other things, does not describe state, local or non-United States tax consequences, or the effect of gift, estate or inheritance taxes. References to the “Company” in this summary mean National Oilwell Varco, Inc., or any affiliate of National Oilwell Varco, Inc. that employs or receives the services of a recipient of an award under the 2018 Equity Plan. Individuals receiving awards under the 2018 Equity Plan should rely upon their own tax advisors for advice concerning the specific tax consequences applicable to them, including the applicability and effect of state, local and foreign tax laws.

Incentive Stock Options

An optionee will not recognize any taxable income at the time of the award of an incentive stock option. In addition, an optionee will not recognize any taxable income at the time of the exercise of an incentive stock option (although taxable income may arise at the time of exercise for alternative minimum tax purposes) if the optionee has been an employee of the Company at all times beginning with the option award date and ending three months before the date of exercise (or twelve months in the case of termination of employment due to disability). If the optionee has not been so employed during that time, the optionee will be taxed as described below for non-statutory stock options. If the optionee disposes of the shares purchased through the exercise of an incentive stock option more than two years after the option was granted and more than one year after the option was exercised, then the optionee will recognize any gain or loss upon disposition of those shares as capital gain or loss. However, if the optionee disposes of the shares prior to satisfying these holding periods (known as a “disqualifying disposition”), the optionee will be obligated to report as taxable ordinary income for the year in which that disposition occurs the excess, with certain adjustments, of (i) the fair market value of the shares disposed of on the date of exercise over (ii) the exercise price paid for those shares. Any additional gain realized by the optionee on the disqualifying disposition would be capital gain. If the total amount realized in a disqualifying disposition is less than the exercise price of the incentive stock option, the difference would be a capital loss for the optionee. The Company will, subject to Section 162(m) of the Code, generally be entitled at the time of the disqualifying disposition to a tax deduction equal to that amount of ordinary income reported by the optionee.

Non-Statutory Options

An optionee will not recognize any taxable income at the time of the award of a non-statutory option. The optionee will recognize ordinary income in the year in which the optionee exercises the option equal to the excess of the fair market value of the purchased shares on the exercise date over the exercise price paid for the shares, and the optionee will be required at that time to satisfy the tax withholding requirements applicable to such income. Any appreciation or depreciation in the fair market value of those shares after the exercise date will generally result in a capital gain or loss to the optionee at the time he or she disposes of those shares. The Company will, subject to Section 162(m) of the Code, generally be entitled to an income tax deduction at the time of exercise equal to the amount of ordinary income recognized by the optionee at that time.

Phantom Shares

Phantom shares units are not subject to taxation at the time of grant, and the Company will not be entitled to a deduction at that time, assuming that the restrictions constitute a substantial risk of forfeiture for federal income tax purposes. Phantom shares settled in cash generally result in taxable income to the Participant and, subject to Section 162(m) of the Code, a compensation deduction by the Company at the time the cash payment is made. Phantom shares settled in shares of Company common stock generally result in taxable income to the Participant and, subject to Section 162(m) of the Code, a compensation deduction by the Company, in an amount equal to the fair market value of the shares of Company common stock on the date of the award is settled through the actual or constructive delivery of shares to the Participant. Phantom shares are subject to federal income and employment tax withholding.

Restricted Stock Awards

The recipient of shares of restricted stock will not recognize any taxable income at the time of the award so long as the shares of Company common stock are not transferable and are subject to a substantial risk of forfeiture. Accordingly, the Company is not entitled to a compensation deduction at that time. The recipient

[Table of Contents](#)

will have to report as ordinary income as and when those shares of Company common stock subsequently vest, that is, when they either become transferable or are no longer subject to a substantial risk of forfeiture, an amount equal to the excess of (i) the fair market value of the shares upon vesting over (ii) the cash consideration (if any) paid for the shares. The Company will, subject to Section 162(m) of the Code, then be entitled to a corresponding compensation deduction. All dividends and distributions (or the cash equivalent thereof) with respect to a restricted stock award paid to the employee before the risk of forfeiture lapses will also be compensation income to the Participant when paid. Notwithstanding the foregoing, the recipient of a restricted stock award may elect under Section 83(b) of the Code to be taxed at the time of grant of the restricted stock award based on the fair market value of the shares of common stock on the date of the award, in which case (1) subject to Section 162(m) of the Code, the Company will be entitled to a deduction at the same time and in the same amount, (2) dividends paid to the recipient during the period the forfeiture restrictions apply will be taxable as dividends and will not be deductible by the Company, and (3) there will be no further federal income tax consequences when the risk of forfeiture lapses. In such case, any appreciation or depreciation in the fair market value of those shares of Company common stock after grant will generally result in a capital gain or loss to the recipient at the time he or she disposes of those shares. This election must be made not later than thirty days after the grant of the restricted stock award and is irrevocable.

Restricted Stock Units

Restricted stock units are not subject to taxation at the time of grant, and the Company will not be entitled to a deduction at that time, assuming that the restrictions constitute a substantial risk of forfeiture for federal income tax purposes. On the date a restricted stock unit is settled through the actual or constructive delivery of shares of Company common stock to the Participant, the Participant will realize ordinary income in an amount equal to the fair market value of the shares received in settlement for the units at such time over the amount, if any, paid for the shares, and subject to Section 162(m) of the Code, the Company will be entitled to a corresponding deduction.

Stock Appreciation Rights

The recipient of a stock appreciation right will not recognize taxable income at the time of the award. The recipient will recognize ordinary income when the stock appreciation right is exercised in an amount equal to the excess of (i) the fair market value of the underlying shares of Company common stock on the exercise date over (ii) the base price in effect for the stock appreciation right, and the recipient will be required to satisfy the tax withholding requirements applicable to such income. The Company will, subject to Section 162(m) of the Code, generally be entitled at the time of exercise to an income tax deduction equal to the amount of ordinary income recognized by the recipient in connection with the exercise of the stock appreciation right.

Performance Awards

Performance Awards paid in cash generally result in taxable income to the Participant and, subject to Section 162(m) of the Code, a compensation deduction by the Company at the time the cash payment is made. Performance Awards paid in shares of Company common stock generally result in taxable income to the Participant and, subject to Section 162(m) of the Code, a compensation deduction by the Company, in an amount equal to the fair market value of the shares of Company common stock on the date of the award is settled through the actual or constructive delivery of shares to the Participant. Performance Awards are subject to federal income and employment tax withholding.

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code places a limit of \$1,000,000 on the amount of compensation that the Company may deduct in any taxable year with respect to each “covered employee” within the meaning of Section 162(m) of the Internal Revenue Code.

Prohibition on Deferred Compensation

No award shall be “deferred compensation” subject to Section 409A of the Code unless and to the extent that the Compensation Committee specifically determines otherwise, and the 2018 Equity Plan and the terms and conditions of all awards shall be interpreted accordingly. The terms and conditions governing any awards that the Compensation Committee determines will be subject to Section 409A of the Code, including any rules for elective or mandatory deferral of the delivery of cash or shares pursuant thereto, shall be set forth in the applicable award agreement, and shall comply in all respects with Section 409A of the Code. Notwithstanding any provision herein to the contrary, any award issued under the 2018 Equity Plan that constitutes a deferral of compensation under a “nonqualified deferred compensation plan” as defined under Section 409A(d)(1) of the Code and is not specifically designated as such by the Compensation Committee shall be modified or cancelled to comply with the requirements of Section 409A of the Code, including any rules for elective or mandatory deferral of the delivery of cash or shares pursuant thereto.

Miscellaneous

The Compensation Committee may amend or modify the 2018 Equity Plan at any time; provided, however, that stockholder approval will be obtained for any amendment (1) to the extent necessary and desirable to comply with any applicable law, regulation or stock exchange rule, (2) to increase the number of shares available, or (3) to permit the exercise price of any outstanding option or SAR be reduced or for an “underwater” option or SAR to be cancelled and replaced with a new Award or cash. The Company’s Corporate Governance Guidelines do not permit the repricing of options.

Your Board of Directors recommends that you vote “FOR” the proposal to approve the National Oilwell Varco, Inc. 2018 Long-Term Incentive Plan.

CORPORATE GOVERNANCE

National Oilwell Varco's Board of Directors is committed to promoting transparency in reporting information about the Company, complying with the spirit as well as the literal requirements of applicable laws, rules and regulations, and corporate behavior that conforms to corporate governance standards that substantially exceed the consensus view of minimum acceptable corporate governance standards. The Board of Directors adopted Corporate Governance Guidelines which established provisions for the Board's composition and function, Board committees and committee membership, evaluation of director independence, the roles of the Chairman of the Board, the Chief Executive Officer and the Lead Director, the evaluation of the Chief Executive Officer, regular meetings of non-employee directors, board conduct and review, selection and orientation of directors, director compensation, access to management and independent advisors, and annual review of the Corporate Governance Guidelines. A copy of the Corporate Governance Guidelines is available on the Company's website, www.nov.com, under the Investor Relations/Corporate Governance section. The Company will furnish print copies of the Corporate Governance Guidelines, as well as its Committee charters, to interested stockholders without charge, upon request. Written requests for such copies should be addressed to: Craig L. Weinstock, Secretary, National Oilwell Varco, Inc., 7909 Parkwood Circle Drive, Houston, Texas 77036.

Director Independence

The Corporate Governance Guidelines address, among other things, standards for evaluating the independence of the Company's directors. The Board undertakes an annual review of director independence and considers transactions and relationships during the prior year between each director or any member of his or her immediate family and the Company and its affiliates, including those reported under "Certain Relationships and Related Transactions" in this Proxy Statement. As a result of this annual review, the Board affirmatively determined that a majority of the members of the Board of Directors are independent of the Company and its management under the standards set forth in the Corporate Governance Guidelines. The following directors were affirmed as independent: Greg L. Armstrong, Marcela E. Donadio, Ben A. Guill, James T. Hackett, David D. Harrison, Eric L. Mattson, Melody B. Meyer and William R. Thomas.

Board Leadership

Currently, the roles of Chairman of the Board and Chief Executive Officer are combined at the Company. The Company believes that effective corporate governance, including the independent oversight of management, does not require that the Chairman of the Board be an independent director or that the offices of Chairman and Chief Executive Officer be separated. The Company believes that its stockholders are best served by a Board that has the flexibility to establish a leadership structure that fits the needs of the Company at a particular point in time.

The Board believes that our current Chief Executive Officer is best situated to serve as Chairman because Mr. Williams is the director most familiar with our business and most capable of effectively identifying strategic priorities and leading the discussion and execution of our strategy. The Board also believes that the combined role of Chairman and Chief Executive Officer facilitates information flow between management and the Board.

To assist with providing independent oversight of management and the Company's strategy, the non-employee members of the Board of Directors have appointed Greg L. Armstrong, an independent director, as Lead Director. The Lead Director is responsible for: (1) developing the agenda for, and presiding over the executive sessions of, the Board's non-management directors, (2) facilitating communications between the Chairman of the Board and other members of the Board, (3) coordinating, with the Chairman, the assessment of the committee structure, organization, and charters, and evaluating the need for any changes, (4) acting as principal liaison between the non-management directors and the Chief Executive Officer on matters dealt with in executive session, and (5) assuming such further tasks as the independent directors may determine.

[Table of Contents](#)

The Board also holds executive sessions on a quarterly basis at which only non-employee directors are present. In addition, the committees of the Board provide independent oversight of management. Each of the committees of the Board is composed entirely of independent directors.

The Board has concluded that the combined role of Chairman and Chief Executive Officer, together with an independent Lead Director having the duties described above, is in the best interest of stockholders because it provides an appropriate balance between our Chairman's ability to lead the Board and the Company and the ability of our independent directors, under the leadership of our Lead Director, to provide independent objective oversight of our management.

Board Role in Risk Oversight

The Board of Directors and its committees help conduct certain risk oversight functions for the Company. The Board is periodically advised on the status of various factors that could impact the business and operating results of the Company, including oil and gas prices and the Company's backlog for capital equipment. The full Board is also responsible for reviewing the Company's strategy, business plan, and capital expenditure budget at least annually. The full Board also monitors our various enterprise wide risks, including IT and cybersecurity risks. Through these various functions, the Board is able to monitor these risks and assist the Company in determining whether certain mitigating actions, if any, need to be taken.

The Audit Committee serves an important role in providing risk oversight, as further detailed in its charter. One of the Audit Committee's primary duties and responsibilities is to monitor the integrity of the Company's financial statements, financial reporting processes, systems of internal controls regarding finance, and disclosure controls and procedures. The Audit Committee is also responsible for establishing procedures for the receipt, retention, response to and treatment of complaints, including confidential, anonymous submissions by the Company's employees, regarding accounting, internal controls, disclosure or auditing matters, and providing an avenue of communication among the independent auditors, management, the internal audit function and the Board. In addition, the Audit Committee monitors the Company's compliance with legal and regulatory requirements. The Company considers the Audit Committee an important part of the risk management process, and senior management works closely with the Audit Committee on these matters in managing material risks to the Company.

The other committees of the Board also assist in the risk oversight function. The Nominating/Corporate Governance Committee is responsible for ensuring that the Board and its committees are appropriately constituted so that the Board and its directors may effectively meet their fiduciary obligations to stockholders and the Company. The Nominating/Corporate Governance Committee is also responsible for monitoring and evaluating on an annual basis the effectiveness of the Board and management of the Company, including their effectiveness in implementing the policies and principles of the Corporate Governance Guidelines. The Compensation Committee is responsible for compensation of the Company's directors and executive officers. These various responsibilities of these committees allow them to work with the Company to make sure these areas do not pose undue risks to the Company.

Risk Assessment in Compensation Programs

Consistent with SEC disclosure requirements, the Company, its Compensation Committee and the Compensation Committee's independent compensation consultant assess the Company's executive and broad-based compensation programs on an annual basis and have concluded that the Company's compensation policies and practices do not create risks that are reasonably likely to have a material adverse effect on the Company. Although we reviewed all material compensation programs, we focused on the programs with variability of payout, with the ability of a participant to directly affect payout and the controls on participant action and payout.

[Table of Contents](#)

During such review, we noted that the variable forms of compensation, namely the annual cash incentive program and long-term equity incentives, have structural limitations and other mitigating controls which are designed to prevent the Company from being exposed to unexpected or unbudgeted compensation cost. For example, bonus payments to an executive under the annual cash incentive program are capped at a certain percentage of the executive's base salary, and the number of shares of restricted stock and stock options granted under the Company's long-term equity incentive plan are fixed amounts of shares.

After such review and assessment, the Company, the Compensation Committee and the Compensation Committee's consultant believe that the Company's compensation policies and practices do not create inappropriate or unintended significant risk to the Company as a whole. The Company and the Compensation Committee also believe that the Company's incentive compensation arrangements provide incentives that do not encourage risk-taking beyond the organization's ability to effectively identify and manage significant risks, and are supported by the oversight and administration of the Compensation Committee with regard to executive compensation programs.

Policies on Business Ethics and Conduct

The Company has a long-standing Business Ethics Policy. In April 2003, the Board adopted the Code of Business Conduct and Ethics For Members of the Board of Directors and Executive Officers and the Code of Ethics for Senior Financial Officers. These codes are designed to focus the Board and management on areas of ethical risk, provide guidance to personnel to help them recognize and deal with ethical issues, provide mechanisms to report unethical conduct and help to foster a culture of honesty and accountability. As set forth in the Corporate Governance Guidelines, the Board may not waive the application of the Company's policies on business ethics and conduct for any Director or Executive Officer. Copies of the Code of Business Conduct and Ethics for Members of the Board of Directors and Executive Officers and the Code of Ethics for Senior Financial Officers, as well as the code of ethics applicable to employees of the Company, are available on the Company's website, www.nov.com, under the Investor Relations/Corporate Governance section. The Company will furnish print copies of these Codes to interested stockholders without charge, upon request. Written requests for such copies should be addressed to: Craig L. Weinstock, Secretary, National Oilwell Varco, Inc., 7909 Parkwood Circle Drive, Houston, Texas 77036.

Communications with Directors

The Board has provided a process for interested parties to communicate with our non-employee directors. Parties wishing to communicate confidentially with our non-employee directors may do so by calling 1-800-372-3956. This procedure is described on the Company's website, www.nov.com, in the Investor Relations/Corporate Governance section. Calls to this number will be answered by an independent, automated system 24 hours a day, 365 days a year. A transcript of the call will be delivered to a member of the Audit Committee. Parties wishing to send written communications to the Board, other than sales-related communications, should send a letter addressed to the member or members of the Board to whom the communication is directed, care of the Secretary, National Oilwell Varco, Inc., 7909 Parkwood Circle Drive, Houston, Texas, 77036. All such communications will be forwarded to the Board member or members specified.

Director Attendance at Annual Meetings

The Company does not have a formal policy with respect to director attendance at annual stockholder meetings. In 2017, all members of the Board were in attendance at the annual meeting, with the exception of Ms. Meyer, who joined the Board of Directors in September 2017.

COMPENSATION DISCUSSION AND ANALYSIS

General Overview

The following Compensation Discussion and Analysis (CD&A) describes our executive compensation program and provides information relevant to understanding the decisions our Compensation Committee has made under that program with regards to our Named Executive Officers' 2017 compensation.

The following is a list of our named executive officers by name and position, as of December 31, 2017:

Name	Position
Clay C. Williams	Chairman, President and Chief Executive Officer
Jose A. Bayardo	Senior Vice President and Chief Financial Officer
Joseph W. Rovig	President – Rig Technologies
Craig L. Weinstock	Senior Vice President, General Counsel and Secretary
Scott K. Duff	Vice President, Corporate Controller and Chief Accounting Officer

2017 Performance Overview

Improving oil and gas prices resulted in increased drilling activity and demand for certain oilfield equipment and services. Average 2017 worldwide rig count (as measured by Baker Hughes) increased 27% in comparison to 2016. The increase in activity led to increased revenues in the Company's Wellbore Technologies and Completion & Production Solutions segments, partially offset by declines in Rig Technologies' revenues.

Pay for Performance

Our Compensation Committee believes that the Company's executive compensation program is appropriately designed to align executives' interest with those of our shareholders and to reward based on performance. The majority of our executive officers' total compensation opportunity is provided in "at-risk" compensation components and tied to the achievement of our annual and long-term performance goals.

[Table of Contents](#)

Our annual incentives are tied to a key measure of profitability and growth (Adjusted EBITDA) and a measure tied to improving our returns on capital (National Oilwell Varco Value Added or NVA). Our long-term incentives are tied to our returns to shareholders, both in absolute stock price gains and returns relative to industry peers.

For 2017 the payouts under our “at-risk” incentive programs were as follows:

- **2017 Annual Bonus Payout:** We exceeded our pre-set financial threshold goals and consequently awarded above target bonuses for 2017 performance.
- **Below Target Long-Term Incentive Performance Award Payout:** Half of the 2015 performance shares were earned at 86% of target based on our TSR performance relative to the OSX index. The other half of the performance shares were forfeited based on not meeting our threshold level of Return on Capital. When combined with the stock price reduction from grant date, the company’s performance from 2015-2017 resulted in our performance shares vesting at a level that was 28% of the original grant date target value.

CEO Realizable Pay

The majority of the compensation value our CEO will ultimately receive is directly tied to the Company’s actual operational and financial performance and absolute and relative stock price performance.

The following table demonstrates the strong link between pay and performance by comparing the CEO’s intended target compensation value relative to his realizable value as of December 31, 2017.*

* Target columns reflect the grant date intended values for 2015, 2016, and 2017. The amounts indicated in the Realizable columns reflect the actual base salary and bonus earned each year as well as the intrinsic value of long-term incentive awards as of December 31, 2017. The 2015 performance award reflects the Company’s actual performance ranking of 86% of target for TSR and 0% for ROC; 2016 and 2017 awards reflect 100% of target since the performance period for those awards will not be completed until December 2018 and 2019 respectively. The realizable value of the 2017 stock options is higher than the target due to an appreciation in the Company’s stock price.

Say-on-Pay Considerations

At our 2017 annual stockholder meeting, approximately 97% of votes cast were in support of NOV's executive compensation program. The annual "Say-on-Pay" vote serves as an important guide to the Committee in ensuring that the executive compensation programs align with stockholder interests. We believe our stockholders strong support is affirmation of the design of our executive compensation programs.

Approach to Executive Compensation Program

Compensation Philosophy

The Company believes, in order to attract, motivate, and retain talented executives, its compensation program should be properly designed to:

- Provide a strong emphasis on performance; tied to short and long-term objectives
- Provide a market competitive pay level,
- Provide alignment with shareholder interests, and
- Provide a certain level of financial security

Components of NOV's Compensation Program:

Components of Compensation		Total Compensation Purpose
Fixed Pay	Base Salary	<ul style="list-style-type: none">• Fixed level of compensation to attract and retain executive talent• Salary level based on tenure, expertise, scope of responsibility and individual performance
"At Risk" Pay	Annual Incentives (Cash)	<ul style="list-style-type: none">• Incentivize and reward executives for achieving the Company's corporate growth and profitability goals• Encourage smart investments and prudent deployment of capital• Attract, motivate, and retain high quality management talent• Provide competitive cash compensation opportunity
	Stock Options	<ul style="list-style-type: none">• Link significant portion of executive compensation to the enhancement of stockholder value• Focus executives on share price appreciation and reward for creating long-term stockholder value• Requires three-year ratable vesting, thus serves as a retention tool
	Performance Shares	<ul style="list-style-type: none">• Recognizes the Company's total shareholder performance relative to industry peers• Links the Company's performance to long-term stockholder value creation• Provides a long-term incentive vehicle tied to a three-year performance goal
	Restricted Stock	<ul style="list-style-type: none">• Aligns interests of executives with shareholders by providing long-term stock ownership• Provides forfeitable ownership stake (three-year ratable vesting) to encourage retention

Given the inherent nature of these forms of compensation and the cyclical nature of the industry in which we operate, the Company has tried to provide a balance between aligning pay with absolute performance and relative performance to peers through both up and down cycles.

There are no compensation policy differences among the individual executives, except that the more senior officers, such as our Chief Executive Officer, receive a higher compensation level with a greater percentage of that compensation "at-risk," consistent with their increased responsibilities. These differences are reviewed and considered in connection with the compensation analysis performed by the Compensation Committee.

How Executive Compensation Decisions are Determined

Role of Compensation Committee

National Oilwell Varco’s executive compensation program is administered by the Compensation Committee of the Board of Directors. The Compensation Committee establishes specific compensation levels for the Company’s executive officers and administers the Company’s long-term incentive award plans. The Compensation Committee’s objective regarding executive compensation is to design and implement a compensation program that will attract and retain the best available individuals to serve on the Company’s executive team and properly incentivize those executives to achieve the Company’s short-term and long-term financial and operational goals. To this end, the Compensation Committee strives to provide compensation packages for key executives that generally offer compensation opportunities competitive with the peer group of companies described below.

Role of Compensation Consultant

In November 2016, the Compensation Committee engaged Meridian Compensation Partners (“Meridian”), its compensation consultant, to serve as its advisor on executive compensation matters. The compensation consultants provided advice and analysis to the Compensation Committee on the design, structure and level of executive compensation. Meridian conducted a competitive review of executive compensation for the Company’s named executive officers relative to its peer companies, as well as to analyze internal pay equity, share usage and dilution. Meridian analyzed and compared each position’s responsibilities and job title to develop competitive market data based on data from proxy statements. Meridian generated data on the components of the Company’s compensation program compared to the competitive market data range (25th percentile to 75th percentile) of the designated peer group.

Role of CEO and Management

Management plays an important role in assisting the Compensation Committee in determining executive compensation. At the request of the Compensation Committee, management works with Meridian to provide relevant information for the Committee to make informed decisions. Additionally, our CEO provides the Compensation Committee with his assessment of the performance of our other executive officers and recommends compensation for those officers.

Market Considerations

As part of its process to establish compensation levels for the Company’s named executive officers, the Compensation Committee compares each of the major elements of compensation (base salary, annual bonus and long-term incentives) for each of its named executive officers against the compensation provided to comparable executive officers at companies in a designated peer group.

The Company’s peer group, as approved by the Compensation Committee in 2016, was as follows:

Anadarko Petroleum Corporation	Apache Corporation	Baker Hughes, Inc.
Cummins Inc.	Danaher Corporation	Devon Energy Corporation
Dril-Quip, Inc.	Dresser-Rand Group, Inc.	FMC Technologies Inc.
Halliburton Co.	Helmerich & Payne, Inc.	Illinois Tool Works Inc.
Ingersoll-Rand PLC	Noble Energy, Inc.	Oceaneering International, Inc.
Parker Hannifin Corporation	Roper Technologies, Inc.	Schlumberger Ltd.
Superior Energy Services, Inc.	Transocean Ltd.	Weatherford International Ltd.

Internal Considerations

While the Compensation Committee considers market-competitive levels in setting pay, it also considers numerous other factors such as tenure, individual performance, and level and scope of responsibility.

[Table of Contents](#)

Specific to the CEO, the Compensation Committee also takes into account Mr. Williams' successful achievement of his goals and objectives when setting his compensation opportunity. For 2017, Mr. Williams' performance was measured in four key areas of the Company:

- Financial performance,
- Formulation and implementation of Company strategy,
- Operational performance, and
- Management and employee development.

2017 Compensation Actions

The following section describes the elements of the Company's compensation program for 2017, why the elements were selected, and how the amounts of each element were determined. The mix of target total compensation for our CEO and other NEOs is shown in the chart below:

Base Salary

Salary adjustments are typically based on the individual's experience and background, the individual's performance during the prior year, the general movement of salaries in the marketplace, our financial position and, for each executive other than the Chief Executive Officer, the recommendations of our Chief Executive Officer.

Our salaries have been frozen since 2014 due to the poor economic environment and the Company's subsequent financial and operating performance. Mr. Williams' salary was reduced in 2015 from his prior salary of \$900,000.

Name	End of Year 2015	2016 Salary	2017 Salary	Percent Change
Clay C. Williams	\$ 800,000	\$ 800,000	\$ 800,000	0%
Jose A. Bayardo	\$ 650,000	\$ 650,000	\$ 650,000	0%
Joseph W. Rovig	\$ 550,000	\$ 550,000	\$ 550,000	0%
Craig L. Weinstock	\$ 510,000	\$ 510,000	\$ 510,000	0%
Scott K. Duff*	\$ 428,077	\$ 360,000	\$ 360,000	0%

* Commencing on April 21, 2015, Mr. Duff received an additional payment of \$12,500 per month as a retainer while he served as Interim Chief Financial Officer for the Company. The monthly retainer ceased in August 2015 when it was announced that Mr. Bayardo was named the Company's new Chief Financial Officer.

Annual Incentive Plan

The objectives of the Company's annual cash incentive plan are to incent performance to achieve the Company's corporate growth and profitability goals, encourage smart investments and prudent return on capital, and provide competitive compensation packages to attract and retain high quality management talent.

Substantially all exempt employees, including executive officers, participated in the Company's annual incentive plan in 2017, aligning a portion of each employee's cash compensation with Company performance against predetermined financial objectives. The award opportunities, performance metrics, payout calibration, and performance and payout results of the plan are outlined below.

Annual Incentive Award Opportunities

Annual incentive opportunities are provided to the Company's named executive officers under the Company's 2017 Incentive Compensation Plan. Each year, the Compensation Committee establishes the target annual incentive opportunity for each named executive officer as a specified percentage of his or her

[Table of Contents](#)

base salary. These target percentages are based on each executive’s level of responsibility for the Company’s financial performance. Incentive payouts will vary based on actual performance against performance objectives.

Name	Target Bonus Opportunity (As Percent of Salary)	
	2016 Annual Plan Target %	2017 Annual Plan Target %
Clay C. Williams	140%	140%
Jose A. Bayardo	95%	95%
Joseph W. Rovig	95%	95%
Craig L. Weinstock	95%	95%
Scott K. Duff	90%	90%

Performance Metrics

As in prior years, the incentive plan provided for cash awards if the Company achieved certain pre-established financial objectives based on the Company’s financial plan. The Company’s annual financial plan is established through a comprehensive budget and financial planning process, which includes a detailed analysis of the Company’s market outlook and available strategic alternatives, and is approved by the Board each year. The bonuses for our named executive officers are based on performance on the financial objectives that are weighted as follows:

Adjusted EBITDA was selected as a measure for the 2017 annual incentive plan given our established and continued focus on the operating profitability of our business. Adjusted EBITDA hones in on the operational levers of our financial success, an area deemed appropriate to emphasize given the ongoing macroeconomic challenges in the oil and gas industry. The enhanced emphasis on operational levers was deemed to be appropriate given the challenging macroeconomic environment in the oil and gas industry.

National Oilwell Varco Value Added (“NVA”) raises awareness of capital efficiency across the organization. It was selected as a complimentary performance measure to adjusted EBITDA to align management with the drivers of Total Shareholder Return, encouraging them to balance growth, margins, and asset utilization. NVA is an amount equal to (a) net earnings before interest, taxes, depreciation and amortization less (b) taxes and an amount equal to a required return on assets, as established by the Compensation Committee.

[Table of Contents](#)

Payout Calibration

Payouts under the annual incentive plan are formulaically determined and vary based on performance against pre-established objectives. Each metric has a Threshold, Target, and Maximum level of achievement, which corresponds to a Threshold, Target, and Maximum level of payout. Below a threshold level of performance for each metric, there is no payout on that portion of the annual incentive plan. Each metric is independently evaluated and the payout for each metric is independently calculated. The payout for each metric is capped once the Maximum performance level is achieved. The EBITDA calibration represents a range of 50% (Threshold) to 150% (Maximum) around Target performance and is reflective of the less predictable and volatile operating environment in our industry. In prior years, the range was slightly narrower (i.e., 60% to 140%).

Payout Results

Payouts are determined by metric under the annual incentive plan using the following formula:

The actual bonus paid is the sum of the results for each metric. For 2017, actual bonuses paid to executives were calculated as follows:

Performance Measure	Target	Actual	Payout %
NOV EBITDA	\$501M	\$626M	150%
Rig System & Aftermarket EBITDA	\$293M	\$272M	87%
NOV Value Added	Flat to 2016 Actual*	\$326M above Target	187%
Rig System & Aftermarket Value Added	Flat to 2016 Actual*	\$33M below Target	92%

* Achieving NVA results flat to the year prior's actual performance requires management to earn the cost of capital on new investments and to sustain performance on existing activities.

Name	Base Salary	Target Bonus %	Target Bonus \$	Overall Payout %	Actual Bonus \$
Clay C. Williams	\$ 800,000	140%	\$1,120,000	159%	\$1,782,737
Jose A. Bayardo	\$ 650,000	95%	\$ 617,500	159%	\$ 982,893
Joseph W. Rovig	\$ 550,000	95%	\$ 522,500	120%	\$ 625,068
Craig L. Weinstock	\$ 510,000	95%	\$ 484,500	159%	\$ 771,193
Scott K. Duff	\$ 360,000	90%	\$ 324,000	159%	\$ 515,720

[Table of Contents](#)

Long-Term Incentive Compensation

The primary purpose of the Company’s long-term incentive compensation program is to:

- Focus its executives on the Company’s long-term development and prosperity in addition to annual financial goals;
- Help balance long-term versus short-term business objectives, reinforcing that one should not be achieved at the expense of the other; and
- Directly link the officers’ interests with those of the Company’s stockholders.

We believe our 2017 mix of stock options, restricted stock and performance shares (illustrated below) appropriately rewards executives for gains in share price, promotes retention, and motivates long-term performance. The executives’ long-term incentive awards are benchmarked to ensure the type, value and number of each award are consistent with market practices and aligned with the Company’s philosophy.

Based on the foregoing, on February 22, 2017, the Compensation Committee approved the grant of stock options, restricted stock awards and performance share awards to the Company’s executive officers pursuant to the National Oilwell Varco, Inc. Long-Term Incentive Plan:

Name	Intended Target Equity Value*	Intended Value for One-time Equity Award Increase	Securities Underlying Stock Options (#)	Restricted Stock Awards (#)	Performance Awards (Target # of Shares)
Clay C. Williams	\$9,500,000	\$ 0	289,920	73,350	66,680
Jose A. Bayardo	\$3,000,000	\$1,000,000	118,260	30,000	27,280
Joseph W. Rovig	\$2,000,000	\$ 700,000	79,830	20,250	18,410
Craig L. Weinstock	\$1,800,000	\$ 400,000	65,050	16,500	15,000
Scott K. Duff	\$1,800,000	\$ 400,000	65,050	16,500	15,000

* The intended target value differs somewhat from the required accounting values used in the Summary Compensation Table.

As noted above, the Compensation Committee also approved a one-time increase to the value awarded to the Named Executive Officers, other than the CEO, for purposes of retention and motivation of the executive management team. The Compensation Committee also took in consideration that the executive officers had not received a bonus payout in two years and had not participated in the Company’s 2016 special equity grant to non-executive employees.

Stock Options

The options were granted at a price equal to the closing trading price of the Company's common stock on the New York Stock Exchange on the date of approval of the grants by the Compensation Committee (\$38.86 per share). Each of such options has a term of 10 years and vests in three equal annual installments commencing on the first anniversary of the grant.

Restricted Stock

The restricted stock awards granted by the Company to the Named Executive Officers shall vest in three equal annual installments commencing on the first anniversary of the date of grant.

Performance Share Awards

The performance share awards can be earned based on performance against pre-established goals and vest three years from the grant date. The performance awards can be earned only if the percentile ranking of the Company's TSR (total shareholder return) as measured against the TSR of the constituent members of the OSX Index over a three-year performance period, exceeds certain levels. The Compensation Committee believes that the members of the OSX index are an appropriate benchmark against which to compare the Company's TSR performance.

The following table summarizes the relationship between the Company's TSR performance when compared with the TSR performance of the members of the OSX index and the associated payout levels for the performance achieved for the TSR portion of the award:

Level	Payout %	Percentile Rank vs. OSX Comparator Group
Maximum	200%	75 th percentile or greater
Target	100%	50 th percentile
Minimum	50%	25 th percentile
No Payout	0%	Below the 25 th percentile

Results falling between minimum and target and target and maximum will result in a linearly interpolated payout.

2015 Performance Share Awards Results

The 2015 performance share award earned was subject to two separate performance metrics: 50% TSR (total shareholder return) goal and 50% internal ROC (return on capital) goal. The performance share cycle commenced on January 1, 2015, and ended on December 31, 2017.

Table of Contents

Performance against the TSR goal was determined by comparing the performance of the Company's TSR with the TSR performance of the members of the OSX index for the three-year performance period. The following table summarizes the results and payout levels for the TSR portion of the award:

	Below Threshold	Threshold	Target	Maximum	Actual Results
Percentile Rank	<25th percentile	25th percentile	50th percentile	75th percentile or greater	43rd percentile
Payout % of Target	0%	50%	100%	200%	86%

Performance against the ROC goal was determined by comparing the performance of the Company's actual ROC performance average for each of the three years of the performance period against the ROC goal set by the Compensation Committee. The following table summarizes the results and payout levels for ROC portion of the award:

	Below Threshold	Threshold	Target	Maximum	Actual Results
ROC	<13.2%	13.2%	16.5%	18.15% or higher	1.81%
Payout % of Target	0%	50%	100%	200%	0%

Retirement, Health and Welfare Benefits

The Company offers retirement, health and welfare programs to all eligible employees. The Company's executive officers generally are eligible for the same benefit programs on the same basis as the rest of the Company's employees. The health and welfare programs cover medical, pharmacy, dental, vision, life, accidental death and dismemberment and disability insurance. A selection of supplemental benefits is also available for employees to elect at their own expense.

The Company offers retirement programs that are intended to supplement the employee's personal savings. The programs include the National Oilwell Varco, Inc. 401(k) and Retirement Savings Plan ("401k Plan") and National Oilwell Varco, Inc. Supplemental Savings Plan ("Supplemental Plan"). The Company's U.S. employees, including its executives, are generally eligible to participate in the 401k Plan. Employees of the Company whose base salary meets or exceeds a certain dollar threshold established by the Company's benefits plan administrative committee are generally eligible to participate in the Supplemental Plan. Participation in the 401k Plan and Supplemental Plan are voluntary. The Supplemental Plan is a non-qualified plan that allows participants to continue saving and receiving Company contributions towards retirement when, due to compensation and contribution ceilings established under the Internal Revenue Code, they or the Company can no longer contribute to the 401k Plan.

U.S. Income Tax Limits on Deductibility

Section 162(m) of the Internal Revenue Code imposes a \$1 million limitation on the deductibility of certain compensation paid to our chief executive officer and the next three highest paid executives excluding the chief financial officer (“covered employees”). Pursuant to the 2017 Tax Cuts and Jobs Act, signed into law on December 22, 2017 (the “Tax Act”), for fiscal years beginning after December 31, 2017, the compensation of our chief financial officer is also subject to the deduction limitation. For fiscal years beginning on or before December 31, 2017, compensation that is qualified as “performance based” is excluded from the limitation. For compensation to be performance based, it must meet certain criteria, including being based on predetermined objective standards approved by stockholders. Although the Compensation Committee takes the requirements of Section 162(m) of the Code into account in designing executive compensation, there may be circumstances when it is appropriate to pay compensation to our covered employees that does not qualify as “performance based compensation” and thus is not deductible by us for federal income tax purposes.

Pursuant to the Tax Act, subject to certain transition rules, for fiscal years beginning after December 31, 2017, the performance-based compensation exception to the deduction limitations under Section 162(m) of the Code will no longer be available. As a result, for fiscal years beginning after December 31, 2017, any compensation in excess of \$1,000,000 million paid to our executive officers may not be deductible. The Compensation Committee believes that the potential deductibility of the compensation payable under the Company’s incentive compensation plans and arrangements should be only one of a number of relevant factors taken into consideration in establishing those plans and arrangements for our executive officers and not the sole governing factor. For that reason, for the 2018 fiscal year, the Compensation Committee intends to structure the Company’s incentive compensation plans and arrangements in a manner similar to the 2017 fiscal year, acknowledging that a portion of those compensation payments may not be deductible under Section 162(m) of the Code, in order to assure appropriate levels of total compensation for our executive officers based on the Company’s performance.

Option Grant Practices

Historically, the Company has granted stock options to its key employees, including executives, in the first quarter of the year. The Company does not have any program, plan or practice to time its option grants to its executives in coordination with the release of material non-public information, and has not timed its release of material non-public information for the purposes of affecting the value of executive compensation. The Company does not set the grant date of its stock option grants to new executives in coordination with the release of material non-public information.

The Compensation Committee has the responsibility of approving any Company stock option grants and does not delegate material aspects of long-term incentive plan administration to any other person. The Company’s senior executives in coordination with the Compensation Committee set a time for the Committee to meet during the first quarter of the year to review and approve stock option grants proposed by the senior executives. The specific timing of the meeting during the quarter is dependent on committee member schedules and availability and the Company finalizing its stock option grant proposal. If approved by the Compensation Committee, the grant date for stock option awards is the date the Committee meets and approves the grant, with the exercise price for the option equal to the Company’s closing stock price on the date of grant.

The Company recognizes that its stock price fluctuates over time and in certain cases quite significantly. As stock option grants have historically been granted on an annual basis during the first quarter of the calendar year, executives who have been employed with the Company for some time have received grants with varying exercise prices. The ten-year term of the options also helps reward its executives who remain with the Company, as it provides the executives time, so long as they continue employment with the Company, to realize financial benefits from their option grants after vesting.

Recoupment Policy

On March 23, 2018, the Compensation Committee approved the Company's Clawback Policy to allow the Compensation Committee, at its sole discretion, to terminate any award of stock options, performance awards and/or restricted stock if it determines that the recipient of such award has engaged in material misconduct that requires the Company to make a restatement of its reported financial statements. A similar clawback provision is included in the 2018 Equity Plan. For purposes of this clawback policy, material misconduct includes conduct adversely affecting the Company's financial condition, results of operations, or conduct which constitutes fraud or theft of Company assets, any of which require the Company to make a restatement of its reported financial statements. If any material misconduct results in any error in financial information used in the determination of compensation paid to the recipient of any equity award and the effect of such error is to increase the payment amount pursuant to such award, the Compensation Committee may also require the recipient to reimburse the Company for all or a portion of such increase in compensation provided in connection with any such award. In addition, if there is a material restatement of the Company's financial statements that affects the financial information used to determine the compensation paid to the recipient of an award, then the Compensation Committee may take whatever action it deems appropriate to adjust such compensation.

Stock Ownership Guidelines for Executives

The Company adopted stock ownership guidelines for its executive officers in February 2013. The Company's stock ownership guidelines for its executive officers are intended to align the interests of the Company's executive officers and the Company's stockholders by requiring executives to accumulate and retain a meaningful amount of the Company's stock. Under the Company's guidelines, the executive officers must comply with the following ownership requirements:

Title	Multiple of Base Salary
Chairman, President & CEO	6X
Senior Vice President & CFO	3X
Other executive officers	2X

The Company's executive officers must attain the applicable stock ownership level within five years after first becoming subject to the guidelines. The following shares of Company stock count towards compliance with the guidelines: shares owned by the executive; shares owned jointly by the executive and his or her spouse; shares held in a trust established by the executive for the benefit of the executive and his or her family members; shares equal to the number of vested deferred stock units credited to the executive; shares equal to the in-the-money portion of any vested, unexercised options; unvested shares of time-based restricted stock or restricted stock units; and shares credited to the executive's 401(k) plan account. Unvested and unearned performance shares or units and unvested stock options do not count towards compliance guidelines. All of the Company's named executive officers are currently in compliance with the Company's stock ownership guidelines.

Compensation Consultant Independence

In furtherance of maintaining the independence of the Compensation Committee's compensation consultant, the Compensation Committee has the sole authority to retain or terminate its compensation consultant. The Compensation Committee annually reviews and approves total expenditures paid to the independent compensation consultant. Meridian and its affiliates did not provide any services to the company or any of the company's affiliates other than advising the Compensation Committee on director and executive officer compensation during 2017.

Recent Developments for 2018 Compensation

Annual Incentive Program

On February 28, 2018, the Compensation Committee, in connection with its annual review of executive compensation and performance, approved the annual incentive targets of the Company's executive officers. The terms of the 2018 annual incentive plan are consistent with those described under "Annual Incentive Award" above, however the 2018 plan includes the addition of a working capital modifier. The purpose of the working capital modifier is to further drive improvements in capital efficiency and cash flow. The modifier will be used to adjust EBITDA performance as follows: EBITDA will be increased by \$0.15 for each \$1 of working capital savings below the target and EBITDA will be reduced by \$0.15 for each \$1 of working capital used above the target.

The Company has established target levels for EBITDA and working capital as a percentage of revenue. Entry EBITDA must be met for the working capital modifier to be applied to any specific performance measure. Additionally, the working capital modifier cannot bring EBITDA results below entry or above maximum for any specific performance measure. In order for the target bonus payout to be paid on EBITDA performance measures, the Company's target EBITDA and target working capital must both be achieved.

For purposes of the 2018 plan, working capital shall be calculated as follows: (AR + Inventory + Costs in Excess + Prepaid) - (AP + Billings in Excess + Customer Deposits + Deferred Revenue + Accrued COGS).

Employment Contracts and Termination of Employment and Change-in-Control Arrangements

Employment Agreements

The Company entered into new executive employment agreements with Mr. Williams, Mr. Bayardo, Mr. Rovig, Mr. Weinstock and Mr. Duff on November 20, 2017. Under the employment agreement, Messrs. Williams, Bayardo, Rovig, Weinstock and Duff are provided an annual base salary. The employment agreements also entitle each executive to receive an annual bonus and to participate in the Company’s incentive, savings and retirement plans. The employment agreements have a fixed term of three years after which time employment will be at-will. The employment agreements do not have change-in-control or excise tax gross-up provisions.

In addition, the employment agreements contain certain termination provisions. If the employment relationship is terminated by the Company for any reason other than:

- voluntary termination;
- termination for cause (as defined);

Table of Contents

- death; or
- disability;

or if the employment relationship is terminated by the executive for Good Reason, as defined below, the executive is entitled to receive:

(A) the executive's accrued base salary through the date of termination, the executive's annual bonus for the year prior to termination, assuming the applicable performance goals have been met and such bonus remains unpaid, and accrued and unpaid vacation pay; (B) an amount equal to two times the sum of (i) the executive's base salary and (ii) a percentage of the executive's base salary (which percentages for each executive are as follows: Mr. Williams – 125%, Messrs. Bayardo, Rovig and Weinstock – 80% and Mr. Duff – 75%; and (C) an amount equal to the annual bonus payable in the year of termination, such bonus to be prorated and based on actual Company performance. The cash severance payment described in Item (B) above will be paid in twelve (12) monthly installments. Furthermore, in such event, the executive shall also be entitled to continuation of health benefits for two years. Additionally, the executive's stock options will continue to vest under the terms of the award for a period of up to three years plus ninety days, the executive's unvested time-based restricted stock awards shall be 100% vested, and the executive's unvested performance based equity awards will continue until the original vesting date on a pro-rated basis.

Under the employment agreements, termination by the executive for "Good Reason" means:

- a material diminution in the executive's authority, duties, or responsibilities as contemplated by Section 2(a) of the employment agreement (generally, a diminution in position, other than a diminution resulting from the executive's incapacity due to physical or mental illness) excluding for this purpose an isolated, insubstantial or inadvertent action not taken in bad faith and which is remedied by the Company promptly after receipt of notice thereof given by the executive;
- any action or inaction that constitutes a material breach by the Company of any of the provisions of Section 2(b) of the employment agreement (generally, a material reduction in the executive's compensation or benefits, other than a reduction in the executive's compensation as a result of the executive's failure to comply with the Company's stock ownership guidelines, if applicable); or
- the Company's requiring the executive to be based at any office or location other than as provided in Section 2(a)(i)(B) of the employment agreement (generally, a relocation in excess of seventy five miles from the executive's current work location, other than a change in the Company's corporate headquarters) or the Company's requiring the executive to travel on Company business to a substantially greater extent than required to properly discharge his or her duties.
- any purported termination by the Company of the executive's employment otherwise than as expressly permitted by the employment agreement.
- any failure by the Company to comply with and satisfy Section 8(c) of the employment agreement (generally, failure by the Company to obtain agreement from any successor to the Company to assume and perform the employment agreement).

The employment agreements also contain customary non-competition, non-solicitation and non-disparagement provisions.

Severance Agreements

The Company entered into severance agreements with Mr. Williams, Mr. Rovig, Mr. Weinstock and Mr. Duff on November 20, 2014. On August 28, 2015, the Company entered in a severance agreement with Mr. Bayardo. The severance agreement shall only become effective in the event the executive's employment agreement expires and is not replaced by a new employment agreement. The severance agreement shall remain in effective until it is terminated by the Company or by the executive. The severance agreements do not have change-in-control or excise tax gross-up provisions.

Table of Contents

In addition, the severance agreements contain certain termination provisions. If the employment relationship is terminated by the Company for any reason other than:

- voluntary termination;
- termination for cause (as defined);
- death; or
- disability;

or if the employment relationship is terminated by the employee for Good Reason, as defined below, the executive is entitled to receive:

(A) the executive's accrued base salary through the date of termination, the executive's annual bonus for the year prior to termination, assuming the applicable performance goals have been met and such bonus remains unpaid, and accrued and unpaid vacation pay; (B) an amount equal to one times the sum of (i) the executive's base salary and (ii) a percentage of the executive's base salary (which percentages for each executive are as follows: Mr. Williams – 125%, Messrs. Bayardo, Rovig and Weinstock – 80% and Mr. Duff – 75%; and (C) any time-based restricted stock held by the executive and not already vested shall be 100% vested.

Under the severance agreement, termination by the executive for "Good Reason" means:

- a material diminution in the executive's authority, duties, or responsibilities (other than any such diminution resulting from the executive's incapacity due to physical or mental illness) excluding for this purpose an isolated, insubstantial or inadvertent action not taken in bad faith and which is remedied by the Company promptly after receipt of notice thereof given by the executive;
- a material reduction in the executive's annual base salary (other than a reduction in the executive's annual base salary as a result of the executive's failure to comply with the Company's stock ownership guidelines, if applicable);
- the Company's requiring the executive to be based at any office or location more than seventy five miles from the location where the executive was employed immediately preceding the date of the severance agreement (other than as a result of a change in the Company's corporate headquarters) or the Company's requiring the executive to travel on Company business to a substantially greater extent than required to properly discharge his or her duties; or
- any failure by the Company to comply with and satisfy Section 7(c) of the severance agreement (generally, failure by the Company to obtain agreement from any successor to the Company to assume and perform the severance agreement).

The severance agreements also contain customary non-competition, non-solicitation and non-disparagement provisions.

Additionally, the Company's stock option agreements, restricted stock agreements and performance award agreements provide for full vesting of unvested outstanding options and restricted stock, respectively, in the event of a change of control of the Company and a change in the holder's responsibilities following a change of control.

Other Agreements with Clay C. Williams

In addition to the rights and benefits provided to Mr. Williams under his executive employment agreement and severance agreement, Mr. Williams is also entitled to certain benefits pursuant to the following plans:

Varco Supplemental Executive Retirement Plan. Mr. Williams was a participant in the Amendment and Restatement of the Supplemental Executive Retirement Plan of Varco which was assumed by the Company as a result of the merger (the "Merger") with Varco International, Inc. (the "Amended SERP"). The Amended SERP provides for retirement, death and disability benefits, payable over 10 years. The annual

[Table of Contents](#)

benefit amount is generally equal to 50% of the average of a participant's highest five calendar years of base salary, or if greater, in the case of a change of control that occurs prior to January 1, 2006 (which occurred as a result of the Merger), 50% of the average salary in effect since January 2001. This annual benefit is subject to a service reduction in the event the participant retires or his employment is terminated prior to reaching age 65 (excluded from this reduction are terminations following a change in control).

Mr. Williams is currently fully vested in the benefits provided by the Amended SERP. Based on historical earnings and presuming normal retirement at age 65, Mr. Williams would be entitled to an annual benefit of approximately \$159,000.

Amendment and Restatement of the Varco Executive Retiree Medical Plan. Mr. Williams was a participant in the Amendment and Restatement of the Varco International, Inc. Executive Retiree Medical Plan which was assumed by the Company as a result of the Merger (the "Medical Plan"). Upon and following (i) certain retirements of a participant at or after age 55, or (ii) the death or disability of a participant, or (iii) terminations of a participant prior to age 55 (but benefits are not payable until age 55), the participant, his spouse and dependent children shall be provided the medical, dental, vision and prescription drug benefits that are then provided to the Company's executive officers. These Medical Plan benefits are, however, conditioned upon the Company's receipt of a monthly cash contribution in an amount not greater than that paid by the executive officers for similar benefits, and, in certain circumstances, the participant having achieved 10 years of service with the Company or any of its predecessor companies prior to retirement or termination of employment.

Mr. Williams is currently fully vested in the benefits provided by the Medical Plan.

Potential Payments Upon Termination Under the Employment Agreements and Severance Agreements

The Company has entered into certain agreements and maintains certain plans that will require the Company to provide compensation to the named executive officers if: (1) the Company terminates the executive's employment with the Company other than for cause, death or disability; or (2) the executive terminates his employment with the Company for "Good Reason" (as defined in the employment agreement or severance agreement), both events hereinafter referred to as "Termination".

The Company's Compensation Committee believes the payment and benefit levels provided to its named executive officers under their employment agreements and/or severance agreements upon Termination should correspond to the level of responsibility and risk assumed by the named executive officer. Thus, the payment and benefit levels for Mr. Williams, Mr. Bayardo, Mr. Rovig, Mr. Weinstock and Mr. Duff are based on their levels of responsibility and market considerations at the time the Company entered into the relevant agreements.

The amount of compensation payable to each named executive officer in each situation is listed in the tables below.

CEO Pay Ratio

As required by Item 402(u) of Regulation S-K, we are providing the following information about the relationship of the median of the annual total compensation of our employees and the annual total compensation of Mr. Clay C. Williams, our Chief Executive Officer (our "CEO"):

For 2017, our last completed fiscal year:

- the median of the annual total compensation of all employees of our company (other than our CEO), was \$52,930; and
- the annual total compensation of our CEO was \$12,640,701.

Based on this information, for 2017 the ratio of the annual total compensation of Mr. Clay C. Williams, our Chief Executive Officer, to the median of the annual total compensation of all employees was 239 to 1.

[Table of Contents](#)

We selected December 31, 2017 as the date upon which we would identify the “median employee”. At December 31, 2017, the Company and its subsidiaries had a total of 31,889 employees worldwide. Relying upon the “de minimis exemption” in Item 402(u) of Regulation S-K (and using the total number of employees referenced in the preceding sentence for our de minimis calculation), we excluded 1,578 employees from 37 countries as follows:

Slovakia	1	Tunisia	6	Nigeria	48
Libya	1	Cameroon	10	Italy	53
Equatorial Guinea	2	Qatar	10	Azerbaijan	77
Albania	2	New Zealand	12	Romania	102
Turkey	2	Chile	14	Algeria	114
Uzbekistan	2	Ghana	19	Thailand	121
Bahrain	3	Kazakhstan	22	Peru	124
Viet Nam	3	Belgium	25	Venezuela	130
Gabon	4	Austria	26	Bolivia	149
Hungary	5	Kuwait	27	Egypt	158
Pakistan	5	Ecuador	35	Angola	173
Congo	5	Poland	36		
Kenya	6	Trinidad and Tobago	46		

Our employee population, after taking into consideration the de minimis exemption, consisted of 30,311 individuals. Because of the geographical distribution of, and the variety of pay elements we use for, our employee base, to find the median employee, we initially used base salary as our consistently applied compensation measure and collected base salary data for all such 30,311 employees, annualizing such data for certain permanent employees who were employed by the Company for less than the full fiscal year. We then collected additional cash compensation details (including base salary, bonus, and other cash compensation amounts) for the 1% of the employee population around the median of the base salary data collected in the immediately preceding sentence to find the median employee. The annual total compensation of our identified median employee, including personal benefits and compensation under non-discriminatory benefit plans (which items were also included in Mr. Williams’ annual total compensation), is \$52,930.

Certain Relationships and Related Transactions

We transact business with companies with which certain of our Directors are affiliated. All transactions with these companies are on terms competitive with other third party vendors, and none of these is material either to us or any of these companies.

A “conflict of interest” occurs when a director or executive officer’s private interest interferes in any way, or appears to interfere, with the interests of the Company. Conflicts of interest can arise when a director or executive officer, or a member of his or her immediate family, have a direct or indirect material interest in a transaction with us. Conflicts of interest also arise when a director or executive officer, or a member of his or her immediate family, receives improper personal benefits as a result of his or her position as a director or executive officer of the Company. The Company’s Code of Business Conduct and Ethics for Members of the Board of Directors and Executive Officers provides that directors and executive officers must avoid conflicts of interests with the Company. Any situation that involves, or may reasonably be expected to involve, a conflict of interest with the Company must be disclosed immediately to the Chair of the Company’s Audit Committee for his review and approval or ratification. This code also provides that the Company shall not make any personal loans or extensions of credit to nor become contingently liable for any indebtedness of directors or executive officers or a member of his or her family.

Members of the Board are also eligible to receive stock options and awards, including restricted stock, performance awards, phantom shares, stock payments, or SARs under the National Oilwell Varco Long-Term Incentive Plan.

The Board approved the grant of 5,243 shares of restricted stock awards on May 17, 2017 to each non-employee director under the National Oilwell Varco Long-Term Incentive Plan. The restricted stock award shares vest 100% on the first anniversary of the date of the grant.

Director Non-Qualified Deferred Compensation Program

On April 10, 2017, the Board adopted the National Oilwell Varco, Inc. Directors Deferred Compensation Plan. The plan is a nonqualified deferred compensation plan and participation is completely voluntary. Under the plan, non-employee Directors are permitted to defer all or part of their board retainers and meeting fees and all the shares of common stock underlying their restricted stock awards when they vest. If a non-employee Director elects to defer their board retainers and meeting fees under the plan, then the Director may elect to have his or her deferred cash compensation accumulate under an interest-bearing account maintained by the Company or receive deferred National Oilwell Varco, Inc. common stock in lieu of their cash compensation on a quarterly basis. In such case, each quarterly cash retainer/meeting fee would be converted to the equivalent value of deferred stock.

If a non-employee Director elects to defer receipt of the shares of common stock underlying his or her restricted stock awards when they vest, then those shares are retained as deferred stock under the plan. The deferred cash compensation will be held in an interest-bearing account. The account is credited quarterly with interest based on the 1-year treasury rate. The rate is reset each year based on the first published day in January.

[Table of Contents](#)

The deferred stock account and deferred restricted stock awards are credited quarterly with dividend equivalents based on the same dividend rate as the Company common stock. The dividend equivalents are converted into 'phantom shares' at each dividend date by on the closing price of the Company's stock. Dividend equivalents and phantom shares will be credited to the account and paid in cash at the time of distribution.

Directors may choose to have their distributions begin either (1) on a specific date, or (2) upon the termination of service, each as designated at the time a deferral election is filed. Distributions under the plan may be made in a single distribution or in annual installments over a 1 to 5 year period as elected by the director. The deferred cash compensation will be paid in cash on the applicable distribution date. The deferred stock awards will be paid in the form of NOV stock on the applicable distribution date.

Ms. Donadio, Mr. Hackett and Mr. Harrison have elected to defer all or part of their 2017 director compensation under the plan. Mr. Harrison has elected to defer his quarterly board retainers and meeting fees under the plan. Mr. Hackett has elected to receive deferred common stock in lieu of his quarterly board retainers and meeting fees under the plan. Mr. Harrison, Mr. Hackett and Ms. Donadio have each elected to defer their 2017 restricted stock awards under the plan.

Changes to Non-Employee Director Compensation

On November 14, 2017, the Compensation Committee, with the consultation of Meridian, reviewed the Company's non-employee director compensation program. The Compensation Committee engaged Meridian to analyze and review its current director compensation program. After reviewing the results of Meridian's analysis, the Compensation Committee approved for recommendation the following changes to the non-employee director compensation program: (1) eliminate board meeting fees and increase the annual cash retainer from \$75,000 to \$100,000, and (2) increase the value of the board's annual equity award from \$175,000 to \$180,000. On November 15, 2017, the Board unanimously approved the aforementioned changes to non-employee director compensation, to be made effective as of January 1, 2018.

Non-Employee Director Stock Ownership Guidelines

Under the Company's stock ownership guidelines, each non-employee director must own Company stock equal to six times the directors' annual cash retainer. For a discussion of the types of shares that count towards the ownership guidelines, please read "Compensation Discussion and Analysis—Stock Ownership Guidelines for Executives". All of the Company's non-employee directors are currently in compliance with the Company's stock ownership guidelines.

Notwithstanding the foregoing, Awards made to Directors shall be administered by the Board. The term “Committee” as used herein shall refer to the Compensation Committee (or other Board committee), the Board, or the subcommittee (as defined in paragraph (c) of this Section 3), as applicable.

(b) Committee Powers. Subject to the terms of the Plan and applicable law, and in addition to other express powers and authorizations conferred on the Committee by the Plan, the Committee shall have full power and authority to: (i) designate Participants; (ii) determine the type or types of Awards to be granted to a Participant; (iii) determine the number of Shares to be covered by, or with respect to which payments, rights, or other matters are to be calculated in connection with, Awards; (iv) determine the terms and conditions of any Award; (v) determine whether, to what extent, and under what circumstances Awards may be settled or exercised in cash, Shares, other securities, other Awards or other property, or canceled, forfeited, or suspended and the method or methods by which Awards may be settled, exercised, canceled, forfeited, or suspended; (vi) accelerate vesting of any Awards in connection with a Participant’s death, Disability or retirement; (vii) interpret and administer the Plan and any instrument or agreement relating to an Award made under the Plan; (viii) establish, amend, suspend, or waive such rules and regulations and appoint such agents as it shall deem appropriate for the proper

[Table of Contents](#)

administration of the Plan; and (ix) make any other determination and take any other action that the Committee deems necessary or desirable for the administration of the Plan. Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations, and other decisions under or with respect to the Plan or any Award shall be within the sole discretion of the Committee, may be made at any time and shall be final, conclusive, and binding upon all Persons, including the Company, any Subsidiary, any Participant, any holder or beneficiary of any Award, any stockholder and any other Person.

(c) Delegation to a Subcommittee. The Committee may, subject to any applicable law, regulatory, securities exchange or other similar restrictions, delegate to one or more members of the Board or officers of the Company (the "subcommittee"), the authority to administer the Plan as to Awards to Employees and Consultants who are not subject to Section 16(b) of the Exchange Act. The Committee may impose such limitations and restrictions, in addition to any required restrictions/limitations, as the Committee may determine in its sole discretion. Any grant made pursuant to such a delegation shall be subject to all of the provisions of the Plan concerning this type of Award.

(d) Modification of Awards. Subject to the limitation set forth at the end of Section 3(b) above, at any time after grant of an Award, the Committee may, in its sole and absolute discretion and subject to whatever terms and conditions it selects:

- (1) accelerate the period during which the Award vests or becomes exercisable or payable; and
- (2) accelerate the time when applicable restrictions or risk of forfeiture or repurchase lapses; and
- (3) extend the period during which the Award may be exercised or paid; and
- (4) extend the term of any Award (other than the maximum 10 year term).

SECTION 4. Shares Available for Awards.

(a) Shares Available.

(1) Subject to adjustment as provided below, the number of Shares that may be issued with respect to Awards granted under the Plan shall be 17,800,000.

(2) In connection with the granting of an Option or SAR, and subject to the remaining provisions of this Section 4(a), the number of Shares available for issuance under this Plan shall be reduced by the number of Shares in respect of which the Option or SAR is granted or denominated. In connection with the granting of an Award that is not an Option or SAR, and subject to the remaining provisions of this Section 4(a), the number of Shares available for issuance under this Plan shall be reduced by a number of Shares equal to the product of (i) the number of Shares in respect of which the Award is granted and (ii) 2.5. However, Awards that by their terms do not permit settlement in Shares shall not reduce the number of Shares available for issuance under this Plan.

[Table of Contents](#)

(3) Any Shares that are tendered by a Participant or withheld as full or partial payment of withholding or other taxes or as payment for the exercise or conversion price of an Award under this Plan, including any Shares not delivered to a Participant upon exercise of an Option pursuant to a “net exercise” as permitted by Section 6(a)(2) below, shall not be added back to the number of Shares available for issuance under this Plan. Any calculation of the number of Shares which become available for issuance under this Plan based on this Section 4(a)(3) shall reflect the share adjustment in the second to last sentence of Section 4(a)(2) above.

(4) Whenever any outstanding Option or other Award (or portion thereof) expires, is cancelled or forfeited or is otherwise terminated for any reason without having been exercised or payment having been made in the form of Shares, the number of Shares available for issuance under this Plan shall be increased by the number of Shares allocable to the expired, forfeited, cancelled or otherwise terminated Option or other Award (or portion thereof). Any calculation of the number of Shares which become available for issuance under this Plan based on the forgoing sentences of this Section 4(a)(4) shall reflect the share adjustment in the second to last sentence of Section 4(a)(2) above.

(5) Shares delivered under the Plan in settlement of an Award issued or made (i) upon the assumption, substitution, conversion or replacement of outstanding awards under a plan or arrangement of an acquired entity, or (ii) as a post-transaction grant under such a plan or arrangement of an acquired entity shall not reduce or be counted against the maximum number of Shares available for delivery under the Plan, to the extent that an exemption from the stockholder approval requirements for equity compensation plans applies under the rules or listing standards of the principal national securities exchange on which the Shares are listed.

(b) Sources of Shares Deliverable Under Awards. Any Shares delivered pursuant to an Award may consist, in whole or in part, of authorized and unissued Shares or of treasury Shares.

(c) Adjustments. In the event of a stock dividend or stock split with respect to Shares, the number of Shares with respect to which Awards may be granted, the number of Shares subject to outstanding Awards, the grant or exercise price with respect to outstanding Awards and the individual annual grant limits with respect to Awards (other than dollar denominated Awards) automatically shall be proportionately adjusted, without action by the Committee; provided, however, such automatic adjustment shall be evidenced by written addendums to the Plan and Award Agreements prepared by the Company and, with respect to Options, shall be in accordance with the Treasury Regulations concerning Incentive Stock Options. Further, in the event that the Committee determines that any distribution (whether in the form of cash (other than a regular cash dividend), Shares, other securities, or other property), recapitalization, reorganization, merger, spin-off, combination, repurchase, or exchange of Shares or other securities of the Company, or other similar corporate transaction or event affects the Shares such that an adjustment is determined by the Committee to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee shall, in such manner as it may deem equitable, adjust any or all of (i) the number and type of Shares (or other securities or property) with respect to which Awards may be granted, (ii) the number and type of Shares (or other securities or property) subject to outstanding Awards, and (iii) the grant or exercise price with respect to any Award or, if deemed appropriate, make provision for a cash payment to the holder of an outstanding Award; provided that the number of Shares subject to any Award denominated in Shares shall always be a whole number.

(d) Award Limits.

(1) Subject to adjustment pursuant to Section 4(c) above, the maximum aggregate number of Shares that may be subject to Share-denominated Awards granted under the Plan to any individual during any calendar year shall not exceed 4,000,000.

(2) The maximum amount of dollar-denominated Awards that may be granted to any individual during any calendar year shall not exceed \$10,000,000.

(3) Subject to adjustment pursuant to Section 4(c) above, the maximum dollar value of Share-denominated Awards that may be granted under the Plan to any individual Director during any calendar year shall not exceed \$600,000, as determined on the date of grant for such Awards.

SECTION 5. Eligibility.

Any Employee, Consultant or Director shall be eligible to be designated a Participant by the Committee. No individual shall have any right to be granted an Award pursuant to this Plan.

SECTION 6. Awards.

(a) Options. Subject to the provisions of the Plan, the Committee shall have the authority to determine Participants to whom Options shall be granted, the number of Shares to be covered by each Option, the purchase price therefor and the conditions and limitations applicable to the exercise of the Option, including the following terms and conditions and such additional terms and conditions, as the Committee shall determine, that are not inconsistent with the provisions of the Plan. The Committee shall determine the term during which a Participant may exercise an Option, but in no event may a Participant exercise an Option, in whole or in part, more than 10 years from the date of grant. No dividends or dividend equivalents shall be paid on or with respect to Options.

(1) Exercise Price. The purchase price per Share purchasable under an Option shall be determined by the Committee at the time the Option is granted, but shall not be less than the Fair Market Value per Share on the effective date of such grant.

(2) Time and Method of Exercise. The Committee shall determine and provide in the Award Agreement or by action subsequent to the grant the time or times at which an Option may be exercised in whole or in part, and the method or methods by which, and the form or forms (which may include, without limitation, cash, check acceptable to the Company, Shares already-owned, Shares issuable upon Option exercise, a "cashless-broker" exercise (through procedures approved by the Committee), other securities or other property, or any combination thereof, having a Fair Market Value on the exercise date equal to the relevant exercise price) in which payment of the exercise price and tax withholding obligation with respect thereto may be made or deemed to have been made. In addition, at the election of the

[Table of Contents](#)

Committee, any Option may be exercised by the Participant pursuant to a “net exercise” method. For purposes of this Plan, a “net exercise” means the delivery of a properly executed notice which directs the Company to pay the Exercise Price and/or any required tax withholding with respect to an Option by withholding from the delivery of the Shares as to which such Option is exercised a number of Shares having a Fair Market Value equal to the applicable Exercise Price and/or the amount of any required tax withholding. If a Participant elects to use a “net exercise” method, the Company shall cancel the withheld Shares, which shall no longer be available for exercise under the terms of the Option, and deliver the remaining Shares to the Participant. Any Shares retained and cancelled by the Company pursuant to a “net exercise” shall no longer be outstanding under the terms of the Option and shall again be available for issuance under the Plan’s terms to the extent provided by Section 4(a)(3) above. Notwithstanding any other provision of the Plan to the contrary, no Participant who is a member of the Board or an “executive officer” of the Company within the meaning of Section 13(k) of the Exchange Act shall be permitted to pay the exercise price of an Option in any method which would violate Section 13(k) of the Exchange Act. The Committee shall also determine the performance or other conditions, if any, that must be satisfied before all or part of an Option may vest and be exercised. No portion of an Option which is unexercisable at termination of the Participant’s employment or service, as applicable, shall thereafter become exercisable, except as may be otherwise provided by the Committee either in the Award Agreement or by action following the grant of the Option.

(3) Incentive Stock Options. An Incentive Stock Option may be granted only to an individual who is an Employee of the Company or any parent or subsidiary corporation (as defined in Section 424 of the Code) at the time the Option is granted and must be granted within 10 years from the date the Plan was approved by the Board or the shareholders, whichever is earlier. To the extent that the aggregate Fair Market Value (determined at the time the respective Incentive Stock Option is granted) of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by an individual during any calendar year under all incentive stock option plans of the Company and its parent and subsidiary corporations exceeds \$100,000, such Incentive Stock Options shall be treated as a Non-Qualified Stock Option. The Committee shall determine, in accordance with applicable provisions of the Code, Treasury Regulations and other administrative pronouncements, which of a Participant’s Incentive Stock Options will not constitute Incentive Stock Options because of such limitation and shall notify the Participant of such determination as soon as practicable after such determination. No Incentive Stock Option shall be granted to an individual if, at the time the Option is granted, such individual owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or of its parent or subsidiary corporation, within the meaning of Section 422(b)(6) of the Code, unless (i) at the time such Option is granted the option price is at least 110% of the Fair Market Value of the Common Stock subject to the Option and (ii) such Option by its terms is not exercisable after the expiration of five years from the date of grant. An Incentive Stock Option shall not be transferable otherwise than by will or the laws of descent and distribution, and shall be exercisable during the Participant’s lifetime only by such Participant or the Participant’s guardian or legal representative. The terms of any Incentive Stock Option granted under the Plan shall comply in all respects with the provisions of Section 422 of the Code, or any successor provision, and any regulations promulgated thereunder.

[Table of Contents](#)

(4) Substitution of Stock Appreciation Rights. Subject to the limitations set forth in Section 7(1), the Committee, in its sole discretion, shall have to right to substitute a SAR for an Option at any time prior to or upon exercise of such Option, subject to the provisions of Section 6(e) hereof; *provided* that such SAR shall be exercisable for the same number of shares of Stock as such substituted Option would have been exercisable for.

(b) Restricted Stock. Subject to the provisions of the Plan, the Committee shall have the authority to determine the Participants to whom Restricted Stock shall be granted, the number of Shares of Restricted Stock to be granted to each such Participant, the duration of the Restricted Period during which, and the conditions, including the Performance Criteria or other specified criteria, including the passage of time, if any, under which the Restricted Stock may vest or be forfeited to the Company, and the other terms and conditions of such Awards.

(1) Dividends. Unless otherwise determined by the Committee and evidenced in an applicable Award Agreement, cash dividends paid on Restricted Stock Awards and any other property (other than cash) distributed as a dividend or otherwise with respect to the number of Shares covered by a Restricted Stock Award shall be accumulated and shall be subject to restrictions and risk of forfeiture to the same extent as the underlying Shares covered by the Restricted Stock Award with respect to which such cash, Shares or other property has been distributed and shall be paid at the time such restrictions and risk of forfeiture lapse.

(2) Registration. Any Restricted Stock may be evidenced in such manner as the Committee shall deem appropriate, including, without limitation, book-entry registration or issuance of a stock certificate or certificates. In the event any stock certificate is issued in respect of Restricted Stock granted under the Plan, such certificate shall be registered in the name of the Participant and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock.

(3) Forfeiture and Restrictions Lapse. Except as otherwise determined by the Committee or the terms of the Award Agreement, upon a Participant's termination of employment or service (as determined under criteria established by the Committee) for any reason during the applicable Restricted Period, all Restricted Stock shall be forfeited by the Participant and re-acquired by the Company. Unrestricted Shares, evidenced in such manner as the Committee shall deem appropriate, shall be issued to the holder of Restricted Stock promptly after the applicable restrictions have lapsed or otherwise been satisfied.

(4) Restrictions. Restricted Stock shall be subject to such restrictions on transferability and other restrictions as the Committee may impose (including, without limitation, restrictions on the right to vote Restricted Stock or the right to receive dividends on the Restricted Stock). These restrictions may lapse separately or in combination at such times, pursuant to such circumstances, in such installments, or otherwise, as the Committee determines at the time of the grant of the Award or thereafter. During the Restricted Period, Restricted Stock will be subject to such limitations on transfer as necessary to comply with Section 83 of the Code.

[Table of Contents](#)

(c) Performance Awards. The Committee shall have the authority to determine the Participants who shall receive a Performance Award, which shall be denominated as a cash or share amount at the time of grant and confer on the Participant the right to receive all or part of such Award upon the achievement of such performance goals (based on the Performance Criteria or any other specified criteria) during such performance periods as the Committee shall establish with respect to the Award.

(1) Terms and Conditions. Subject to the terms of the Plan and any applicable Award Agreement, the Committee shall determine the performance goals to be achieved during any performance period, the Performance Criteria or other criteria upon which the performance goals are to be based, the length of any performance period and the amount of any Performance Award.

(2) Payment of Performance Awards. Performance Awards may be paid (in cash and/or in Shares, in the sole discretion of the Committee) in a lump sum or in installments following the close of the performance period, or at such later deferral date elected by the Participant, in accordance with procedures established by the Committee with respect to such Award.

(3) Forfeiture and Restrictions Lapse. Except as otherwise determined by the Committee or the terms of the Award Agreement that granted the Performance Award, upon a Participant's termination of employment or service, as applicable (as determined under criteria established by the Committee) for any reason during the applicable Restricted Period, all Performance Awards shall be forfeited by the Participant and re-acquired by the Company. Unrestricted Shares, evidenced in such manner as the Committee shall deem appropriate, shall be issued to the holder of Performance Awards promptly after the applicable restrictions have lapsed or otherwise been satisfied.

(d) Phantom Shares. The Committee shall have the authority to grant Awards of Phantom Shares to Participants upon such terms and conditions as the Committee may determine.

(1) Terms and Conditions. Each Phantom Share Award shall constitute an agreement by the Company to issue or transfer a specified number of Shares or pay an amount of cash equal to the Fair Market Value of a specified number of Shares, or a combination thereof to the Participant in the future, subject to the fulfillment during the Restricted Period of such conditions, including those linked to the Performance Criteria or other specified criteria, including the passage of time, if any, as the Committee may specify at the date of grant. During the Restricted Period, the Participant shall not have any right to transfer any rights under the subject Award, shall not have any rights of ownership in the Phantom Shares and shall not have any right to vote such shares.

(2) Dividend Equivalents. Any Phantom Share award may provide, in the discretion of the Committee, that any or all dividends or other distributions paid on Shares during the Restricted Period be credited in a cash bookkeeping account (with or without interest) or that equivalent additional Phantom Shares be awarded, which account or Phantom Shares may be subject to the same restrictions as the underlying Award or such other restrictions as the Committee may determine.

[Table of Contents](#)

(3) Forfeiture and Restrictions Lapse. Except as otherwise determined by the Committee or set forth in the Award Agreement, upon a Participant's termination of employment or service (as determined under criteria established by the Committee) for any reason during the applicable Restricted Period, all Phantom Shares shall be forfeited by the Participant.

(4) Payment of Phantom Shares. Phantom Shares may be paid (in cash and/or in Shares, in the sole discretion of the Committee) in a lump sum or in installments following the close of the Restricted Period, or at such later deferral date elected by the Participant, in accordance with procedures established by the Committee with respect to such Award.

(e) SARs. Subject to the provisions of the Plan, the Committee shall have the authority to determine Participants to whom SARs shall be granted, the number of Shares to be covered by each SAR, the exercise price and the conditions and limitations applicable to the exercise of the SAR, including the following terms and conditions and such additional terms and conditions, as the Committee shall determine, that are not inconsistent with the provisions of the Plan. A SAR may be granted (i) in connection and simultaneously with the grant of an Option, (ii) with respect to a previously granted Option, or (iii) independent of an Option. The Committee shall determine the term during which a Participant may exercise an SAR, but in no event may a Participant exercise an SAR, in whole or in part, more than 10 years from the date of grant. No dividends or dividend equivalents shall be paid on or with respect to SARs.

(1) Exercise Price. The exercise price per SAR shall be determined by the Committee at the time the SAR is granted, but shall not be less than the Fair Market Value per Share on the effective date of such grant.

(2) Time of Exercise. The Committee shall determine and provide in the Award Agreement the time or times at which a SAR may be exercised in whole or in part.

(3) Method of Payment. The Committee shall determine, in its discretion, whether the SAR shall be paid in cash, shares of Common Stock or a combination of the two.

(f) Restricted Stock Units. The Committee may, subject to the limitations of the Plan and the availability of Shares reserved but not previously awarded under this Plan, grant Restricted Stock Unit Awards to eligible individuals upon such terms and conditions as it may determine to the extent such terms and conditions are consistent with the following provisions. A "Restricted Stock Unit" Award is the grant of a right to receive Shares in the future.

(1) Settlement of Restricted Stock Unit Award. A Restricted Stock Unit Award shall be settled either by the delivery of whole Shares or by the payment of cash based upon the Fair Market Value of a specified number of Shares, in the discretion of the Committee, subject to the terms of the applicable Award Agreement. Unless otherwise determined by the Committee and evidenced in an applicable Award Agreement, any stock certificate evidencing the Shares payable under a Restricted Stock Unit Award will be issued (or cash paid) within an administratively reasonable period after the date on which the Restricted Stock Unit vests so that the payment of Shares qualifies for the short-term deferral exception under Section 409A of the Code.

[Table of Contents](#)

(2) Terms of Restricted Stock Unit Awards. The Committee shall determine the dates on which Restricted Stock Units granted to a Participant shall vest and any specific conditions or performance goals which must be satisfied prior to the vesting of any Award. Notwithstanding other paragraphs in this Section 6(f), the Committee may, in its sole discretion, accelerate the vesting of any Restricted Stock Units. The acceleration of any Restricted Stock Unit Award shall create no right, expectation or reliance on the part of any other Participant or that Participant regarding any other Restricted Stock Unit Award.

(3) Termination of Service. Unless otherwise determined by the Committee and evidenced in an applicable Award Agreement, upon a Participant's termination of employment for any reason, the Participant's unvested Restricted Stock Units as of the date of termination shall be forfeited and any rights the Participant had to such unvested Awards shall become null and void.

(4) Dividends and Other Distributions. Unless otherwise determined by the Committee and evidenced in an applicable Award Agreement, cash dividend equivalents with respect to any Restricted Stock Unit Award and any other property (other than cash) distributed as a dividend or otherwise with respect to the number of Shares covered by a Restricted Stock Unit Award that vests based on achievement of performance goals shall be accumulated and shall be subject to restrictions and risk of forfeiture to the same extent as the Restricted Stock Units with respect to which such cash, Shares or other property has been distributed and shall be paid at the time such restrictions and risk of forfeiture lapse.

(5) Deferral. Unless expressly permitted by the Committee in the Award Agreement, a Participant does not have any right to make any election regarding the time or form of any payment pursuant to a Restricted Stock Unit Award. To the extent permissible under applicable law, the Committee may permit a Participant to defer payment under a Restricted Stock Unit to a date or dates after the Restricted Stock Unit vests, provided that the terms of the Restricted Stock Unit and any deferral satisfy the requirements to avoid imposition of the "additional tax" under Section 409A(a)(1)(B) of the Code.

(g) Stock Payments. Stock Payments may be awarded in such amount and may be based upon such Performance Criteria or other specific criteria, if any, determined appropriate by the Committee, determined on the date such Stock Payment is made or on any date thereafter.

(h) Substitute Awards. Awards may be granted under the Plan in substitution of similar awards held by individuals who become Employees, Consultants or Directors as a result of a merger, consolidation or acquisition by the Company or a Subsidiary of another entity or the assets of another entity. Such substitute awards may have exercise prices less than the Fair Market Value of a Share on the date of such substitution.

(i) General.

(1) Awards May Be Granted Separately or Together. Awards may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with, any other Award granted under the Plan or any award granted under any other plan of the Company or any Subsidiary. Awards granted in addition to or in tandem with other Awards or awards granted under any other plan of the Company or any Subsidiary may be granted either at the same time as or at a different time from the grant of such other Awards or awards.

(2) Limits on Transfer of Awards.

(A) Except as provided in paragraph (C) below, each Award, and each right under any Award, shall be exercisable only by the Participant during the Participant's lifetime, or if permissible under applicable law, by the Participant's guardian or legal representative as determined by the Committee.

(B) Except as provided in paragraph (C) below, no Award and no right under any such Award may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Participant otherwise than by will or by the laws of descent and distribution, and any such purported prohibited assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any Subsidiary.

(C) To the extent specifically approved in writing by the Committee, an Award (other than an Incentive Stock Option) may be transferred for no consideration to immediate family members or related family trusts, limited partnerships or similar entities or other Persons on such terms and conditions as the Committee may establish or approve.

(3) Terms of Awards. The term of each Award shall be for such period as may be determined by the Committee; provided, that in no event shall the term of any Award exceed a period of 10 years from the date of its grant.

(4) Minimum Vesting Period. Each Award issued under this Plan's terms, other than Bonus Awards, shall have a vesting period of not less than one (1) year; provided, however, that, as determined by the Committee in its sole discretion, up to five percent (5%) of the Shares listed in Section 4(a)(1) shall above may be issued as Awards that do have such minimum vesting period.

(5) Share Certificate. All certificates for Shares or other securities of the Company or any Subsidiary delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan or the rules, regulations, and other requirements of the SEC, any stock exchange upon which such Shares or other securities are then listed, and any applicable federal or state laws, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

(6) Consideration for Grants. Awards may be granted for no cash consideration or for such consideration as the Committee determines including, without limitation, such minimal cash consideration as may be required by applicable law.

(7) Delivery of Shares or other Securities and Payment by Participant of Consideration. No Shares or other securities shall be delivered pursuant to any Award until payment in full of any amount required to be paid pursuant to the Plan or the applicable Award Agreement (including, without limitation, any exercise price or tax withholding) is received by the Company. Such payment may be made by such method or methods and in such form or

forms as the Committee shall determine, including, without limitation, cash, Shares, other securities, other Awards or other property, withholding of Shares, cashless exercise with simultaneous sale, or any combination thereof, provided that the combined value, as determined by the Committee, of all cash and cash equivalents and the Fair Market Value of any such Shares or other property so tendered to the Company, as of the date of such tender, is at least equal to the full amount required to be paid pursuant to the plan or the applicable Award Agreement to the Company.

(8) Dividends on Performance Based Awards. Notwithstanding anything herein to the contrary, distributions on the shares of Common Stock underlying Performance Awards or Awards with Performance Criteria, including dividends and dividend equivalents, shall accrue and be held by the Company without interest until the Award with respect to which the distribution was made becomes vested or is forfeited and then paid to the Award Participant or forfeited, as the case may be.

(j) Performance Based Compensation. The Committee shall establish performance goals applicable to those Awards which are intended to have performance based vested based upon the attainment of such target levels of one or more of the Performance Criteria, over one or more periods of time, which may be of varying and overlapping durations, as the Committee may select. The Performance Criteria shall be subject to adjustment as determined by the Committee in its sole discretion. Performance Criteria may be absolute, relative to one or more other companies, or relative to one or more indexes, and may be contingent upon future performance of the Company or any Subsidiary, division, unit or product line thereof. A performance goal need not be based upon an increase or positive result under a Performance Criteria and could, for example, be based upon limiting economic losses or maintaining the status quo. Which Performance Criteria to be used with respect to any grant, and the weight to be accorded thereto if more than one factor is used, shall be determined by the Committee, in its sole discretion, at the time of grant. Following the completion of each specified performance period, the Committee shall certify in writing whether the applicable performance goals have been achieved for such performance period. In determining the amount earned by a Participant, the Committee shall have the right to increase, decrease or eliminate the amount payable at a given level of performance to take into account additional factors that the Committee may deem relevant to the assessment of individual or corporate performance for the performance period.

(k) Change of Control. Notwithstanding any other provisions of the Plan, the provisions of this Section 6(k) shall apply to equity settled compensation awards in the event a Change of Control. The Committee may, in any individual Award Agreement, provide for less favorable vesting provisions with respect to an equity settled Award, including forfeiture upon closing of a Change of Control, but may not provide for accelerated vesting in the absence of termination of employment in connection with or following a Change of Control.

(l) If a Participant is employed by the Company or one of its Affiliates on the date a Change of Control occurs and such employment is, within the 24 month period commencing on the effective date of such Change of Control, either involuntarily terminated by the Company or, if the Employee has an employment agreement which permits resignation for "good reason" the Employee resigns for "good reason" as defined in such employment agreement (each referred to as a "Qualifying Termination"), then immediately prior to such

termination (i) each Award granted under this Plan to the Employee shall become immediately vested and fully exercisable and any restrictions applicable to the Award shall lapse; provided that the amount payable under a Performance Award shall be determined under subparagraph (3) below; and (ii) if the Award is an Option or SAR, the Award shall remain exercisable until the expiration of the remaining term of the Award. The amount payable under clause (i) shall be paid in cash, Shares or a combination thereof as provided for under the applicable Award Agreement within thirty (30) days following the date of the Employee's Qualifying Termination (except to the extent that settlement of the Award must be made pursuant to its original schedule in order to comply with Section 409A of the Code), notwithstanding that the applicable performance period, retention period or other restrictions and conditions have not been completed or satisfied.

(2) Notwithstanding the provisions of Section 6(k)(1), if any Award constitutes a "nonqualified deferred compensation plan" within the meaning of Section 409A of the Code, the timing of settlement of such Award pursuant to this Section 6(k) shall be in accordance with the settlement terms set forth in the applicable Award Agreement if such Change of Control fails to constitute a "change in the ownership of the corporation," a "change in effective control of the corporation" or a "change in the ownership of a substantial portion of the assets of the corporation," within the meaning of Section 409A(a)(2)(A)(v) of the Code.

(3) The vesting and settlement of a Performance Award in connection with a Change of Control shall be made in accordance with the following:

(A) The amount payable with respect to each Performance Award shall be equal to the greater of (i) the amount payable if each of the Performance Criteria shall be deemed to be satisfied at the target payment level, provided the Award shall be prorated based on the total number of days during the Performance Period prior to date of the Employee's Qualifying Termination in relation to the total number of days during the Performance Period, or (ii) the amount payable based on the actual performance for each of the Performance Criteria through the date of the Employee's Qualifying Termination.

(B) The amount payable under subparagraph (A) shall be paid in cash, Shares or a combination thereof as provided for under the applicable Award Agreement within thirty (30) days following the date of the Employee's Qualifying Termination (except to the extent that settlement of the Award must be made pursuant to its original schedule in order to comply with Section 409A of the Code), notwithstanding that the applicable performance period, retention period or other restrictions and conditions have not been completed or satisfied.

SECTION 7. Amendment and Termination.

Except to the extent prohibited by applicable law and unless otherwise expressly provided in an Award Agreement or in the Plan:

(1) Amendments to the Plan. The Board or the Committee may amend, alter, suspend, discontinue, or terminate the Plan without the consent of any stockholder, Participant, other holder or beneficiary of an Award, or other Person; provided, however, notwithstanding any other provision of the Plan or any Award Agreement, without the approval of the

[Table of Contents](#)

stockholders of the Company no such amendment, alteration, suspension, discontinuation, or termination shall be made that would (i) increase the total number of Shares that may be issued under the Plan, except as provided in Section 4(c) of the Plan, or (ii) other than pursuant to an equitable adjustment contemplated by Section 4(c) hereof or a Change of Control, permit the exercise price of any outstanding Option or SAR to be reduced, cancel outstanding Options or SARs in exchange for Options or SARs with an exercise price that is less than the exercise price of the original Options or SARs, or cancel or replace an “underwater” Option or SAR in exchange for cash or a new Award.

(2) Amendments to Awards. Subject to Paragraph (1) above and Section 3(b), the Committee may waive any conditions or rights under, amend any terms of, or alter any Award theretofore granted, provided no change in any Award shall adversely affect the rights of a Participant under the Award without the consent of such Participant.

SECTION 8. General Provisions.

(a) No Rights to Awards. No Participant or other Person shall have any claim to be granted any Award, there is no obligation for uniformity of treatment of Participants, or holders or beneficiaries of Awards and the terms and conditions of Awards need not be the same with respect to each recipient.

(b) Tax Withholding. The Company or any Subsidiary is authorized to withhold from any Award, from any payment due or transfer made under any Award or from any compensation or other amount owing to a Participant the amount (in cash, Shares, or other property) of any applicable taxes required to be withheld by the Company or Subsidiary in respect of the Award, its exercise, the lapse of restrictions thereon, or any payment or transfer under the Award and to take such other action as may be necessary in the opinion of the Company to satisfy all of its obligations for the payment of such taxes. In addition, the Committee may provide, in an Award Agreement, that the Participant may direct the Company to satisfy such Participant’s tax withholding obligations through the withholding of Shares otherwise to be acquired upon the exercise or payment of such Award, but only to the extent such withholding does not cause a charge to the Company’s financial earnings.

(c) No Right to Employment or Retention. The grant of an Award shall not be construed as giving a Participant the right to be retained in the employ of the Company or any Subsidiary or under any other service contract with the Company or any Subsidiary, or to remain on the Board. Further, the Company or a Subsidiary may at any time dismiss a Participant from employment or terminate any contractual agreement or relationship with any Consultant, free from any liability or any claim under the Plan, with or without cause, unless otherwise expressly provided in the Plan, in any Award Agreement or any other agreement or contract between the Company or a Subsidiary and the affected Participant. If a Participant’s employer ceases to be a Subsidiary, such Participant shall be deemed to have terminated employment for purposes of the Plan, unless specifically provided otherwise in the Award Agreement.

(d) Unusual Transactions or Events. Subject to Section 6(k) above, in the event of any distribution (whether in the form of cash, Shares, other securities, or other property), recapitalization, reorganization, merger, spin-off, combination, repurchase, or exchange of Shares or other securities of the Company, or other similar corporate transaction or event or any unusual or nonrecurring transactions or events affecting the Company, any affiliate of the Company, or the financial statements of the Company or any affiliate, or of changes in applicable laws, regulations or accounting principles, and whenever the Committee determines that action is appropriate in order to prevent the dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or with respect to any Award under the Plan, to facilitate such transactions or events or to give effect to such changes in laws, regulations or principles, the Committee, in its sole discretion and on such terms and conditions as it deems appropriate, either by amendment of the terms of any outstanding Awards or by action taken prior to the occurrence of such transaction or event and is hereby authorized to take any one or more of the following actions:

(1) To provide for either (A) termination of any such Award in exchange for an amount of cash, if any, equal to the amount that would have been attained upon the exercise of such Award or realization of the Participant's rights (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction or event described in this Section 8(d) the Committee determines in good faith that no amount would have been attained upon the exercise of such Award or realization of the Participant's rights, then such Award may be terminated by the Company without payment), or (B) the replacement of such Award with other rights or property selected by the Committee in its sole discretion;

(2) To provide that such Award be assumed by the successor or survivor corporation, or a parent or subsidiary thereof, or shall be substituted for by similar options, rights or awards covering the stock of the successor or survivor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices;

(3) To make adjustments in the number and type of shares of common Stock (or other securities or property) subject to outstanding Awards, and in the number and kind of outstanding Awards and/or in the terms and conditions of (including the grant or exercise price), and the criteria included in, outstanding Awards and Awards which may be granted in the future;

(4) To provide that such Award shall be exercisable or payable or fully vested with respect to all shares covered thereby, notwithstanding anything to the contrary in the Plan or the applicable Award Agreement; and

(5) To provide that the Award cannot vest, be exercised or become payable after such event.

Notwithstanding the foregoing: (i) any adjustments made pursuant to Section 4(c) and this Section 8(d) to Awards that are considered "deferred compensation" within the meaning of Section 409A of the Code shall be made in compliance with the requirements of Section 409A of the Code unless the Participant consents otherwise; (ii) any such adjustments made to Awards that are not considered "deferred compensation" subject to Section 409A of the Code shall be made in such a manner as to ensure that after such adjustment, the Awards either continue not to be subject to Section 409A of the Code or comply with the requirements of Section 409A of the Code unless the Participant consents otherwise; and (iii) the Committee shall not have the authority to make any such adjustments to the extent that the existence of such authority would cause an Award that is not intended to be subject to Section 409A of the Code to be subject thereto.

(e) Governing Law. The validity, construction, and effect of the Plan and any rules and regulations relating to the Plan shall be determined in accordance with the laws of the State of Texas and applicable federal law.

(f) Severability. If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction or as to any Person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction, Person or Award and the remainder of the Plan and any such Award shall remain in full force and effect.

(g) Other Laws. The Committee may refuse to issue or transfer any Shares or other consideration under an Award, permit the exercise of an Award and/or the satisfaction of its tax withholding obligation in the manner elected by the Participant, holder or beneficiary if, acting in its sole discretion, it determines that the issuance of transfer or such Shares or such other consideration, the manner of exercise or satisfaction of the tax withholding obligation might violate any applicable law or regulation, including without limitation, the Sarbanes-Oxley Act, or entitle the Company to recover the same under Section 16(b) of the Exchange Act, and any payment tendered to the Company by a Participant, other holder or beneficiary in connection with the exercise of such Award shall be promptly refunded or refused, as the case may be, to the relevant Participant, holder or beneficiary.

(h) No Trust or Fund Created. Neither the Plan nor the Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Subsidiary and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company or any Subsidiary pursuant to an Award, such right shall be no greater than the right of any general unsecured creditor of the Company or any Subsidiary.

(i) No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash, other securities, or other property shall be paid or transferred in lieu of any fractional Shares or whether such fractional Shares or any rights thereto shall be cancelled, terminated, or otherwise eliminated.

(j) Headings. Headings are given to the Section and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the plan or any provision thereof.

SECTION 9. Effective Date of Plan.

The Plan shall become effective as of the date it is approved by the stockholders of the Company.

SECTION 10. Forfeiture in Certain Circumstances (“Clawback”).

All Awards granted under the Plan will be subject to recoupment in accordance with any Clawback policy that the Company is specifically required to adopt pursuant to the listing standards of any national securities exchange or association on which the Company’s securities are listed or as is otherwise specifically required by the Dodd-Frank Wall Street Reform and Consumer Protection Act or other applicable law. In addition, the Committee may, at its sole discretion, terminate any Award if it determines that the recipient of the Award has engaged in material misconduct. For purposes of this Clawback provision, material misconduct includes conduct adversely affecting the Company’s financial condition, results of operations, or conduct which constitutes fraud or theft of Company assets, any of which require the Company to make a restatement of its reported financial statements. The Committee may also specify other conduct requiring the Company to make a restatement of its publicly reported financial statements as constituting material misconduct in future Award Agreements. If any material misconduct results in any error in financial information used in the determination of compensation paid to the recipient of an Award and the effect of such error is to increase the payment amount pursuant to an Award, the Committee may also require the recipient to reimburse the Company for all or a portion of such increase in compensation provided in connection with any such Award. In addition, if there is a material restatement of the Company’s financial statements that affects the financial information used to determine the compensation paid to the recipient of the Award, then the Committee may take whatever action it deems appropriate to adjust such compensation.

SECTION 11. Prohibition on Deferred Compensation.

It is the intention of the Company that no Award shall be “deferred compensation” subject to Section 409A of the Code unless and to the extent that the Committee specifically determines otherwise and so provides in the terms of an Award Agreement, and the Plan and the terms and conditions of all Awards shall be interpreted accordingly. The terms and conditions governing any Awards that the Committee determines will be subject to Section 409A of the Code, including any rules for elective or mandatory deferral of the delivery of cash or Shares pursuant thereto, shall be set forth in the applicable Award Agreement, and shall comply in all respects with Section 409A of the Code. Notwithstanding any provision herein to the contrary, any Award issued under the Plan that constitutes a deferral of compensation under a “nonqualified deferred compensation plan” as defined under Section 409A(d)(1) of the Code and is not specifically designated as such by the Committee shall be modified or cancelled to comply with the requirements of Section 409A of the Code, including any rules for elective or mandatory deferral of the delivery of cash or Shares pursuant thereto.

SECTION 12. Term of the Plan.

No Award shall be granted under the Plan after May 11, 2028. However, unless otherwise expressly provided in the Plan or in an applicable Award Agreement, any Award granted prior to such termination, and the authority of the Board or the Committee to amend, alter, adjust, suspend, discontinue, or terminate any such Award or to waive any conditions or rights under such Award, shall extend beyond such termination date.
