

National Oilwell Varco Announces Transactions to Pay Down and Extend Debt Maturities

November 4, 2019 at 5:17 PM EST

HOUSTON--(BUSINESS WIRE)--Nov. 4, 2019-- National Oilwell Varco, Inc. (NYSE: NOV) (the "Company") today announced that it issued a notice to redeem a portion of its 2.60% senior notes due December 2022; priced a new underwritten public offering of \$500 million of senior unsecured notes due December 2029; and announced the completion of an amendment that includes the extension of the maturity date of its credit agreement.

"We are pleased to announce this series of transactions that extends the maturities on \$500 million of our debt, allows for a near-term paydown of up to \$500 million in debt, demonstrates a commitment to further reduce leverage by \$400 million by December 2022, and ultimately accelerates the timeline in which the Company will reach our stated objective of achieving a gross debt to Adjusted EBITDA leverage ratio of two times or less," commented Clay Williams, Chairman, President and CEO. "The Company's financial condition remains solid. Both S&P and Moody's recently reaffirmed NOV's BBB+ and Baa1 investment grade credit ratings, respectively, with stable outlooks. The actions we are taking serve to better align our capital structure with our ongoing efforts to right-size the organization, improve profitability, and increase returns on invested capital."

Today, the Company priced an underwritten public offering of \$500 million aggregate principal amount of 3.60% senior unsecured notes due 2029 (the "Offering"). The Offering is expected to close on November 14, 2019.

Effective October 30, 2019, the Company amended its Credit Agreement to extend the maturity date to October 30, 2024 and to resize the capacity to \$2,000,000,000 (the "Amendment").

Subsequent to the Amendment and the Offering, the Company announced that it intends to issue a notice of redemption to redeem \$1,000,000,000 of its 2.60% senior notes due December 2022 (the "2022 Notes"). The 2022 Notes will be redeemed on December 4, 2019, at a price equal to par plus a make-whole premium calculated in accordance with the terms of the 2022 Notes and accrued and unpaid interest to, but not including, the redemption date. The Company intends to fund the redemption of the 2022 Notes with proceeds from the Offering, along with cash on hand or borrowings under its revolving credit facility.
