NATIONAL-OILWELL, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. BASIS OF PRESENTATION

Effective January 1, 1996, National-Oilwell, Inc. acquired National-Oilwell, a general partnership between National Supply Company, Inc., a subsidiary of Armco Inc., and Oilwell, Inc., a subsidiary of USX Corporation, and subsidiaries (the "Acquisition").

Effective September 25, 1997, National-Oilwell completed a combination ("Combination") with Dreco Energy Services Ltd. ("Dreco"). As a result of the Combination, each Dreco Class "A" common share ("Dreco Common Share") outstanding was converted into a Dreco Exchangeable Share at an exchange ratio of .9159 of an Exchangeable Share for each Dreco Common Share

outstanding at September 25, 1997 and, accordingly, approximately 7.2 million Exchangeable Shares were issued.

Each Exchangeable Share is intended to have substantially identical economic and legal rights as, and will ultimately be exchanged on a one-for-one basis for, a share of National-Oilwell common stock. In addition, options to purchase Dreco Common Shares were converted into options to purchase shares of National-Oilwell common stock at the same exchange ratio.

The Combination has been accounted for as a pooling-of-interests and, accordingly, the consolidated financial statements of National-Oilwell and Dreco have been combined and all prior periods have been restated to give effect to the Combination. Information concerning common stock and per share data has been restated on an equivalent share basis and assumes the exchange of all Exchangeable Shares.

National-Oilwell has a year end of December 31 and, prior to the Combination, Dreco had a year end of August 31. The restated financial statements combine the December 31, 1996 balance sheet of National-Oilwell with the November 30, 1996 balance sheet of Dreco, while reflecting the combination of the September 30, 1997 balance sheet of each company. The income statement reflects the combination of the three months ended September 30, 1997 for each company, compared to the combination of the three months ended September 30, 1996 for National-Oilwell with the three months ended August 31, 1996 for Dreco. For the 1997 nine month period, the nine months ended September 30, 1997 for National-Oilwell is combined with the six months ended May 31, 1997 and the three months ended September 30, 1997 for Dreco. For the 1996 nine month period, the nine months ended September 30, 1996 for National-Oilwell is combined with the nine months ended August 31, 1996 for Dreco. As a result of conforming reporting periods subsequent to the Combination to a calendar quarter basis, the operating results for Dreco for the month of June 1997 were included in the Consolidated Statements of Stockholders' Equity. For June 1997, Dreco recorded revenues of \$13.4 million, net income of \$917,000 and net income per share of \$0.04.

Revenues and net income before special charges and extraordinary loss of the separate companies for the period preceding the combination were as follows (in thousands):

The financial statements included herein have been prepared by the Company, without audit, pursuant to the rules and regulations of the Securities and Exchange Commission and in accordance with generally accepted accounting principles. In the opinion of management, the information furnished reflects all adjustments, all of which are of a normal, recurring nature,

necessary for a fair presentation of the results of the interim periods. It is recommended that these statements be read in conjunction with the restated consolidated financial statements and notes thereto for the three years ended December 31, 1996 to be included in a Current Report on Form 8-K. No significant accounting changes have occurred during the nine months ended September 30, 1997.

2. ACQUISITIONS

On December 2, 1996, Dreco acquired 100% of the issued and outstanding shares of Vector Oil Tool Ltd. ("Vector") for consideration of 389,000 Dreco Common Shares (as adjusted for the exchange ratio in the Combination) and cash consideration of \$1,481,000. This business involves the manufacture, sale, rental and service of downhole motors and other products. The transaction was accounted for using the purchase method and did not have a material effect on the Company's consolidated financial statements. Results of operations for Vector are included, by virtue of the Combination described above, in the Company's financial statements for reporting periods beginning in 1997.

On April 25, 1997, the Company purchased the drilling controls business of Ross Hill Controls and its affiliate, Hill Graham Controls Limited for approximately \$20 million in cash. This business involves the manufacture, sale and service of electrical control systems used in conjunction with drilling operations. The transaction was accounted for under the purchase method of accounting and did not have a material effect on the Company's financial statements.

On May 15, 1997, the Company acquired by merger 100% of the common stock of PEP, Inc., a manufacturer of petroleum expendable pump products. The Company issued 400,000 shares of common stock pursuant to the transaction which was recorded in accordance with the pooling-of-interests method of accounting. The transaction did not have a material effect on the Company's historical financial statements and financial statements prior to April 1, 1997 were not restated.

5. LONG-TERM DEBT

On September 25, 1997, the Company entered into a new five-year unsecured \$125 million revolving credit facility (the "New Credit Facility") that was used in part to repay in full amounts outstanding under the previous credit facility as well as the seller notes payable, together with deferred interest, incurred in connection with the Acquisition. The balance of the New Credit Facility will be available for acquisitions and general corporate purposes. The New Credit Facility provides for interest at prime or LIBOR plus 0.5%, subject to adjustment based on the Company's Capitalization Ratio, as defined. The New Credit Facility contains financial covenants and ratios regarding minimum tangible net worth, maximum debt to capital and minimum interest coverage.

6. SPECIAL CHARGE

In connection with the Combination described in Note 1 above, National-Oilwell incurred one-time combination expenses of \$10.7 million (\$8.1 million net of income taxes, or \$0.31 per share) related to various professional fees and integration costs.

7. EXTRAORDINARY LOSS

The replacement of the previous credit facility by the New Credit Facility described in Note 4, resulted in the write-off of \$1.0 million (\$0.6 million after tax) in deferred financing costs related to the replaced agreement.

8. COMMON STOCK

On December 2, 1996, the Company issued 389,000 Dreco Common Shares (as adjusted for the exchange ratio in the Combination) in connection with the acquisition of Vector Oil Tool Ltd. (see Note 2). On December 10, 1996, the Company completed the sale of 1,053,000 Dreco Common Shares (as adjusted for the exchange ratio in the Combination) for total net proceeds of \$39.2 million. As these transactions were completed by Dreco after November 30, 1996, the effect is included in the September 30, 1997 combined balance sheet but not in the December 31, 1996 combined balance sheet (see Note 1).

On October 10, 1997 the Company's Board of Directors declared a 2-for-1 stock split in the form of a one-for-one stock dividend payable on November 18, 1997 to stockholders of record on November 10, 1997. The financial statements included herein have not been restated to reflect the stock split.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

INTRODUCTION

The Company is a worldwide leader in the design, manufacture and sale of machinery and equipment and in the distribution of maintenance, repair and operating ("MRO") products used in oil and gas drilling and production. The Company's revenues are directly related to the level of worldwide oil and gas drilling and production activities and the profitability and cash flow of oil and gas companies and drilling contractors, which in turn are affected by current and anticipated prices of oil and gas.

Effective September 25, 1997, National-Oilwell completed a combination (the

"Combination") with Dreco Energy Services Ltd. ("Dreco"). As a result of the Combination, each Dreco Class "A" common share ("Dreco Common Share") outstanding was converted into a Dreco Exchangeable Share at an exchange ratio of .9159 of an Exchangeable Share for each Dreco Common Share outstanding at September 25, 1997 and, accordingly, approximately 7.2 million Exchangeable Shares were issued. Each Exchangeable Share is intended to have substantially identical economic and legal rights as, and will ultimately be exchanged on a one-for-one basis for, a share of National-Oilwell common stock.

The Combination has been accounted for as a pooling-of-interests and, accordingly, the consolidated financial statements of National-Oilwell and Dreco have been combined and all prior periods have been restated to give effect to the Combination. Information concerning common stock and per share data has been restated on an equivalent share basis and assumes the exchange of all Exchangeable Shares.

National-Oilwell has a year end of December 31 and, prior to the Combination, Dreco had a year end of August 31. The restated financial statements combine the December 31, 1996 balance sheet of National-Oilwell with the November 30, 1996 balance sheet of Dreco, while reflecting the combination of the September 30, 1997 balance sheet of each company. The income statement reflects the combination of the three months ended September 30, 1997 for each company, compared to the combination of the three months ended September 30, 1996 for National-Oilwell with the three months ended August 31, 1996 for Dreco. For the 1997 nine month period, the nine months ended September 30, 1997 for National-Oilwell is combined with the six months ended May 31, 1997 and the three months ended September 30, 1997 for Dreco. For the 1996 nine month period, the nine months ended September 30, 1996 for National-Oilwell is combined with the nine months ended August 31, 1996 for Dreco. As a result of conforming reporting periods subsequent to the Combination to a calendar quarter basis, the operating results for Dreco for the month of June 1997 were included in the Consolidated Statements of Stockholders' Equity. For June 1997, Dreco recorded revenues of \$13.4 million, net income of \$917,000 and net income per share of \$0.04.

During 1996 and 1997, the capital structure of the Company changed significantly. In January 1996, the Company acquired the operations of National-Oilwell (the "Acquisition"), resulting in the incurrence of significant amounts of debt and related interest expense. On October 29, 1996, the Company sold 4.6 million shares of its common stock through an initial public offering (the "IPO"). Net proceeds from the IPO of approximately \$72 million were used to repay debt incurred in connection with the Acquisition. On December 10, 1996, the Company sold 1,053,000 Dreco Common Shares (as adjusted for the exchange ratio in the Combination) for proceeds of \$39.2 million. This latter transaction is reflected in the financial statements as a 1997 occurrence due to the combination of differing balance sheet dates.

In December 1996, the Company acquired the stock of Vector Oil Tool Ltd. for consideration of 389,000 Dreco Common Shares (as adjusted for the exchange ratio in the Combination) and cash consideration of \$1,481,000. Results of operations for Vector are included in the Company's financial statements for reporting periods beginning in 1997 due to the combination of differing reporting periods. During the second quarter of 1997, the Company completed the acquisition of the drilling controls business of Ross Hill Controls and its affiliate for \$20 million in cash, and acquired by merger 100% of the common stock of PEP, Inc. in exchange for 400,000 shares of National-Oilwell common stock. These transactions did not have a material effect on the Company's historical financial statements.

Products and Technology

The Products and Technology segment designs and manufactures a large line of proprietary products, including drawworks, mud pumps, power swivels, electrical control systems and reciprocating pumps, as well as complete land drilling and well servicing rigs and structural components such as masts, derricks and substructures. A substantial installed base of these products results in a recurring replacement parts and maintenance business. Sales of new capital equipment can result in large fluctuations in volume between periods depending on the size and timing of the shipment of orders. This segment also provides drilling pump expendable products for maintenance of the Company's and other manufacturers' equipment.

Backlog of the Products and Technology group has grown throughout 1997 and was \$240 million at September 30, 1997, compared to \$38 million at December 31, 1996. Substantially all of the current backlog will be shipped by the end of 1998.

Revenues for the Products and Technology segment increased by \$31.8 million (45%) in the third quarter of 1997 as compared to the same quarter in 1996 due to the inclusion of \$7.6 million of revenues generated by acquisitions completed during 1997 that were not restated for 1996 and due to increased revenues from the sale of drilling capital equipment and spare parts. Operating income increased by \$8.1 million (117%) in the third quarter compared to the same quarter in 1996, with \$1.5 million of the increase due to the acquired businesses and the balance due to higher activity levels.

Products and Technology revenues increased \$46.1 million (23%) in the first nine months of 1997 as compared to the same period in 1996 due primarily to an increase in demand for drilling capital equipment and spare parts, fluid end expendable parts, and reciprocating pumps and associated parts, as well as the acquisitions noted above. Operating income for the Products and Technology segment increased \$15.1 million (91%) in the first nine months of 1997 as compared to the prior year period, representing 33% of the revenue increase.

Downhole Products

National-Oilwell designs and manufactures drilling motors and specialized drilling tools for rent and sale. Rentals generally involve products that are not economical for a customer to own or maintain because of the broad range of equipment required for the diverse hole sizes and depths encountered in drilling for oil and gas. Sales generally involve products that require infrequent service, are disposable or are sold in countries where National-Oilwell does not provide repair and maintenance services.

Downhole Products revenues increased by \$7.8 million (76%) in the third quarter of 1997 and \$23.2 million (91%) in the first nine months of 1997 when compared to the same periods in 1996, primarily due to the inclusion of Vector in both periods.

Operating income for the Downhole Products segment increased by \$3.2 million (71%) in the third quarter of 1997 compared to the same quarter in 1996. Nine month operating income results for 1997 have increased by \$9.6 million (108%) over the same period in 1996. The Vector acquisition accounted for virtually all of this increase.

Distribution Services

Distribution Services revenues result primarily from the sale of MRO products from the Company's network of distribution service centers and from the sale of well casing and production tubing. These products are purchased from numerous manufacturers and vendors, including the Company's Products and Technology segment.

Distribution Services revenues during the third quarter of 1997 exceeded the comparable 1996 period by \$27.9 million. This 21% increase reflects the increased spending levels of the Company's alliance partners and other customers. Sales of MRO products, tubular products, drilling spares and fluid end expendable parts accounted for all of this increase. Operating income in the third quarter of 1997 was \$3.5 million (76%) greater than the third quarter of 1996. An increase in operating expenses offset part of the margin recorded due to the volume improvement, netting a 13% flow through of the revenue increase.

Revenues during the first nine months of 1997 increased \$85.0 million (23%) over the comparable 1996 period. Significant increases in the sales of MRO products (\$34 million), tubular goods (\$34 million), drilling spares (\$7 million) and production products (\$6 million) generated the majority of this gain. Operating income increased \$7.5 million (63%) during the first nine months of 1997 compared to the same period in 1996. A portion of the increased margin from the higher revenue levels was offset by higher operating costs associated with the addition in the second half of 1996 of operating and administrative personnel in order to better manage assets and in anticipation of the revenue growth that was achieved in 1997.

Corporate

Corporate costs during the third quarter of 1997 were \$0.6 million lower than the prior year due to the absence of an incentive compensation accrual adjustment that was recorded in the 1996 period by Dreco. Corporate costs were comparable between the nine month periods.

Special Charge

In connection with the Combination, National-Oilwell incurred one-time combination expenses of \$10.7 million (\$8.1 million net of income taxes, or \$0.31 per share) related to various professional fees and integration costs.

Interest Expense

Interest expense decreased substantially during the three months and nine months ended September 30, 1997 due to substantially lower levels of debt

that resulted from the reductions made using cash proceeds from the IPO in late 1996.

Income Taxes

The income tax rate for the nine months ended September 30, 1997 of 38% was affected by certain nondeductible Combination expenses in the third quarter, offset in part by certain one-time Canadian tax credits recorded in the first two quarters by Dreco.

Extraordinary Loss

The replacement of the previous credit facility by the New Credit Facility described below, resulted in the write-off of \$1.0 million (\$0.6 million after tax) in deferred financing costs related to the replaced agreement.

LIQUIDITY AND CAPITAL RESOURCES

At September 30, 1997, the Company had working capital of \$228 million, an increase of \$60 million from December 31, 1996. During the first nine months of 1997, net of non-restated acquisitions, accounts receivable increased by \$41 million, as quarterly revenues increased steadily through this period. Inventories increased by \$49 million, due to specific build programs and in response to increasing demand for oilfield equipment and supplies, offset in part by an increase in customer prepayments of \$17 million, accounts payable of \$9 million and accrued income taxes of \$7 million.

The Company's increased business levels have required an increase in expenditures for capital equipment. Total capital expenditures were \$19.5 million during the first nine months of 1997. Additions to the downhole rental fleet and enhancements to information and inventory control systems represent a large portion of these capital expenditures. Additional capital expenditures of as much as \$10 million are anticipated in 1997 to meet the Company's operating needs, including the acquisition of a facility for approximately \$6 million that is currently being leased and further enhancements to the Company's information systems. The Company believes it has sufficient existing manufacturing capacity to meet currently anticipated demand through 1998 for its products and services. Any significantly greater increases in demand for oilfield equipment products, to the extent qualified subcontracting and outsourcing are not available, could result in additional increases in capital expenditures.

On September 25, 1997, the Company entered into a new five-year unsecured \$125 million revolving credit facility (the "New Credit Facility") that was used in part to repay in full amounts outstanding under the previous credit facility as well as the seller notes payable, together with deferred interest, incurred in connection with the Acquisition. The balance of the New Credit Facility will be available for acquisitions and general corporate purposes. The New Credit Facility provides for interest at prime or LIBOR plus 0.5%, subject to adjustment based on the Company's Capitalization Ratio, as defined. The New Credit Facility contains financial covenants and ratios regarding minimum tangible net worth, maximum debt to capital and minimum interest coverage.

The Company believes that cash generated from operations and amounts available under its revolving credit facility will be sufficient to fund operations, working capital needs, capital expenditure requirements and financing obligations. The Company also believes any significant increase in capital expenditures caused by any need to increase manufacturing capacity can be funded from operations or through debt financing.

The Company intends to pursue acquisition candidates, but the timing, size or success of any acquisition effort and the related potential capital commitments cannot be predicted. The Company expects to fund future cash acquisitions primarily with cash flow from operations and borrowings, including the unborrowed portion of the New Credit Facility or new debt

issuances, but may also issue additional equity in connection with acquisitions. There can be no assurance that additional financing for acquisitions will be available at terms acceptable to the Company.

RECENTLY ISSUED ACCOUNTING STANDARDS

In February 1997, the Financial Accounting Standards Board issued SFAS No. 128, "Earnings Per Share," which specifies the computation, presentation and disclosure requirements for earnings per share. SFAS No. 128 is effective for financial statements for periods ending after December 15, 1997, and earlier adoption is not permitted. Initial adoption of this standard is not expected to have a material impact on National-Oilwell's financial statements.

After the occurrence of an Event of Default which has not been cured or waived, the letter of credit fee provided for the preceding sentence shall be increased by two percent (2%) per annum, such increased fee to be due and payable upon demand by

the applicable Agent. In the event any Letter of Credit is drawn, that portion of the applicable letter of credit fee provided for in the preceding sentence relating to the period beyond the date of such drawing shall be credited to the applicable Borrower's Reimbursement Obligations relating thereto. The applicable Agent will pay to each applicable Lender, promptly after receiving any payment in respect of letter of credit fees referred to in this clause (v), an amount equal to the product of such Lender's U.S. Commitment Percentage or Canadian

U.S. Borrower or the Canadian Borrower, as the case may be, hereby releases, waives and discharges each Agent, each Lender and each Issuer from any claims, causes of action, damages, losses, liabilities, reasonable costs or expenses which may now exist or may hereafter arise, REGARDLESS OF WHETHER CAUSED IN WHOLE OR IN PART BY THE NEGLIGENCE OF ANY OF THE INDEMNIFIED PARTIES, by reason of or in

28

34

connection with the failure of any other Lender to fulfill or comply with its obligations to such Agent, such Lender or such Issuer, as the case may be,

hereunder (but nothing herein contained shall affect any rights U.S. Borrower or the Canadian Borrower, as the case may be, may have against such defaulting Lender or may have in respect of gross negligence or willful misconduct). Nothing in this Section 2.2(c) is intended to limit the obligations of U.S. Borrower or the Canadian Borrower, as the case may be, under any other provision of this Agreement.

If as a result of any Regulatory Change there shall be imposed, modified or deemed applicable any tax (other than any tax based on or measured by net income), reserve, special deposit or similar requirement against or with respect to or measured by reference to Letters of Credit issued or to be issued hereunder or participations in such Letters of Credit, and the result shall be to increase the cost to any Lender of issuing or maintaining any Letter of Credit or any participation therein, or materially reduce any amount receivable by any Lender hereunder in respect of any Letter of Credit or any participation therein (which increase in cost, or reduction in amount receivable, shall be the result of such Lender's reasonable allocation of the aggregate of such increases or reductions resulting from such event), then such Lender shall notify U.S. Borrower or the Canadian Borrower, as the case may be, through the appropriate Agent (which notice shall be accompanied by a statement setting forth in reasonable detail the basis for the determination of the amount due), and within 15 Business Days after demand therefor by such Lender through such Agent, U.S. Borrower or the Canadian Borrower, as the case may be, shall pay to such Lender, from time to time as specified by such Lender, such additional amounts as shall be sufficient to compensate such Lender for such increased costs or reductions in amount. Such statement as to such increased costs or reductions in amount incurred by such Lender, submitted by such Lender to U.S. Borrower or the Canadian Borrower, as the case may be, shall be conclusive as to the amount thereof, absent manifest error, and may be computed using any reasonable averaging and attribution method. Each Lender will notify U.S. Borrower or the Canadian Borrower, as the case may be, through the appropriate Agent of any event occurring after the date of this Agreement which will entitle such Lender to compensation pursuant to this Section as promptly as practicable after any executive officer of such Lender obtains knowledge thereof and determines to request such compensation, and (if so requested by U.S. Borrower or the Canadian Borrower, as the case may be, through the appropriate Agent) will designate a different lending office of such Lender for the issuance or maintenance of Letters of Credit by such Lender or will take such other action as U.S. Borrower or the Canadian Borrower, as the case may be, may reasonably request if such designation or action is consistent with the internal policy of such Lender and legal and regulatory restrictions, can be undertaken at no additional cost, will avoid the need for, or reduce the amount of, such compensation and will not, in the sole opinion of such Lender, be disadvantageous to such Lender (provided that no such U.S. Lender shall have any obligation so to designate a different lending office which is not located in the United States of America and no such Canadian Lender shall have any obligation so to designate a different lending office which is not located in Canada).

2.3 Certain Provisions Relating to Bankers' Acceptances.

(a) Subject to the terms and conditions hereof, each Canadian Lender severally agrees to accept and purchase Bankers' Acceptances drawn upon it by the Canadian Borrower denominated in Canadian Dollars. The Canadian Borrower shall notify the Canadian Agent by irrevocable written notice (each a "Bankers' Acceptance Notice") by 12:00 noon (Toronto, Ontario time) two (2) Business Days prior to the proposed date of any borrowing by way of Bankers' Acceptances. Each borrowing by way of Bankers' Acceptances shall be in a minimum aggregate face amount of C\$1,000,000.00 and integral multiples of C\$100,000.00 in excess thereof. The face amount of each Bankers' Acceptance shall be C\$100,000.00 or any integral multiple thereof. Each Bankers' Acceptance Notice shall be in the form of Exhibit G.

(1) Bankers' Acceptances shall be issued and shall mature on a Business Day. Each Bankers' Acceptance shall have a term of 30, 60, 90 or, if available, 180 days excluding days of grace and shall mature on or before the Maturity Date and shall be in form and substance

reasonably satisfactory to each Canadian Lender.

(2) To facilitate the acceptance of Bankers' Acceptances under this Agreement, the Canadian Borrower shall, upon execution of this Agreement and from time to time as required, provide to the Canadian Agent drafts, in form satisfactory to the Canadian Agent, duly executed and endorsed in blank by the Canadian Borrower in quantities sufficient for each Canadian Lender to fulfill its obligations hereunder. In addition, the Canadian Borrower hereby appoints each Canadian Lender as its attorney to sign and endorse on its behalf, in handwriting or by facsimile or mechanical signature as and when deemed necessary by such Canadian Lender, blank forms of Bankers' Acceptances. The Canadian Borrower recognizes and agrees that all Bankers' Acceptances signed and/or endorsed on its behalf by a Canadian Lender shall bind the Canadian Borrower as fully and effectually as if signed in the handwriting of and duly issued by the proper signing officer of the Canadian Borrower. Each Canadian Lender is hereby authorized to issue such Bankers' Acceptances endorsed in blank in such face amounts as may be determined by such Canadian Lender provided that the aggregate amount thereof is equal to the aggregate amount of Bankers' Acceptances required to be accepted by such Canadian Lender. No Canadian Lender shall be responsible or liable for its failure to accept a Bankers' Acceptance if the cause of such failure is, in whole or in part, due to the failure of the Canadian Borrower to provide duly executed and endorsed drafts to the Canadian Agent on a timely basis nor shall any Canadian Lender be liable for any damage, loss or other claim arising by reason of any loss or improper use of any such instrument except loss or improper use arising by reason of the gross negligence or willful misconduct of such Canadian Lender, its officers, employees, agents or representatives. Each Canadian Lender shall maintain a record with respect to Bankers' Acceptances (i) received by it from the Canadian Agent in blank hereunder, (ii) voided by it for any reason, (iii) accepted by it hereunder, (iv) purchased by it hereunder and (v) canceled at their respective maturities. Each Canadian Lender further agrees to retain such

30

36

records in the manner and for the statutory periods provided in the various Canadian provincial or federal statutes and regulations which apply to such Canadian Lender.

(3) Drafts of the Canadian Borrower to be accepted as Bankers' Acceptances hereunder shall be duly executed by a duly authorized officer of the Canadian Borrower. Notwithstanding that any person whose signature appears on any Bankers' Acceptance as a signatory for the Canadian Borrower may no longer be an authorized signatory for the Canadian Borrower at the date of issuance of a Bankers' Acceptance, such signature shall nevertheless be valid and sufficient for all purposes as if such authority had remained in force at the time of such issuance and any such Bankers' Acceptance so signed shall be binding on the Canadian Borrower.

(4) Promptly following receipt of a Bankers' Acceptance Notice, the Canadian Agent shall so advise the Canadian Lenders and shall advise each Canadian Lender of the face amount of each Bankers' Acceptance to be accepted by it and the term thereof. The aggregate face amount of Bankers' Acceptances to be accepted by a Canadian Lender shall be determined by the Canadian Agent by reference to the respective Canadian Commitments of the Canadian Lenders, except that, if the face amount of a Bankers' Acceptance, which would otherwise be accepted by a Canadian Lender, would not be C\$100,000.00 or an integral multiple thereof, such face amount shall be increased or reduced by the Canadian Agent in its sole and unfettered discretion to the nearest integral multiple of C\$100,000.00.

(5) Each Bankers' Acceptance to be accepted by a Canadian Lender shall be accepted at such Canadian Lender's office shown on the signature pages hereof or as otherwise designated by such Canadian Lender from time to time.

(6) On the relevant borrowing date, each Canadian Lender severally agrees to purchase from the Canadian Borrower, at the face amount thereof discounted by the Applicable BA Discount Rate, any Bankers' Acceptance accepted by it and provide to the Canadian Agent, for the account of the Canadian Borrower, the BA Discount Proceeds in respect thereof after deducting therefrom the amount of the Acceptance Fee payable by the Canadian Borrower to such Canadian Lender under Section 2.3(c) in respect of such Bankers' Acceptance.

(7) Each Canadian Lender may at any time and from time to time hold, sell, rediscount or otherwise dispose of any or all Bankers' Acceptances accepted and purchased by it.

(8) The Canadian Borrower waives presentment for payment and any other defense to payment of any amounts due to a Canadian Lender in respect of a Bankers' Acceptance accepted by it pursuant to this Agreement which might exist solely by reason of such Bankers' Acceptance being held, at the maturity thereof, by such Canadian Lender in its own right and the Canadian Borrower agrees not to claim any days of grace if such

Canadian Lender as holder sues the Canadian Borrower on the Bankers' Acceptances for payment of the amount payable by the Canadian Borrower thereunder.

(b) With respect to each Bankers' Acceptance, the Canadian Borrower, prior to the occurrence and continuation of a Default, may give irrevocable telephone or written notice (or such other method of notification as may be agreed upon between the Canadian Agent and the Canadian Borrower) to the Canadian Agent at or before 12:00 noon (Toronto, Ontario time) two (2) Business Days prior to the maturity date of such Bankers' Acceptance followed by written confirmation electronically transmitted to the Canadian Agent on the same day, of the Canadian Borrower's intention to issue one or more Bankers' Acceptance on such maturity date (each a "Refunding Bankers' Acceptance") to provide for the payment of such maturing Bankers' Acceptance (it being understood that payments by the Canadian Borrower and fundings by the Canadian Lenders in respect of each maturing Bankers' Acceptance and each related Refunding Bankers' Acceptance shall be made on a net basis reflecting the difference between the face amount of such maturing Bankers' Acceptance and the BA Discount Proceeds (net of the applicable Acceptance Fee) of such Refunding Bankers' Acceptance). Any funding on account of any maturing Bankers' Acceptance must be made at or before 12:00 noon (Toronto, Ontario time) on the maturity date of such Bankers' Acceptance. If the Canadian Borrower fails to give such notice, then subject to satisfaction of the conditions in Section 5 hereof and to the Maximum Canadian Available Amount, the Canadian Borrower shall be irrevocably deemed to have requested and to have been advanced a Canadian Prime Loan in the face amount of such maturing Bankers' Acceptance on the maturity date of such Bankers' Acceptance from the Canadian Lender which accepted such maturing Bankers' Acceptance, which Canadian Prime Loan shall thereafter bear interest as such in accordance with the provisions hereof until paid in full.

(c) An Acceptance Fee shall be payable by the Canadian Borrower to each Canadian Lender in advance (in the manner specified in Section 2.3(a) (6)) in respect of, and as a condition precedent to the acceptance by such Canadian Lender of, a Bankers' Acceptance to be accepted by such Canadian Lender calculated at the rate per annum equal to the Margin Percentage applicable to LIBOR Borrowings, calculated on the face amount of such Bankers' Acceptance and computed on the basis of the number of days in the term of such Bankers' Acceptance and a year of 365 days.

2.4 Terminations, Reductions or Reallocations of Commitments.

(a) Mandatory. On the Termination Date, all Commitments shall be terminated in their entirety.

(b) Optional. U.S. Borrower or Canadian Borrower, as the case may

be, shall have the right to terminate or reduce the unused portion of the U.S. Commitments or the Canadian Commitments, as the case may be, at any time or from time to time, provided that (i) U.S. Borrower or Canadian Borrower, as the case may be, shall give notice of each such termination or reduction to the appropriate Agent as provided in Section 4.3 hereof and (ii) each such partial reduction shall be in an integral multiple of \$5,000,000. Notwithstanding the foregoing, U.S. Borrower may not

32

38

reduce the U.S. Commitments below the then outstanding principal balance of the U.S. Obligations and Canadian Borrower may not reduce the Canadian Commitments below the then outstanding principal balance of the Canadian Obligations. No termination or reduction of the Commitments pursuant to this provision may be reinstated without the prior written approval of Agents and the Lenders.

(c) Reallocations. Any Dual Lender may agree with Borrowers to reallocate its existing U.S. Commitment and Canadian Commitment, so long as the sum of such U.S. Commitment and Canadian Commitment remains unchanged. In addition, with the prior written consent of all of the Dual Lenders, any U.S. Lender may agree with Borrowers to convert a portion of its U.S. Commitment into a Canadian Commitment, thereby becoming a Dual Lender, and any Canadian Lender may agree with Borrowers to convert a portion of its Canadian Commitment into a U.S. Commitment, in each case so long as (i) each Lender continues to be a U.S. Lender with a U.S. Commitment of at least \$1,000,000 and (ii) the sum of such Lender's U.S. Commitment and Canadian Commitment remains equal to the aggregate amount of such Lender's U.S. Commitment and Canadian Commitment prior to such reallocation. Borrowers shall give written notice to the Agents of any reallocation pursuant to this provision at least ten (10) Business Days prior to the effective date of any such reallocation. No Lender shall be required to agree to any such reallocation, but may do so at its option, in its sole discretion. The following conditions precedent must be satisfied prior to any such reallocation becoming effective:

(1) no Default or Event of Default shall have occurred and be continuing;

(2) if, as a result of any such reallocation, the aggregate U.S. Obligations would exceed the aggregate of all of the U.S. Commitments, then the U.S. Borrower shall, on the effective date of such reallocation, repay or prepay U.S. Loans (or provide Cover for Letter of Credit Liabilities relating to U.S. Letters of Credit) in accordance with this Agreement in an aggregate principal amount such that, after giving effect thereto, the aggregate U.S. Obligations shall not exceed the aggregate of all of the U.S. Commitments;

(3) if, as a result of any such reallocation, the Total Canadian Exposure would exceed the aggregate of all of the Canadian Commitments, then the Canadian Borrower shall, on the effective date of such reallocation, repay or prepay Canadian Loans (or provide Cover for Letter of Credit Liabilities relating to Canadian Letters of Credit or for Bankers' Acceptance Liabilities) in accordance with this Agreement in an aggregate principal amount such that, after giving effect thereto, the Total Canadian Exposure shall not exceed the aggregate of all of the Canadian Commitments;

(4) Borrowers shall have paid any amounts (or shall have provided Cover) due under Sections 2.9(c) or (d) hereof on the date of such reallocation;

(5) The Maximum Canadian Available Amount shall be adjusted to equal the sum of all of the Canadian Commitments after giving effect to such reallocation and the

33

Maximum U.S. Available Amount shall be adjusted to equal the sum of all of the U.S. Commitments after giving effect to such reallocation;

(6) participations by the Lenders in the outstanding Letters of Credit and the Letter of Credit Liabilities and the outstanding Loans of the Lenders shall be adjusted to give effect to such reallocation; provided, however, that in lieu of requiring any prepayment of any Bankers' Acceptances in order to make appropriate adjustments to give effect to such reallocations, Canadian Borrower shall be required to provide additional Cover for any applicable portion of the Bankers' Acceptance Liabilities;

(7) each Lender whose U.S. Commitment or Canadian Commitment shall be the subject of any reallocation shall have received from the Borrowers a fee equal to the greater of \$3,000.00 or 1/16% of the amount of the increase or decrease, as the case be, in its Canadian Commitment.

2.5 Commitment Fees.

(a) U.S. Borrower shall pay to U.S. Agent for the account of each U.S. Lender, and Canadian Borrower shall pay to Canadian Agent for the account of each Canadian Lender, commitment fees for the period from the Effective Date to and including the Termination Date at a rate per annum equal to the Commitment Fee Percentage. Such commitment fees shall be computed (on the basis of the actual number of days elapsed in a year composed of 360 days) on each day and shall be based on the excess of (x) the aggregate amount of each Lender's Commitment for such day over (y) the sum of (i) the aggregate unpaid principal balance (in Dollars) of such Lender's Note or Notes on such day plus (ii) the aggregate Letter of Credit Liabilities as to such Lender for such day plus, in the case of Canadian Lenders only, (iii) the aggregate Bankers' Acceptance Liabilities outstanding on such day. Accrued commitment fees shall be payable in arrears on the Quarterly Dates prior to the Termination Date and on the Termination Date, with any Canadian Obligations converted to Dollars at the Exchange Rate on each such date for the purposes of each such calculation.

(b) All past due fees payable under this Section shall bear interest at the Past Due Rate.

2.6 Several Obligations. The failure of any Lender to make any Loan to be made by it or to accept and purchase any Bankers' Acceptance required to be so accepted and purchased by it on the date specified therefor shall not relieve any other Lender of its obligation to make its Loan or to accept and purchase its Bankers' Acceptance on such date, but neither any Agent nor any Lender shall be responsible or liable for the failure of any other Lender to make a Loan or to accept and purchase any Bankers' Acceptance or to participate in, or co-issue, any Letter of Credit. Notwithstanding anything contained herein to the contrary, (i) if a U.S. Lender fails to make a U.S. Loan as and when required hereunder, then upon each subsequent event which would otherwise result in payments of principal being made to the defaulting U.S. Lender, the amount which would have been paid to the defaulting U.S. Lender shall be divided among the non-defaulting U.S. Lenders

ratably according to their respective Commitment Percentages until the Obligations of each U.S. Lender (including the defaulting U.S. Lender) are equal to such U.S. Lender's Commitment Percentage of the total U.S. Obligations and (ii) if a Canadian Lender fails to make a Canadian Loan or accept and purchase any Bankers' Acceptance as and when required hereunder, then upon each subsequent event which would otherwise result in payments of principal being made to the defaulting Canadian Lender, the amount which would have been paid to the defaulting Canadian Lender shall be divided among the non-defaulting Canadian Lenders ratably according to their respective Commitment Percentages until the Obligations of each Canadian Lender (including the defaulting Canadian Lender) are equal to such Canadian Lender's Commitment Percentage of the total Canadian Obligations.

2.7 Notes. The U.S. Loans made by each U.S. Lender shall be evidenced by a single U.S. Note of U.S. Borrower in substantially the form of

Exhibit D hereto payable to the order of such U.S. Lender in a principal amount equal to the U.S. Commitment of such U.S. Lender, and otherwise duly completed. The Canadian Loans made by each Canadian Lender which are denominated in Dollars shall be evidenced by a single Canadian Note of Canadian Borrower in substantially the form of Exhibit C hereto payable to the order of such Canadian Lender in a principal amount equal to the Canadian Commitment of such Canadian Lender, and otherwise duly completed. The Canadian Prime Loans made by each Canadian Lender shall be evidenced by a single Canadian Dollar Note of Canadian Borrower in substantially the form of Exhibit H hereto payable to the order of such Canadian Lender in a principal amount equal to two times the Canadian Commitment of such Canadian Lender, and otherwise duly completed. The promissory notes described in this Section are each, together with all renewals, extensions, modifications and replacements thereof and substitutions therefor, called a "Note" and collectively called the "Notes". Each Lender is hereby authorized by each Borrower to endorse on the schedule (or a continuation thereof) that may be attached to each Note of such Lender, to the extent applicable, the date, amount, type of and the applicable period of interest for each Loan made by such Lender to the applicable Borrower hereunder, and the amount of each payment or prepayment of principal of such Loan received by such Lender, provided, that any failure by such Lender to make any such endorsement shall not affect the obligations of any Borrower under such Note or hereunder in respect of such Loan.

2.8 Use of Proceeds. The proceeds of the Loans and of the acceptance and purchase of Bankers' Acceptances shall be used by the Borrowers for acquisitions, capital expenditures and other working capital and general corporate purposes. Neither any Agent nor any Lender shall have any responsibility as to the use of any proceeds of the Loans or of the acceptance and purchase of Bankers' Acceptances.

2.9 Currency Fluctuations.

(a) Not later than 1:00 p.m. (Houston, Texas time) on each Calculation Date, the U.S. Agent shall determine the Exchange Rate as of such Calculation Date. The Exchange Rate so determined shall become effective on the first Business Day immediately following the relevant

35

41

Calculation Date (a "Reset Date") and shall remain effective until the next succeeding Calculation Date.

(b) Not later than 4:00 p.m. (Houston, Texas time) on each Reset Date, the U.S. Agent shall consult with the Canadian Agent and the Agents shall determine the Total Canadian Exposure and the aggregate U.S. Obligations.

(c) If, on any Reset Date or on the date of any reallocation of the U.S. Commitments and the Canadian Commitments pursuant to Section 2.4(c) hereof, the sum of the aggregate U.S. Obligations and the Total Canadian Exposure exceeds the aggregate of all of the U.S. Commitments and the Canadian Commitments by five percent (5%) or more, then (i) the Agents shall give notice thereof to the Lenders and Borrowers and (ii) the Borrowers shall within two (2) Business Days thereafter, repay or prepay Loans (or provide Cover for Letter of Credit Liabilities or Bankers' Acceptance Liabilities) in accordance with this Agreement in an aggregate principal amount sufficient to reduce the sum of the aggregate U.S. Obligations and the Total Canadian Exposure to the aggregate of all of the U.S. Commitments and the Canadian Commitments.

(d) If, on any day prior to the Termination Date, the Total Canadian Exposure exceeds the aggregate of all of the Canadian Commitments by five percent (5%) or more, then (i) the Canadian Agent shall give notice thereof to the Canadian Borrower and the Canadian Lenders and (ii) within two (2) Business Days thereafter, the Canadian Borrower shall repay or prepay Canadian Loans (or provide Cover for Letter of Credit Liabilities relating to Canadian Letters of Credit or Bankers' Acceptance Liabilities) in accordance with this Agreement in an aggregate principal amount such that, after giving effect thereto, the Total Canadian Exposure shall not exceed the aggregate of all of the Canadian Commitments.

3. Borrowings, Prepayments and Interest Options.

3.1 Borrowings. The applicable Borrower shall give the applicable Agent notice of each borrowing to be made hereunder as provided in Section 4.3 hereof and the applicable Agent shall promptly notify each applicable Lender of such request. Not later than 12:00 noon Houston, Texas time (in the case of U.S. Loans) or 1:00 p.m. Toronto, Ontario time (in the case of Canadian Loans which are not same day fundings and Bankers' Acceptances) or 2:00 p.m. Toronto, Ontario time (in the case of Canadian Loans which are same day fundings) on the date specified for each such borrowing hereunder, each applicable Lender shall make available the amount of the Loan, if any, to be made by it on such date and/or the proceeds of the acceptance and purchase of any Bankers' Acceptances, if any, to be so accepted and purchased by it on such date to the applicable Agent at its Principal Office, in immediately available funds, for the account of the applicable Borrower. Such amounts received by the applicable Agent will be held in an account maintained by the applicable Borrower with the applicable Agent. The amounts so received by the applicable Agent shall, subject to the terms and conditions of this Agreement, be made available to the applicable Borrower by wiring or otherwise transferring, in immediately available funds, such amount to an account designated by the applicable Borrower and approved by the applicable Agent.

36

42

3.2 Prepayments.

(a) Optional Prepayments. Except as provided in Section 3.3 hereof, each Borrower shall have the right to prepay, on any Business Day, in whole or in part, without the payment of any penalty or fee, any of the Obligations (other than Obligations relating to Bankers' Acceptances) at any time or from time to time, provided that the applicable Borrower shall give the applicable Agent notice of each such prepayment as provided in Section 4.3 hereof. Each optional prepayment on a Loan shall be in an amount equal to an integral multiple of \$3,000,000 (in respect of Loans denominated in Dollars) or C\$3,000,000 (in respect of Loans denominated in Canadian Dollars). Bankers' Acceptances may not be prepaid.

(b) Interest Payments. Accrued and unpaid interest on the unpaid principal balance of the Notes shall be due and payable on the Interest Payment Dates.

(c) Payments and Interest on Reimbursement Obligations. Each Borrower will pay to the applicable Agent for the account of each applicable Lender the amount of each Reimbursement Obligation with respect to such Borrower on the date on which the applicable Agent notifies the applicable Borrower of the date and amount of the applicable payment by the Issuer of any drawing under a Letter of Credit or payment of any Bankers' Acceptance on maturity. The amount of any Reimbursement Obligation may, if the applicable conditions precedent specified in Sections 5.1 and 5.2 hereof have been satisfied, be paid with the proceeds of Loans or, in the case of Canadian Obligations, of the acceptance and purchase of Bankers' Acceptances. Subject to Section 11.7 hereof, each Borrower will pay to the applicable Agent for the account of each applicable Lender interest on any Reimbursement Obligation at (i) at the applicable Base Rate (with respect to Reimbursement Obligations denominated in Dollars) or at the Canadian Prime Rate (with respect to Reimbursement Obligations denominated in Dollars) plus the applicable Margin Percentage from the date such Reimbursement Obligation arises until the date five (5) Business Days thereafter and (ii) at the applicable Past Due Rate thereafter until the same is paid in full.

3.3 Interest Options

(a) Options Available. The outstanding principal balance of the Canadian Dollar Notes shall bear interest at the Canadian Prime Rate and the outstanding principal balance of the other Notes shall bear interest at the applicable Base Rate; provided, that (1) all past due amounts, both principal and accrued interest, shall bear interest at the Past Due Rate, and (2) subject to the provisions hereof, each Borrower shall have the option of having all or any portion of the principal balances of its Notes (other than the Canadian Dollar Notes) from time to time outstanding bear interest at a Eurodollar Rate. The records of Agents and each of the Lenders with respect to Interest Options,

Interest Periods and the amounts of Loans to which they are applicable shall be binding and conclusive, absent manifest error. Interest on the amount of each advance against the Notes shall be computed on the amount of that advance and from the date it is made. Notwithstanding anything in this Agreement to the contrary, for the full term of the Notes the interest rate produced by the aggregate of all sums paid or agreed to be paid to the holders of the Notes for the use, forbearance

37

43

or detention of the debt evidenced thereby (including all interest on the Notes at the Stated Rate plus the Additional Interest) shall not exceed the Ceiling Rate.

(b) Designation and Conversion. Each Borrower shall have the right to designate or convert its Interest Options in accordance with the provisions hereof. Provided no Event of Default has occurred and is continuing and subject to the last sentence of Section 3.3(a) and the provisions of Section 3.3(c), each Borrower may elect to have a Eurodollar Rate apply or continue to apply to all or any portion of the principal balance of its Notes (other than the Canadian Dollar Notes). Each change in Interest Options shall be a conversion of the rate of interest applicable to the specified portion of the Loans, but such conversion shall not change the respective outstanding principal balances of the applicable Notes. The Interest Options shall be designated or converted in the manner provided below:

- (i) The applicable Borrower shall give the applicable Agent telephonic notice, promptly confirmed by a Rate Designation Notice (and the applicable Agent shall promptly inform each applicable Lender thereof). Each such telephonic and written notice shall specify the amount of the Loan which is the subject of the designation, if any; the amount of borrowings into which such borrowings are to be converted or for which an Interest Option is designated; the proposed date for the designation or conversion and the Interest Period or Periods, if any, selected by the applicable Borrower. Such telephonic notice shall be irrevocable and shall be given to the applicable Agent no later than the applicable Rate Designation Date.
- (ii) No more than five (5) LIBOR Borrowings shall be in effect with respect to the U.S. Loans at any time and no more than three (3) LIBOR Borrowings shall be in effect with respect to the Canadian Loans at any time. No single LIBOR Borrowing may include both U.S. Loans and Canadian Loans.
- (iii) Each designation or conversion of a LIBOR Borrowing shall occur on a LIBOR Business Day.
- (iv) Except as provided in Section 3.3(c) hereof, no LIBOR Borrowing shall be converted to a Base Rate Borrowing or another LIBOR Borrowing on any day other than the last day of the applicable Interest Period.
- (v) Each request for a LIBOR Borrowing shall be in the amount equal to an integral multiple of \$500,000.
- (vi) Each designation of an Interest Option with respect to the U.S. Notes shall apply to all of the U.S. Notes ratably in accordance with their respective outstanding principal balances. Each designation of an Interest Option with respect to the Canadian Notes shall apply to all of the Canadian Notes ratably in accordance with their respective outstanding principal balances. If any Lender assigns an interest in any of its Notes

38

when any LIBOR Borrowing is outstanding with respect thereto, then such assignee shall have its ratable interest in such LIBOR Borrowing.

- (vii) The entire outstanding principal balance of the Canadian Dollar Notes shall bear interest at the Canadian Prime Rate.
- (c) Special Provisions Applicable to LIBOR Borrowings.

(i) Options Unlawful. If the adoption of any applicable Legal Requirement after the Effective Date or any change after the Effective Date in any applicable Legal Requirement or in the interpretation or administration thereof by any Governmental Authority or compliance by any Lender with any request or directive (whether or not having the force of law) issued after the Effective Date by any central bank or other Governmental Authority shall at any time make it unlawful or impossible for any Lender to permit the establishment of or to maintain any LIBOR Borrowing, the commitment of such Lender to establish or maintain such LIBOR Borrowing shall forthwith be canceled and the applicable Borrower shall forthwith, upon demand by the applicable Agent to such Borrower, (1) convert the LIBOR Borrowing of such Lender with respect to which such demand was made to a Base Rate Borrowing; (2) pay all accrued and unpaid interest to date on the amount so converted; and (3) pay any amounts required to compensate each Lender for any additional cost or expense which any Lender may incur as a result of such adoption of or change in such Legal Requirement or in the interpretation or administration thereof and any Funding Loss which any Lender may incur as a result of such conversion. If, when any Agent so notifies any Borrower, such Borrower has given a Rate Designation Notice specifying a LIBOR Borrowing but the selected Interest Period has not yet begun, as to the applicable Lender such Rate Designation Notice shall be deemed to be of no force and effect, as if never made, and the balance of the Loans made by such Lender specified in such Rate Designation Notice shall bear interest at the Base Rate until a different available Interest Option shall be designated in accordance herewith.

(ii) Increased Cost of Borrowings. If the adoption after the Effective Date of any applicable Legal Requirement or any change after the Effective Date in any applicable Legal Requirement or in the interpretation or administration thereof by any Governmental Authority or compliance by any Lender with any request or directive (whether or not having the force of law) issued after the Effective Date by any central bank or Governmental Authority shall at any time as a result of any portion of the principal balances of the Notes being maintained on the basis of a Eurodollar Rate:

- (1) subject any Lender to any Taxes, or any deduction or withholding for any Taxes, on or from any payment due under any LIBOR Borrowing or other amount due hereunder, other than income and franchise taxes of the United States or its political subdivisions or such other jurisdiction in which the applicable Lender has its principal office or applicable lending office; or

- (2) change the basis of taxation of payments due from any Borrower to any Lender under any LIBOR Borrowing (otherwise than by a change in the rate of taxation of the overall net income of such Lender); or
- (3) impose, modify, increase or deem applicable any reserve requirement (excluding that portion of any reserve requirement included in the calculation of the applicable Eurodollar Rate), special deposit requirement or similar requirement (including, but not limited to, state law requirements and Regulation D) against assets of any Lender, or against deposits with any Lender, or against loans made by any Lender, or against any other funds, obligations or other Property owned or held by any Lender; or

- (4) impose on any Lender any other condition regarding any LIBOR Borrowing;

and the result of any of the foregoing is to increase the cost to any Lender of agreeing to make or of making, renewing or maintaining such LIBOR Borrowing, or reduce the amount of principal or interest received by any Lender, then, within 15 Business Days after demand by any Agent (accompanied by a statement setting forth in reasonable detail the applicable Lender's basis therefor), the applicable Borrower shall pay to the applicable Agent additional amounts which shall compensate each Lender for such increased cost or reduced amount. The determination by any Lender of the amount of any such increased cost, increased reserve requirement or reduced amount shall be conclusive and binding, absent manifest error. Each Borrower shall have the right, if it receives from any Agent any notice referred to in this paragraph, upon three Business Days' notice to the applicable Agent (which shall notify each affected Lender), either (i) to repay in full (but not in part) any borrowing with respect to which such notice was given, together with any accrued interest thereon, or (ii) to convert the LIBOR Borrowing which is the subject of the notice to a Base Rate Borrowing; provided, that any such repayment or conversion shall be accompanied by payment of (x) the amount required to compensate each Lender for the increased cost or reduced amount referred to in the preceding paragraph; (y) all accrued and unpaid interest to date on the amount so repaid or converted, and (z) any Funding Loss which any Lender may incur as a result of such repayment or conversion. Each Lender will notify the applicable Borrower through the applicable Agent of any event occurring after the date of this Agreement which will entitle such Lender to compensation pursuant to this Section as promptly as practicable after it obtains knowledge thereof and determines to request such compensation, and (if so requested by the applicable Borrower through the applicable Agent) will designate a different lending office of such Lender for the applicable LIBOR Borrowing or will take such other action as the applicable Borrower may reasonable request if such designation or action is consistent with the internal policy of such Lender and legal and regulatory restrictions, will avoid the need for, or reduce the amount of, such compensation and will not, in the sole opinion of such Lender, be disadvantageous to such Lender.

(iii) Inadequacy of Pricing and Rate Determination. If, for any reason with respect to any Interest Period, any Agent (or, in the case of clause 2 below, the applicable Lender) shall have

40

46

determined (which determination shall be conclusive and binding upon each Borrower, absent manifest error) that:

- (1) any Agent is unable through its customary general practices to determine any applicable Eurodollar Rate, or
- (2) any applicable Eurodollar Rate will not adequately and fairly reflect the cost to any Lender of making and maintaining such LIBOR Borrowing hereunder for any proposed Interest Period,

then the applicable Agent shall give the applicable Borrower notice thereof and thereupon, (A) any Rate Designation Notice previously given by such Borrower designating the applicable LIBOR Borrowing which has not commenced as of the date of such notice from any Agent shall be deemed for all purposes hereof to be of no force and effect, as if never given, and (B) until the applicable Agent shall notify such Borrower that the circumstances giving rise to such notice from such Agent no longer exist, each Rate Designation Notice requesting the applicable Eurodollar Rate shall be deemed a request for a Base Rate Borrowing, and any applicable LIBOR Borrowing then outstanding shall be converted, without any notice to or from any Borrower, upon the termination of the Interest Period then in effect with respect to it, to a Base Rate Borrowing.

(iv) Funding Losses. Each Borrower shall indemnify each applicable Lender against and hold each applicable Lender harmless from any Funding Loss relating to Loans to such Borrower or relating to Bankers' Acceptances requested by such Borrower. This indemnity shall survive the payment of the

Notes. A certificate of any Lender (explaining in reasonable detail the amount and calculation of the amount claimed) as to any additional amounts payable pursuant to this paragraph submitted to the applicable Borrower shall be conclusive and binding upon such Borrower, absent manifest error.

(d) Funding Offices; Adjustments Automatic; Calculation Year. Any Lender may, if it so elects, fulfill its obligation as to any LIBOR Borrowing by causing a branch or affiliate of such Lender to make such Loan and may transfer and carry such Loan at, to or for the account of any branch office or affiliate of such Lender; provided, that in such event for the purposes of this Agreement such Loan shall be deemed to have been made by such Lender and the obligation of the applicable Borrower to repay such Loan shall nevertheless be to such Lender and shall be deemed held by it for the account of such branch or affiliate. Without notice to any Borrower or any other Person, each rate required to be calculated or determined under this Agreement shall automatically fluctuate upward and downward in accordance with the provisions of this Agreement. Interest at the Canadian Prime Rate or any applicable Prime Rate shall be computed on the basis of the actual number of days elapsed in a year consisting of 365 or 366 days, as the case may be. All other interest required to be calculated or determined under this Agreement shall be computed on the basis of the actual number of days elapsed in a year consisting of 360 days, unless the Ceiling Rate would thereby be exceeded, in which event, to the extent necessary to avoid exceeding the Ceiling Rate,

41

47

the applicable interest shall be computed on the basis of the actual number of days elapsed in the applicable calendar year in which such interest accrued.

(e) Funding Sources. Notwithstanding any provision of this Agreement to the contrary, each Lender shall be entitled to fund and maintain its funding of all or any part of the Loans in any manner it sees fit, it being understood, however, that for the purposes of this Agreement all determinations hereunder shall be made as if each Lender had actually funded and maintained each LIBOR Borrowing during each Interest Period through the purchase of deposits having a maturity corresponding to such Interest Period and bearing an interest rate equal to the Eurodollar Rate for such Interest Period.

4. Payments; Pro Rata Treatment; Computations, Etc.

4.1 Payments.

(a) Except to the extent otherwise provided herein, all payments of principal, interest, Reimbursement Obligations and other amounts to be made by any Borrower hereunder, under the Notes and under the other Loan Documents shall be made in (i) with respect to Bankers' Acceptance Liabilities and Canadian Prime Loans, Canadian Dollars and (ii) in all other cases, in Dollars, in immediately available funds, to the applicable Agent at its Principal Office (or in the case of a successor U.S. Agent, at the principal office of such successor U.S. Agent in the United States or in the case of a successor Canadian Agent, at the principal office of such successor Canadian Agent in Canada), not later than 11:00 a.m. Houston, Texas time (in the case of any payment by the U.S. Borrower) or 12:00 noon Toronto, Ontario time (in the case of any payment by the Canadian Borrower) on the date on which such payment shall become due (each such payment made after such time on such due date to be deemed to have been made on the next succeeding Business Day).

(b) Each Borrower shall, at the time of making each payment hereunder, under any Note or under any other Loan Document, specify to the applicable Agent Obligations payable by such Borrower hereunder or thereunder to which such payment is to be applied. Each payment received by any Agent hereunder, under any Note or under any other Loan Document for the account of a Lender shall be paid promptly to such Lender, in immediately available funds. If any Agent fails to send to any Lender the applicable amount by the close of business on the date any such payment is received by such Agent if such payment is received prior to 11:00 a.m. Houston, Texas time (in the case of any payment to a U.S. Lender) or 12:00 noon Toronto, Ontario time (in the case of any payment to a Canadian Lender) (or on the next succeeding Business Day with respect to payments which are received after such time), such Agent shall pay to the applicable Lender interest on such amount from such date at a rate of

interest per annum equal to (i) in respect of Obligations which are denominated in Dollars, the Federal Funds Rate and (ii) in respect of Canadian Obligations which are denominated in Canadian Dollars, the CDOR Rate.

(c) If the due date of any payment hereunder or under any other Loan Document falls on a day which is not a Business Day, the due date for such payments (except as otherwise provided in

42

48

the definition of "Interest Period" set forth in Section 1.1 hereof) shall be extended to the next succeeding Business Day and interest shall be payable for any principal so extended for the period of such extension.

(d) All payments by any Borrower hereunder or under any other Loan Document shall be made free and clear of and without deduction for or on account of any present or future income, stamp, or other taxes, fees, duties, withholding or other charges of any nature whatsoever imposed by any taxing authority excluding in the case of each Lender taxes imposed on or measured by its net income or franchise taxes imposed by the jurisdiction in which it is organized or through which it acts for purposes of this Agreement (such non-excluded items being hereinafter referred to as "Taxes"). If as a result of any change in law (or the interpretation thereof) after the date that the applicable Lender became a "Lender" under this Agreement any withholding or deduction from any payment to be made to, or for the account of, a Lender by any Borrower hereunder or under any other Loan Document is required in respect of any Taxes pursuant to any applicable law, rule, or regulation, then such Borrower will (i) pay to the relevant authority the full amount required to be so withheld or deducted; (ii) to the extent available, promptly forward to the applicable Agent an official receipt or other documentation reasonably satisfactory to such Agent evidencing such payment to such authority; and (iii) pay to the applicable Agent, for the account of each affected Lender, such additional amount or amounts as are necessary to ensure that the net amount actually received by such Lender will equal the full amount such Lender would have received had no such withholding or deduction been required. Each Lender shall determine such additional amount or amounts payable to it (which determination shall, in the absence of manifest error, be conclusive and binding on each Borrower). If a Lender becomes aware that any such withholding or deduction from any payment to be made by any Borrower hereunder or under any other Loan Document is required, then such Lender shall promptly notify the applicable Agent and the applicable Borrower thereof stating the reasons therefor and the additional amount required to be paid under this Section. Each Lender shall execute and deliver to the applicable Agent and the applicable Borrower such forms as it may be required to execute and deliver pursuant to Section 11.13 hereof. To the extent that any such withholding or deduction results from the failure of a Lender to provide a form required by Section 11.13 hereof (unless such failure is due to some prohibition under applicable Legal Requirements), the applicable Borrower shall have no obligation to pay the additional amount required by clause (iii) above. Anything in this Section notwithstanding, if any Lender elects to require payment by any Borrower of any material amount under this Section, the applicable Borrower may, within 60 days after the date of receiving notice thereof and so long as no Default shall have occurred and be continuing, elect to terminate such Lender as a party to this Agreement; provided that, concurrently with such termination the applicable Borrower shall (i) if the Agents and each of the other Lenders shall consent, pay that Lender all principal, interest and fees and other amounts owed to such Lender through such date of termination or (ii) have arranged for another financial institution approved by the Agents (such approval not to be unreasonably withheld) as of such date, to become a substitute Lender for all purposes under this Agreement in the manner provided in Section 11.6; provided further that, prior to substitution for any Lender, the applicable Borrower shall have given written notice to the Agents of such intention and the Lenders shall have

43

the option, but no obligation, for a period of 60 days after receipt of such notice, to increase their Commitments in order to replace the affected Lender in lieu of such substitution.

4.2 Pro Rata Treatment. Except to the extent otherwise provided herein: (a) each borrowing from the Lenders under Section 2.1 hereof shall be made (x) in the case of Canadian Loans, ratably from the Canadian Lenders in accordance with their respective Canadian Commitments and (y) in the case of U.S. Loans, ratably from the U.S. Lenders in accordance with their respective U.S. Commitments; (b) each payment of commitment fees shall be made for the account of the Lenders, and each termination or reduction of the Commitments of the Lenders under Section 2.3 hereof shall be applied, pro rata, according to the Lenders' respective Commitments; (c) each payment by any Borrower of principal of or interest on the Loans or any Bankers' Acceptance shall be made to the applicable Agent for the account of the applicable Lenders pro rata in accordance with the respective unpaid principal amounts of the Loans held by or Bankers' Acceptances accepted by such Lenders, and (d) the applicable Lenders (other than the applicable Issuer) shall purchase from the applicable Issuer participations in each Letter of Credit to the extent of their respective U.S. Commitment Percentages or Canadian Commitment Percentages, as the case may be.

4.3 Certain Actions, Notices, Etc. Notices to the applicable Agent of any termination or reduction of Commitments and of borrowings and optional prepayments of Loans and requests for issuances of Letters of Credit shall be irrevocable and shall be effective only if received by the applicable Agent not later than 11:00 a.m. Houston, Texas time (in the case of U.S. Loans and U.S. Letters of Credit) or 12:00 noon Toronto, Ontario time (in the case of Canadian Loans and Canadian Letters of Credit)) on the number of Business Days prior to the date of the relevant termination, reduction, borrowing and/or prepayment specified below:

	Number of Business Days Prior Notice -----
Termination or Reduction of Commitments	5
Loan repayment	1
Base Rate Borrowings and Canadian Prime Loans	same day
Letter of Credit issuance	3
Selection of a Eurodollar Rate	3 LIBOR Business Days

Each such notice of termination or reduction shall specify the amount of the applicable Commitment to be terminated or reduced. Each such notice of borrowing or prepayment shall specify the amount of the Loans to be borrowed or prepaid and the date of borrowing or prepayment (which shall be a Business Day). The applicable Agent shall promptly notify the affected Lenders of the contents of each such notice.

4.4 Non-Receipt of Funds by Any Agent. Unless the applicable Agent shall have been notified by a Lender or a Borrower (the "Payor") prior to the date on which such Lender is to make payment to such Agent of the proceeds of a Loan (or funding of a drawing under a Letter of Credit or reimbursement with respect to any drawing under a Letter of Credit or funding of a payment under a Bankers' Acceptance or reimbursement with respect to any payment under a Bankers' Acceptance) to be made by it hereunder or the applicable Borrower is to make a payment to such Agent for the account of one or more of the Lenders, as the case may be (such payment being herein called the "Required Payment"),

which notice shall be effective upon receipt, that the Payor does not intend to make the Required Payment to such Agent, the applicable Agent may assume that the Required Payment has been made and may, in reliance upon such assumption (but shall not be required to), make the amount thereof available to the intended recipient on such date and, if the Payor has not in fact made the Required Payment to such Agent, the recipient of such payment (or, if such recipient is the beneficiary of a Letter of Credit, the applicable Borrower and, if such Borrower fails to pay the amount thereof to the applicable Agent forthwith upon demand, the applicable Lenders ratably in proportion to their respective Commitment Percentages) shall, on demand, pay to such Agent the amount made available by such Agent, together with interest thereon in respect of the period commencing on the date such amount was so made available by such Agent until the date Agent recovers such amount at a rate of interest per annum equal to (i) in respect of Obligations which are denominated in Dollars, the Federal Funds Rate and (ii) in respect of Canadian Obligations which are denominated in Canadian Dollars, the CDOR Rate.

4.5 Sharing of Payments, Etc. If a Lender shall obtain payment of any principal of or interest on any Loan made by it under this Agreement, on any Reimbursement Obligation or on any other Obligation then due to such Lender hereunder, through the exercise of any right of set-off (including, without limitation, any right of setoff or Lien granted under Section 9.2 hereof), banker's Lien, counterclaim or similar right, or otherwise, it shall promptly purchase from the other Lenders participations in the Loans made, or Reimbursement Obligations or other Obligations held, by the other Lenders in such amounts, and make such other adjustments from time to time as shall be equitable to the end that all the Lenders shall share the benefit of such payment (net of any expenses which may be incurred by such Lender in obtaining or preserving such benefit) pro rata in accordance with the unpaid Obligations then due to each of them. To such end all the Lenders shall make appropriate adjustments among themselves (by the resale of participations sold or otherwise) if such payment is rescinded or must otherwise be restored. Each Borrower agrees, to the fullest extent it may effectively do so under applicable law, that any Lender so purchasing a participation in the Loans made, or Reimbursement Obligations or other Obligations held, by other Lenders may exercise all rights of set-off, bankers' Lien, counterclaim or similar rights with respect to such participation as fully as if such Lender were a direct holder of Loans, Reimbursement Obligations

51
or other Obligations in the amount of such participation. Nothing contained herein shall require any Lender to exercise any such right or shall affect the right of any Lender to exercise, and retain the benefits of exercising, any such right with respect to any other indebtedness or obligation of any Borrower.

5. Conditions Precedent.

5.1 Initial Loans, Letters of Credit and Bankers' Acceptances. The obligation of each Lender or each Issuer to make its initial Loans or issue or participate in the initial Letter of Credit hereunder or to accept and purchase its initial Bankers' Acceptance hereunder (whichever shall first occur) is subject to the following conditions precedent, each of which shall have been fulfilled or waived to the satisfaction of Agents:

(a) Authorization and Status. Agents shall have received from the appropriate Governmental Authorities certified copies of the Organizational Documents (other than by-laws) of each Obligor, and evidence satisfactory to Agents of all action taken by each Obligor authorizing the execution, delivery and performance of the Loan Documents and all other documents related to this Agreement to which it is a party (including, without limitation, a certificate of the secretary of each such party which is a corporation setting forth the resolutions of its Board of Directors authorizing the transactions contemplated thereby and attaching a copy of its bylaws), together with such certificates as may be appropriate to demonstrate the qualification and good standing of and payment of taxes by each Obligor in the jurisdiction of its organization and in each other jurisdiction where the failure to qualify would have a Material Adverse Effect.

(b) Incumbency. Each Obligor shall have delivered to Agents a certificate in respect of the name and signature of each of the officers (i) who is authorized to sign on its behalf the applicable Loan Documents related to any Loan, Letter of Credit and Bankers' Acceptance and (ii) who will, until replaced by another officer or officers duly authorized for that purpose, act as its representative for the purposes of signing documents and giving notices and other communications in connection with any Loan, Letter of Credit and Bankers' Acceptance. Each Agent and each Lender may conclusively rely on such certificates until they receive notice in writing from the applicable Obligor to the contrary.

(c) Notes. Agents shall have received the appropriate Notes of Borrowers for each Lender, duly completed and executed.

(d) Loan Documents. Each Obligor shall have duly executed and delivered the Loan Documents to which it is a party (in such number of copies as Agents shall have requested). Each such Loan Document shall be in substantially the form furnished to the Lenders prior to their execution of this Agreement, together with such changes therein as Agents may approve.

(e) Fees and Expenses. Borrowers shall have paid to Agents all unpaid fees in the amounts previously agreed upon in writing between any Borrower and any Agent; and shall have in

46

52
addition paid to Agents all amounts payable under Section 11.3 hereof, on or before the date of this Agreement, except for amounts which the applicable Agent, in its sole discretion, agrees may be paid at a later date.

(f) Insurance. Borrowers shall have delivered to Agents evidence satisfactory to Agents regarding the existence of all insurance required to be maintained by each Obligor by this Agreement and the Security Documents.

(g) Security Matters. All such action as Agents shall have requested to perfect the Liens created pursuant to the Security Documents shall have been taken, including, without limitation, where applicable, the filing and recording of the Security Documents with the appropriate Governmental Authorities. Agent shall also have received evidence satisfactory to it that the Liens created by the Security Documents constitute first priority Liens, except for the exceptions expressly provided for herein or therein, including, without limitation, delivery of all applicable stock certificates (with stock powers executed in blank), Uniform Commercial Code search reports and other applicable personal property registry reports, satisfactory title evidence in form and substance acceptable to Agent, and executed releases of any prior Liens.

(h) Opinions of Counsel. Agents shall have received such opinions of counsel to Obligors as Agents shall reasonably request with respect to Obligors and the Loan Documents.

(i) Consents. Agents shall have received evidence satisfactory to the Lenders that all material consents of each Governmental Authority and of each other Person, if any, reasonably required in connection with (a) the Loans, Letters of Credit and Bankers' Acceptances and (b) the execution, delivery and performance of this Agreement and the other Loan Documents have been satisfactorily obtained.

(j) Payment of Certain Outstanding Indebtedness. Agent shall have received evidence satisfactory to Agent that all existing Indebtedness owing under the credit facility provided to U.S. Borrower and certain of its Affiliates by General Electric Credit Corporation and under the credit facility provided to Dreco Energy Service Ltd. by The Bank of Nova Scotia shall have been paid in full (or will be paid in full out of the initial advance hereunder) and that all rights to further advances under such facility shall have been terminated.

(k) Dreco Acquisition. Dreco Energy Services Ltd. shall have become a wholly-owned Subsidiary (direct or indirect) of Parent (exclusive of the Exchangeable Shares).

(1) Other Documents. Agents shall have received such other documents consistent with the terms of this Agreement and relating to the transactions contemplated hereby as Agents may reasonably request.

5.2 All Loans, Letters of Credit and Bankers' Acceptances. The obligation of each Lender to make any Loan to be made by it hereunder or to issue or participate in any Letter of Credit

47

53

or to accept and purchase any Bankers' Acceptance is subject to (a) the accuracy, in all material respects, on the date of such Loan or such issuance or such acceptance and purchase of all representations and warranties of each Obligor contained in this Agreement and the other Loan Documents; (b) the applicable Agent shall have received the following, all of which shall be duly executed and in Proper Form: (1) a Request for Extension of Credit as to the Loan, Letter of Credit or Bankers' Acceptance, as the case may be, by the time and on the Business Day specified under Section 4.3 hereof, (2) in the case of a Letter of Credit, an Application, and (3) such other documents as the applicable Agent may reasonably require; (c) prior to the making of such Loan or the issuance of such Letter of Credit or the acceptance and purchase of such Bankers' Acceptance, there shall have occurred no event which could reasonably be expected to have a Material Adverse Effect; (d) no Default or Event of Default shall have occurred and be continuing; (e) the making of such Loan or the issuance of such Letter of Credit or the acceptance and purchase of such Bankers' Acceptance shall not be illegal or prohibited by any Legal Requirement, and (f) Borrowers shall have paid all fees and expenses of the type described in Section 11.3 hereof and all other fees owed to any Agent or any Lender under the Loan Documents which are due and payable, in each case, prior to or on the date of such Loan or such issuance or such acceptance and purchase. The submission by any Borrower of a Request for Extension of Credit shall be deemed to be a representation and warranty that the conditions precedent to the applicable Loan or Letter of Credit or Bankers' Acceptance have been satisfied.

6. Representations and Warranties.

To induce the Lenders to enter into this Agreement and to make the Loans and issue or participate in the Letters of Credit and accept and purchase Bankers' Acceptances, U.S. Borrower and Canadian Borrower each represents and warrants (such representations and warranties to survive any investigation and the making of the Loans and the issuance of any Letters of Credit and the acceptance and purchase of any Bankers' Acceptances) to the Lenders and Agents as follows:

6.1 Organization. Each Obligor (a) is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization; (b) has all necessary power and authority to conduct its business as presently conducted, and (c) is duly qualified to do business and in good standing in the jurisdiction of its organization and in all jurisdictions in which the failure to so qualify would reasonably be expected to have a Material Adverse Effect.

6.2 Financial Statements. Borrowers have furnished to Agents: (i) audited financial statements (including a balance sheet) as to Parent which fairly present in all material respects, in accordance with GAAP, the consolidated financial condition and the results of operations of Parent as at the end of the fiscal year ended December 31, 1996, (ii) unaudited consolidating financial statements (including a balance sheet) as to Parent and as to each of the Persons comprising "Canadian Borrower" which fairly present in all material respects, in accordance with GAAP, the financial condition and the results of operations of the applicable Person, on a consolidating basis, as at the end of the fiscal year ended August 31, 1996 (as to Dreco Energy Services Ltd. and its Subsidiaries) or December 31, 1996 (as to all other applicable Persons), (iii) unaudited financial

54

statements (including a balance sheet) as to each of the Persons comprising "Canadian Borrower" which fairly present in all material respects, in accordance with GAAP, the consolidated financial condition and the results of operations of the applicable Person as at the end of the fiscal year ended August 31, 1996 (as to Dreco Energy Services Ltd. and its Subsidiaries) or December 31, 1996 (as to all other applicable Persons); (iv) unaudited financial statements (including a balance sheet) as to Parent and as to each of the Persons comprising "Canadian Borrower" which fairly present in all material respects, in accordance with GAAP (subject to year-end adjustments and the absence of notes), the consolidated financial condition and the results of operations of the applicable Person as at the end of the fiscal quarter ended May 31, 1997 (as to Dreco Energy Services Ltd. and its Subsidiaries) or June 30, 1997 (as to all other applicable Persons) and (v) unaudited consolidating financial statements (including a balance sheet) as to Parent and as to each of the Persons comprising "Canadian Borrower" which fairly present in all material respects, in accordance with GAAP, the financial condition and the results of operations of the applicable Person as at the end of the fiscal quarter ended May 31, 1997 (as to Dreco Energy Services Ltd. and its Subsidiaries) or June 30, 1997 (as to all other applicable Persons). No events, conditions or circumstances have occurred from the date that such financial statements were delivered to Agents through the Effective Date which would cause such financial statements to be misleading in any material respect. There are no material instruments or liabilities which should be reflected in such financial statements which are not so reflected. For purposes of this Section 6.2 and Section 7.2 hereof, financial statements as to each Person comprising the "Canadian Borrower" shall be prepared in accordance with generally accepted accounting principles in effect in Canada, and "GAAP" shall be deemed modified accordingly.

6.3 Enforceable Obligations; Authorization. The Loan Documents are legal, valid and binding obligations of each applicable Obligor, enforceable in accordance with their respective terms, except as may be limited by bankruptcy, insolvency and other similar laws and judicial decisions affecting creditors' rights generally and by general equitable principles. The execution, delivery and performance of the Loan Documents (a) have all been duly authorized by all necessary action; (b) are within the power and authority of each applicable Obligor; (c) do not and will not contravene or violate any Legal Requirement applicable to any applicable Obligor or the Organizational Documents of any applicable Obligor, the contravention or violation of which would reasonably be expected to have a Material Adverse Effect; (d) do not and will not result in the breach of, or constitute a default under, any material agreement or instrument by which any Obligor or any of its Property may be bound, and (e) do not and will not result in the creation of any Lien upon any Property of any Obligor, except in favor of U.S. Agent as expressly contemplated therein. All necessary permits, registrations and consents for such making and performance have been obtained. Except as otherwise expressly stated in the Security Documents, the Liens of the Security Documents will constitute valid and perfected first priority Liens on the Property described therein, subject to no other Liens whatsoever except Permitted Liens.

6.4 Other Debt. No Obligor is in default in the payment of any other Borrowed Money Indebtedness or under any agreement, mortgage, deed of trust, security agreement or lease to which it is a party and which default would reasonably be expected to have a Material Adverse Effect.

55

6.5 Litigation. There is no litigation or administrative proceeding, to the knowledge of any executive officer of any Obligor, pending or threatened against, nor any outstanding judgment, order or decree against, any Obligor before or by any Governmental Authority which does or would reasonably be expected to have a Material Adverse Effect. No Obligor is in default with respect to any judgment, order or decree of any Governmental Authority where such default would have a Material Adverse Effect.

6.6 Title. Each Obligor has good and marketable title to the

Collateral, if any, pledged (or purported to be pledged) by such Obligor pursuant to the Security Documents, free and clear of all Liens (other than Permitted Liens upon proceeds of Collateral, but not the original Collateral).

6.7 Taxes. Each Obligor has filed all material tax returns required to have been filed and paid all taxes shown thereon to be due, except those for which extensions have been obtained and those which are being contested in good faith.

6.8 Regulations G, U and X. None of the proceeds of any Loan or proceeds from the acceptance and purchase of Bankers' Acceptances will be used for the purpose of purchasing or carrying directly or indirectly any margin stock or for any other purpose that would constitute this transaction a "purpose credit" within the meaning of Regulations G, U and X of the Board of Governors of the Federal Reserve System, as any of them may be amended from time to time.

6.9 Subsidiaries. As of the Effective Date, Parent has no Subsidiaries other than as set forth on Exhibit I hereto. The percentage of the issued and outstanding equity interests in each applicable Subsidiary which is owned by Parent or one or more of its Subsidiaries is set forth on Exhibit I hereto.

6.10 No Untrue or Misleading Statements. No representation or warranty made by any Obligor in any Loan Document or in any document, instrument or other writing furnished to the Lenders by or on behalf of any Obligor in connection with the transactions contemplated in any Loan Document does or will contain any untrue material statement of fact or will omit to state any such fact (of which any executive officer of any Obligor has knowledge) necessary to make the representations, warranties and other statements contained herein or in such other document, instrument or writing not misleading in any material respect.

6.11 ERISA. With respect to each Plan, each Borrower and each member of the Controlled Group have fulfilled their obligations, including obligations under the minimum funding standards of ERISA and the Code and are in compliance in all material respects with the provisions of ERISA and the Code. No event has occurred which could result in a liability of any Borrower or any member of the Controlled Group to the PBGC or a Plan (other than to make contributions in the ordinary course) that would reasonably be expected to have a Material Adverse Effect. There have not been any nor are there now existing any events or conditions that would cause any Lien provided under ERISA to attach to any Property of any Borrower or any member of the Controlled Group.

50

56

Unfunded Liabilities as of the date hereof do not exceed \$1,000,000. No "prohibited transaction" has occurred with respect to any Plan.

No Obligor is an "affiliate" or a "subsidiary company" of a "public utility company," or a "holding company," or an "affiliate" or a "subsidiary company" of a "holding company," as such terms are defined in the Public Utility Holding Company Act of 1935, as amended.

6.14 Solvency. None of U.S. Borrower, Canadian Borrower, any other Obligor, U.S. Borrower and its Subsidiaries, on a consolidated basis, or Canadian Borrower and its Subsidiaries, on a consolidated basis, is "insolvent," as such term is used and defined in (i) the Bankruptcy Code and (ii) the fraudulent conveyance statutes of the State of Texas or of any jurisdiction in which any of the Collateral may be located.

6.15 Fiscal Year. The fiscal year of each Obligor (other than Dresco Energy Services Ltd. and its Subsidiaries) ends on December 31. The fiscal year of Dresco Energy Services Ltd. currently ends on August 31, but by December

31, 1997 the fiscal year end of Dresco Energy Services Ltd. and its Subsidiaries will be changed to December 31.

6.16 Compliance. Each Obligor is in compliance with all Legal Requirements applicable to it, except to the extent that the failure to comply therewith would not reasonably be expected to have a Material Adverse Effect.

6.17 Environmental Matters. Each Obligor has, to the best knowledge of their respective executive officers, obtained and maintained in effect all Environmental Permits (or the applicable Person has initiated the necessary steps to transfer the Environmental Permits into its name or obtain such permits), the failure to obtain which would reasonably be expected to have a Material Adverse Effect. Each Obligor and its Properties, business and operations have been and are, to the best knowledge of their respective executive officers, in compliance with all applicable Requirements of Environmental Law and Environmental Permits the failure to comply with which would reasonably be expected to have a Material Adverse Effect. Each Obligor and its Properties, business and operations are not subject to any (A) Environmental Claims or (B), to the best knowledge of their respective executive officers (after making reasonable inquiry of the personnel and records of their respective Corporations), Environmental Liabilities, in either case direct or contingent, arising from or based upon any act, omission, event, condition or circumstance occurring or existing on or prior to the date hereof which would reasonably be expected to have a Material Adverse Effect. None of the officers of any Obligor has received any notice of any violation or alleged violation of any Requirements of Environmental Law or Environmental Permit or any Environmental Claim in connection with its Properties, liabilities, condition (financial or otherwise), business or operations

51

57

which would reasonably be expected to have a Material Adverse Effect. Neither U.S. Borrower nor Canadian Borrower knows of any event or condition with respect to currently enacted Requirements of Environmental Laws presently scheduled to become effective in the future with respect to any of the Properties of any Obligor which would reasonably be expected to have a Material Adverse Effect, for which the applicable Obligor has not made good faith provisions in its business plan and projections of financial performance.

6.18 Collateral Covered. As of the Effective Date, the Collateral covered by the Security Documents constitutes all of the issued and outstanding equity interests in all of the Subsidiaries of Parent.

7. Affirmative Covenants.

U.S. Borrower and Canadian Borrower each covenants and agrees with Agents and the Lenders that prior to the termination of this Agreement it will do or cause to be done, and cause each other Obligor (unless limited by the language of the applicable provision to less than all of the Obligors) to do or cause to be done, each and all of the following:

such Lender's policies with respect to capital adequacy) by an amount deemed by such Lender to be material, then from time to time, upon satisfaction of the conditions precedent set forth in this Section, after demand by such Lender (with a copy to the appropriate Agent) as provided below, pay (subject to Section 11.7 hereof) to such Lender such additional amount or amounts as will compensate such Lender for such reduction. The certificate of any Lender setting forth such amount or amounts as shall be necessary to compensate it and the basis thereof and reasons therefor shall be delivered as soon as practicable to U.S. Borrower or Canadian Borrower, as the case may be, and shall be conclusive and binding, absent manifest error. Upon the occurrence and during the continuance of any Event of Default, each Lender is hereby authorized at any time and from time to time, without notice to any Obligor (any such notice being expressly waived by U.S. Borrower, Canadian Borrower and the other Obligors), to setoff and apply any and all deposits (general or special, time or demand, provisional or final but excluding the funds held in accounts clearly designated as escrow or trust accounts held by U.S. Borrower, Canadian Borrower or any other Obligor for the benefit of Persons which are not Affiliates of any Obligor), whether or not such setoff results in any loss of interest or other penalty, and including without limitation all certificates of deposit, at any time held, and any other funds or Property at any time held, and other indebtedness at any time owing by such Lender to or for the credit or the account of U.S. Borrower, Canadian Borrower or any other Obligor against any and all of the Obligations irrespective of whether or not such Lender or any Agent will have made any demand under this Agreement, the Notes or any other Loan Document. Should the right of any Lender to realize funds in any manner set forth hereinabove be challenged and any application of such funds be reversed, whether by court order or otherwise, the Lenders shall make restitution or refund to U.S. Borrower or Canadian Borrower or the applicable other Obligor, as the case may be, pro rata in accordance with their U.S. Commitments or Canadian Commitments, as the case may be. Each Lender agrees to promptly notify U.S. Borrower, Canadian Borrower and Agents after any such setoff and application, provided that the failure to give such notice will not affect the validity of such setoff and application. The rights of Agents and the Lenders under this Section are in addition to other rights and remedies (including without limitation other rights of setoff) which Agents or the Lenders may have. This Section is subject to the terms and provisions of Sections 4.5 and 11.7 hereof. Any amounts realized under this Section which constitute an asset of Canadian Borrower shall only be applied to the payment of Canadian Obligations.

9.3 Collateral Account. U.S. Borrower hereby agrees, in addition to

the provisions of Section 9.1 hereof, that upon the occurrence and during the continuance of any Event of Default, it shall, if requested by any Agent or by the Majority Lenders (through any Agent), pay to U.S. Agent an amount in immediately available funds equal to the then aggregate amount available for drawings under all outstanding U.S. Letters of Credit, which funds shall be held by U.S. Agent as Cover. Canadian Borrower hereby agrees, in addition to the provisions of Section 9.1 hereof, that upon the occurrence and during the continuance of any Event of Default, it shall, if requested by any Agent or by the Majority Lenders (through any Agent), pay to Canadian Agent an amount in immediately available funds equal to the sum of the then aggregate amount available for drawings under all outstanding Canadian Letters of Credit plus the unpaid principal balance of all outstanding Bankers' Acceptances, which funds shall be held by Canadian Agent as Cover.

9.4 Preservation of Security for Unmatured Obligations. In the event that, following (i) the occurrence of an Event of Default and the exercise of any rights available to any Agent or any Lender under the Loan Documents, and (ii) payment in full of the principal amount then outstanding

62

68

of and the accrued interest on the Loans and Reimbursement Obligations and fees and all other amounts payable hereunder and under the Loan Documents and all other amounts secured by the Security Documents, any Letters of Credit or Bankers' Acceptances shall remain outstanding and undrawn upon, the applicable Agent shall be entitled to hold (and each Borrower and each other Obligor hereby grants and conveys to Agent a security interest in and to) all cash or other Property ("Proceeds of Remedies") realized or arising out of the exercise of any rights available under the Loan Documents, at law or in equity, including, without limitation, the proceeds of any foreclosure, as collateral for the payment of any amounts due or to become due under or in respect of such Letters of Credit and/or such Bankers' Acceptances. Such Proceeds of Remedies shall be held for the ratable benefit of the U.S. Lenders or the Canadian Lenders, as the case may be. The rights, titles, benefits, privileges, duties and obligations of the applicable Agent with respect thereto shall be governed by the terms and provisions of this Agreement and, to the extent not inconsistent with this Agreement, the applicable Security Documents. The applicable Agent may, but shall have no obligation to, invest any such Proceeds of Remedies in such manner as such Agent, in the exercise of its sole discretion, deems appropriate. Such Proceeds of Remedies shall be applied to Reimbursement Obligations arising in respect of any such Letters of Credit, the payment of any Lender's obligations under any such Letter of Credit and/or the Obligations relating to any such Bankers' Acceptance when such Letter of Credit is drawn upon or such Bankers' Acceptance matures, as the case may be. Nothing in this Section shall cause or permit an increase in the maximum amount of the Obligations permitted to be outstanding from time to time under this Agreement. Any amounts realized under this Section which constitute an asset of Canadian Borrower shall only be applied to the payment of Canadian Obligations.

9.5 Currency Conversion After Maturity. At any time following the occurrence of an Event of Default and the acceleration of the maturity of the Obligations owed to the Canadian Lenders hereunder, the Canadian Lenders shall be entitled to convert, with two (2) Business Days' prior notice to Canadian Borrower, any and all or any part of the then unpaid and outstanding LIBOR Borrowings and Base Rate Borrowings of the Canadian Borrower to Canadian Prime Loans. Any such conversion shall be calculated so that the resulting Canadian Prime Loans shall be the equivalent on the date of conversion of the amount of Dollars so converted. Any accrued and unpaid interest denominated in Dollars at the time of any such conversion shall be similarly converted to Canadian Dollars, and such Canadian Prime Loans and accrued and unpaid interest thereon shall thereafter bear interest in accordance with the terms hereof.

9.6 Remedies Cumulative. No remedy, right or power conferred upon any Agent or any Lender is intended to be exclusive of any other remedy, right or power given hereunder or now or hereafter existing at law, in equity, or otherwise, and all such remedies, rights and powers shall be cumulative.

10. Agents.

10.1 Appointment, Powers and Immunities. Each U.S. Lender hereby

irrevocably appoints and authorizes U.S. Agent to act as its agent hereunder, under the U.S. Letters of Credit and under

63

69

the other Loan Documents with such powers as are specifically delegated to U.S. Agent by the terms hereof and thereof, together with such other powers as are reasonably incidental thereto. Each Canadian Lender hereby irrevocably appoints and authorizes Canadian Agent to act as its agent hereunder, under the Canadian Letters of Credit and under the other Loan Documents with such powers as are specifically delegated to Canadian Agent by the terms hereof and thereof, together with such other powers as are reasonably incidental thereto. Any Loan Documents executed in favor of any Agent shall be held by such Agent for the ratable benefit of the applicable Lenders. None of the Agents ("Agents" as used in this Section 10 shall include reference to their Affiliates and their own and their Affiliates' respective officers, shareholders, directors, employees and agents) (a) shall have any duties or responsibilities except those expressly set forth in this Agreement, the Letters of Credit, and the other Loan Documents, and shall not by reason of this Agreement or any other Loan Document be a trustee or fiduciary for any Lender; (b) shall be responsible to any Lender for any recitals, statements, representations or warranties contained in this Agreement, the Letters of Credit or any other Loan Document, or in any certificate or other document referred to or provided for in, or received by any of them under, this Agreement, the Letters of Credit or any other Loan Document, or for the value, validity, effectiveness, genuineness, enforceability, execution, filing, registration, collectibility, recording, perfection, existence or sufficiency of this Agreement, the Letters of Credit, or any other Loan Document or any other document referred to or provided for herein or therein or any Property covered thereby or for any failure by any Obligor or any other Person to perform any of its obligations hereunder or thereunder, or shall have any duty to inquire into or pass upon any of the foregoing matters; (c) shall be required to initiate or conduct any litigation or collection proceedings hereunder or under the Letters of Credit or any other Loan Document except to the extent requested and adequately indemnified by the Majority Lenders; (d) shall be responsible for any mistake of law or fact or any action taken or omitted to be taken by it hereunder or under the Letters of Credit or any other Loan Document or any other document or instrument referred to or provided for herein or therein or in connection herewith or therewith, including, without limitation, pursuant to its own negligence, except for its own gross negligence or willful misconduct; (e) shall be bound by or obliged to recognize any agreement among or between any Borrower and any Lender to which such Agent is not a party, regardless of whether such Agent has knowledge of the existence of any such agreement or the terms and provisions thereof; (f) shall be charged with notice or knowledge of any fact or information not herein set out or provided to such Agent in accordance with the terms of this Agreement or any other Loan Document; (g) shall be responsible for any delay, error, omission or default of any mail, telegraph, cable or wireless agency or operator, and (h) shall be responsible for the acts or edicts of any Governmental Authority. Any Agent may employ agents and attorneys-in-fact and none of the Agents shall be responsible for the negligence or misconduct of any such agents or attorneys-in-fact selected by it with reasonable care. Without in any way limiting any of the foregoing, each Lender acknowledges that none of the Agents (nor any Issuer) shall have greater responsibility in the operation of the Letters of Credit than is specified in the Uniform Customs and Practice for Documentary Credits (1993 Revision, International Chamber of Commerce Publication No. 500). In any foreclosure proceeding concerning any Collateral, each holder of an Obligation if bidding for its own account or for its own account and the accounts of other Lenders is prohibited from including in the amount of its bid an amount to be applied as a credit against the Obligations held by it or the Obligations held by the other Lenders; instead, such

64

70

holder must bid in cash only. However, in any such foreclosure proceeding, (i)

U.S. Agent may (but shall not be obligated to) submit a bid for all U.S. Lenders (including itself) in the form of a credit against the U.S. Obligations, and U.S. Agent or its designee may (but shall not be obligated to) accept title to such collateral for and on behalf of all U.S. Lenders and (ii) Canadian Agent may (but shall not be obligated to) submit a bid for all Canadian Lenders (including itself) in the form of a credit against the Canadian Obligations, and Canadian Agent or its designee may (but shall not be obligated to) accept title to such collateral for and on behalf of all Canadian Lenders

10.2 Reliance. Each Agent shall be entitled to rely upon any certification, notice or other communication (including any thereof by telephone, telex, telegram or cable) believed by it to be genuine and correct and to have been signed or sent by or on behalf of the proper Person or Persons, and upon advice and statements of legal counsel (which may be counsel for any Borrower), independent accountants and other experts selected by such Agent. None of the Agents shall be required in any way to determine the identity or authority of any Person delivering or executing the same. As to any matters not expressly provided for by this Agreement, the Letters of Credit, or any other Loan Document, each Agent shall in all cases be fully protected in acting, or in refraining from acting, hereunder and thereunder in accordance with instructions of the Majority Lenders, and any action taken or failure to act by U.S. Agent pursuant thereto shall be binding on all of the U.S. Lenders and any action taken or failure to act by Canadian Agent pursuant thereto shall be binding on all of the Canadian Lenders. Pursuant to instructions of the Majority Lenders, the Agents shall have the authority to execute releases of the Security Documents on behalf of the Lenders without the joinder of any Lender. If any order, writ, judgment or decree shall be made or entered by any court affecting the rights, duties and obligations of any Agent under this Agreement or any other Loan Document, then and in any of such events such Agent is authorized, in its sole discretion, to rely upon and comply with such order, writ, judgment or decree which it is advised by legal counsel of its own choosing is binding upon it under the terms of this Agreement, the relevant Loan Document or otherwise; and if such Agent complies with any such order, writ, judgment or decree, then it shall not be liable to any Lender or to any other Person by reason of such compliance even though such order, writ, judgment or decree may be subsequently reversed, modified, annulled, set aside or vacated.

10.3 Defaults. None of the Agents shall be deemed to have knowledge of the occurrence of a Default (other than the non-payment of principal of or interest on Loans or Reimbursement Obligations) unless such Agent has received notice from a Lender or a Borrower specifying such Default and stating that such notice is a "Notice of Default." In the event that any Agent receives such a Notice of Default, such Agent shall give prompt notice thereof to the Lenders (and shall give each Lender prompt notice of each such non-payment). Each Agent shall (subject to Section 10.7 hereof) take such action with respect to such Notice of Default as shall be directed by the Majority Lenders and within its rights under the Loan Documents and at law or in equity, provided that, unless and until an Agent shall have received such directions, such Agent may (but shall not be obligated to) take such action, or refrain from taking such action, permitted hereby with respect to such Notice of Default as it shall deem advisable in the best interests of the Lenders and within its rights under the Loan Documents, at law or in equity.

10.4 Material Written Notices. In the event that any Agent receives any written notice of a material nature from any Borrower or any Obligor under the Loan Documents, such Agent shall promptly inform each of the Lenders thereof.

10.5 Rights as a Lender. With respect to its Commitments and the Obligations, each of TCB and Chase Canada, in its capacity as a Lender hereunder, shall have the same rights and powers hereunder as any other Lender and may exercise the same as though it were not acting in its agency capacity, and the term "Lender" or "Lenders" shall, unless the context otherwise indicates, include each Agent in its individual capacity. Each Agent may (without having to account therefor to any Lender) accept deposits from, lend money to and generally engage in any kind of banking, trust, letter of credit,

agency or other business with any Borrower (and any of their Affiliates) as if it were not acting as an Agent, and each Agent may accept fees and other consideration from any Borrower (in addition to the fees heretofore agreed to between any Borrower and any Agent) for services in connection with this Agreement or otherwise without having to account for the same to the Lenders.

10.6 Indemnification. The Canadian Lenders and the U.S. Lenders, respectively, agree to indemnify Canadian Agent and U.S. Agent, respectively (to the extent not reimbursed under Section 2.2(c), Section 11.3 or Section 11.4 hereof, but without limiting the obligations of any Borrower under said Sections 2.2(c), 11.3 and 11.4), ratably in accordance with the sum of the applicable Lenders' respective Commitments, for any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind and nature whatsoever, REGARDLESS OF WHETHER CAUSED IN WHOLE OR IN PART BY THE NEGLIGENCE OF ANY INDEMNIFIED PARTIES, which may be imposed on, incurred by or asserted against the applicable Agent in any way relating to or arising out of this Agreement, the Letters of Credit or any other Loan Document or any other documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby (including, without limitation, the costs and expenses which any Borrower is obligated to pay under Sections 2.2(c), 11.3 and 11.4 hereof, interest, penalties, attorneys' fees and amounts paid in settlement, but excluding, unless a Default has occurred and is continuing, normal administrative costs and expenses incident to the performance of its agency duties hereunder) or the enforcement of any of the terms hereof or thereof or of any such other documents; provided that no Lender shall be liable for any of the foregoing to the extent they arise from the gross negligence or willful misconduct of the party to be indemnified. The obligations of the Lenders under this Section 10.6 shall survive the termination of this Agreement and the repayment of the Obligations.

10.7 Non-Reliance on Agents and Other Lenders. Each Lender agrees that it has received current financial information with respect to each Borrower and each other Obligor and that it has, independently and without reliance on any Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis of each Borrower and each other Obligor and decision to enter into this Agreement and that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own analysis and decisions in taking or not taking action under this Agreement or any of the other Loan Documents. None of the Agents

66

72

shall be required to keep itself informed as to the performance or observance by any Obligor of this Agreement, the Letters of Credit or any of the other Loan Documents or any other document referred to or provided for herein or therein or to inspect the properties or books of any Obligor. Except for notices, reports and other documents and information expressly required to be furnished to the Lenders by an Agent hereunder, under the Letters of Credit or the other Loan Documents, none of the Agents shall have any duty or responsibility to provide any Lender with any credit or other information concerning the affairs, financial condition or business of any Obligor (or any of their affiliates) which may come into the possession of any Agent.

10.8 Failure to Act. Except for action expressly required of an Agent hereunder, under the Letters of Credit or under the other Loan Documents, each Agent shall in all cases be fully justified in failing or refusing to act hereunder and thereunder unless it shall receive further assurances to its satisfaction by the Lenders of their indemnification obligations under Section 10.6 hereof against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action.

10.9 Resignation or Removal of Agent. Subject to the appointment and acceptance of a successor U.S. Agent or Canadian Agent, as the case may be, as provided below, U.S. Agent and Canadian Agent, respectively, may resign at any time by giving notice thereof to the U.S. Lenders and the Canadian Lenders, respectively, and to U.S. Borrower and Canadian Borrower, respectively. Any Agent may be removed at any time with or without cause by the Majority Lenders;

provided, that such Agent shall continue as U.S. Agent or Canadian Agent, as the case may be, until such time as any successor shall have accepted appointment hereunder as U.S. Agent or Canadian Agent, as the case may be. Upon any such resignation or removal, (i) the Majority Lenders without the consent of Borrower shall have the right to appoint a successor U.S. Agent or Canadian Agent, as the case may be, so long as such successor U.S. Agent or Canadian Agent, as the case may be, is also a Lender at the time of such appointment and (ii) the Majority Lenders shall have the right to appoint a successor U.S. Agent or Canadian Agent, as the case may be, that is not a Lender at the time of such appointment so long as Borrowers consent to such appointment (which consent shall not be unreasonably withheld). If no successor U.S. Agent or Canadian Agent, as the case may be, shall have been so appointed by the Majority Lenders and accepted such appointment within 30 days after the retiring U.S. Agent's or Canadian Agent's, as the case may be, giving of notice of resignation or the Majority Lenders' removal of the retiring U.S. Agent or Canadian Agent, as the case may be, then the retiring Agent may, on behalf of the applicable Lenders, appoint a successor U.S. Agent or Canadian Agent, as the case may be, without the necessity of any consent on the part of any Borrower or any Lender. Any successor U.S. Agent shall be a bank which has an office in the United States and a combined capital and surplus of at least \$250,000,000 and any successor Canadian Agent shall be a bank which has an office in Canada and a combined capital and surplus of at least C\$250,000,000. Upon the acceptance of any appointment as U.S. Agent or Canadian Agent, as the case may be, hereunder by a successor Agent, such successor Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent and the retiring Agent shall be discharged from its duties and obligations hereunder and under any other Loan Documents. Such successor Agent shall promptly specify by notice to Borrowers its

67

73

Principal Office referred to in Section 3.1 and Section 4 hereof. After any retiring Agent's resignation or removal hereunder as an Agent, the provisions of this Section 10 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as Agent.

10.10 No Partnership. Neither the execution and delivery of this Agreement nor any of the other Loan Documents nor any interest the Lenders, Agents or any of them may now or hereafter have in all or any part of the Obligations shall create or be construed as creating a partnership, joint venture or other joint enterprise between the Lenders or among the Lenders and any Agent. The relationship between the Lenders, on the one hand, and any Agent, on the other, is and shall be that of principals and agent only, and nothing in this Agreement or any of the other Loan Documents shall be construed to constitute any Agent as trustee or other fiduciary for any Lender or to impose on any Agent any duty, responsibility or obligation other than those expressly provided for herein and therein.

11. Miscellaneous.

11.1 Waiver. No waiver of any Default or Event of Default shall be a waiver of any other Default or Event of Default. No failure on the part of any Agent or any Lender to exercise and no delay in exercising, and no course of dealing with respect to, any right, power or privilege under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The remedies provided in the Loan Documents are cumulative and not exclusive of any remedies provided by law or in equity.

11.2 Notices. All notices and other communications provided for herein (including, without limitation, any modifications of, or waivers or consents under, this Agreement) shall be given or made by telex, telegraph, telecopy (confirmed by mail), cable or other writing and telexed, telecopied, telegraphed, cabled, mailed or delivered to the intended recipient at the "Address for Notices" specified below its name on the signature pages hereof (or provided for in an Assignment and Acceptance); or, as to any party hereto, at such other address as shall be designated by such party in a notice (given in accordance with this Section) (i) as to any Borrower, to Agents, (ii) as to U.S. Agent, to U.S. Borrower and to each U.S. Lender, (iii) as to Canadian

Agent, to Canadian Borrower and to each Canadian Lender, (iv) as to any U.S. Lender, to U.S. Borrower and Agents and (v) as to any Canadian Lender, to Canadian Borrower and Agents. Except as otherwise provided in this Agreement, all such notices or communications shall be deemed to have been duly given when (a) transmitted by telex or telecopier or delivered to the telegraph or cable office, (b) personally delivered (c) one Business Day after deposit with an overnight mail or delivery service, postage prepaid or (d) three Business Days' after deposit in a receptacle maintained by the United States Postal Service or Canada Post, as the case may be, postage prepaid, registered or certified mail, return receipt requested, in each case given or addressed as aforesaid.

68

74

11.3 Expenses, Etc. Whether or not any Loan is ever made or any Bankers' Acceptances ever accepted and purchased or any Letter of Credit ever issued, Borrowers shall pay or reimburse within 10 days after written demand (a) any Agent for paying the reasonable fees and expenses of legal counsel to such Agent, together with the reasonable fees and expenses of each local counsel to such Agent, in connection with the preparation, negotiation, execution and delivery of this Agreement (including the exhibits and schedules hereto), the Security Documents and the other Loan Documents and the making of the Loans and the acceptance and purchase of Bankers' Acceptances and the issuance of Letters of Credit hereunder, and any modification, supplement or waiver of any of the terms of this Agreement, the Letters of Credit or any other Loan Document; (b) any Agent for any Lien search fees, collateral audit fees, appraisal fees, survey fees, environmental study fees, and title insurance costs and premiums; (c) any Agent for reasonable out-of-pocket expenses incurred in connection with the preparation, documentation, administration and syndication of any of the Loan Documents (including, without limitation, the advertising, marketing, printing, publicity, duplicating, mailing and similar expenses) or any of the Obligations; (d) any Agent or any Lender for paying all transfer, stamp, documentary or other similar taxes, assessments or charges levied by any governmental or revenue authority in respect of this Agreement, any Letter of Credit or any other Loan Document or any other document referred to herein or therein; (e) any Agent for paying all costs, expenses, taxes, assessments and other charges incurred in connection with any filing, registration, recording or perfection of any security interest contemplated by this Agreement, any Security Document or any document referred to herein or therein, and (f) following the occurrence and during the continuation of an Event of Default, any Lender or any Agent for paying all amounts reasonably expended, advanced or incurred by such Lender or such Agent to satisfy any obligation of any Obligor under this Agreement or any other Loan Document, to protect the Collateral, to collect the Obligations or to enforce, protect, preserve or defend the rights of the Lenders or Agents under this Agreement or any other Loan Document, including, without limitation, fees and expenses incurred in connection with such Lender's or such Agent's participation as a member of a creditor's committee in a case commenced under the Bankruptcy Code or other similar law, fees and expenses incurred in connection with lifting the automatic stay prescribed in Section 362 of the Bankruptcy Code and fees and expenses incurred in connection with any action pursuant to Section 1129 of the Bankruptcy Code and all other customary out-of-pocket expenses incurred by such Lender or such Agent in connection with such matters, together with interest thereon at the Past Due Rate applicable to U.S. Loans on each such amount from the due date of payment until the date of reimbursement to such Lender or such Agent.

11.4 Indemnification. Borrowers, jointly and severally, shall indemnify each Agent, each Lender and each affiliate thereof and their respective directors, officers, employees and agents from, and hold each of them harmless against, any and all losses, liabilities, claims or damages to which any of them may become subject, REGARDLESS OF WHETHER CAUSED IN WHOLE OR IN PART BY THE NEGLIGENCE OF ANY INDEMNIFIED PARTIES, insofar as such losses, liabilities, claims or damages arise out of or result from any (i) actual or proposed use by any Borrower of the proceeds of any extension of credit (whether a Loan, a Bankers' Acceptance or a Letter of Credit) by any Lender hereunder; (ii) breach by any Obligor of this Agreement or any other Loan Document; (iii) violation by any Obligor of any Legal Requirement, or (iv) investigation,

75

litigation or other proceeding relating to any of the foregoing, and Borrowers, jointly and severally, shall reimburse each Agent, each Lender, and each Affiliate thereof and their respective directors, officers, employees and agents, upon demand for any reasonable expenses (including reasonable legal fees) incurred in connection with any such investigation or proceeding; provided, however, that none of the Borrowers shall have any obligations pursuant to this Section with respect to any losses, liabilities, claims, damages or expenses incurred by the Person seeking indemnification by reason of the gross negligence or willful misconduct of that Person or with respect to any disputes between or among any and all of Agents, Lenders and Issuers. Nothing in this Section is intended to limit the obligations of any Borrower under any other provision of this Agreement. Each Agent and each Lender, respectively, shall indemnify Borrowers and hold Borrowers harmless from and against the gross negligence or willful misconduct of such Agent or such Lender, as the case may be. Nothing in this Section shall render Canadian Borrower liable in respect of the U.S. Obligations.

11.5 Amendments, Etc. No amendment or modification of this Agreement, the Notes or any other Loan Document shall in any event be effective against any Borrower unless the same shall be agreed or consented to in writing by the applicable Borrower. No amendment, modification or waiver of any provision of this Agreement, the Notes or any other Loan Document, nor any consent to any departure by any Borrower therefrom, shall in any event be effective against the Lenders unless the same shall be agreed or consented to in writing by the Majority Lenders, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, that no amendment, modification, waiver or consent shall, unless in writing and signed by each Lender affected thereby, do any of the following: (a) increase any Commitment of any of the Lenders (or reinstate any termination or reduction of the Commitments) or subject any of the Lenders to any additional obligations; (b) reduce the principal of, or interest on, any Loan, Reimbursement Obligation, fee or other amount due hereunder; (c) postpone or extend the Maturity Date, the Termination Date, the Availability Period or any scheduled date fixed for any payment of principal of, or interest on, any Loan, Reimbursement Obligation, fee or other sum to be paid hereunder or waive any Event of Default described in Section 9.1(a) hereof; (d) change the percentage of any of the Commitments or of the aggregate unpaid principal amount of Obligations, or the percentage of Lenders, which shall be required for the Lenders or any of them to take any action under this Agreement; (e) change any provision contained in Sections 2.2(c), 7.9, 11.3 or 11.4 hereof or this Section 11.5, or (f) release any Person from liability under a Guaranty or release all or substantially all of the security for the Obligations or release Collateral (exclusive of Collateral with respect to which any Agent is obligated to provide a release pursuant to this Agreement or any of the other Loan Documents or by law) in any one (1) calendar year ascribed an aggregate value on the most recent financial statements of the applicable Borrower delivered to Agents in excess of \$1,000,000. Notwithstanding anything in this Section 11.5 to the contrary, no amendment, modification, waiver or consent shall be made with respect to Section 10 without the consent of U.S. Agent to the extent it affects U.S. Agent, as U.S. Agent or Canadian Agent to the extent it affects Canadian Agent, as Canadian Agent.

76

11.6 Successors and Assigns.

(a) This Agreement shall be binding upon and inure to the benefit of Borrowers, Agents and the Lenders and their respective successors and assigns; provided, however, that no Borrower may assign or transfer any of its rights or obligations hereunder without the prior written consent of all of the Lenders, and any such assignment or transfer without such consent shall be null and void. Each Lender may sell participations to any Person in all or part of any Loan or Bankers' Acceptance, or all or part of its Notes, Commitments or interests in Letters of Credit or Bankers' Acceptances, in which event, without

limiting the foregoing, the provisions of the Loan Documents shall inure to the benefit of each purchaser of a participation; provided, however, the pro rata treatment of payments, as described in Section 4.2 hereof, shall be determined as if such Lender had not sold such participation. No Lender that sells one or more participations to any Person shall be relieved by virtue of such participation from any of its obligations to Borrowers under this Agreement. In the event any Lender shall sell any participation, such Lender shall retain the sole right and responsibility to enforce the obligations of Borrowers hereunder, including, without limitation, the right to approve any amendment, modification or waiver of any provision of this Agreement other than amendments, modifications or waivers with respect to (i) any fees payable hereunder to the Lenders, (ii) the amount of principal or the rate of interest payable on, or the dates fixed for the scheduled repayment of principal of, any of the Obligations and (iii) the release of the Liens on all or substantially all of the Collateral.

(b) Each U.S. Lender may assign to one or more U.S. Lenders or any other Person all or a portion of its interests, rights and obligations under this Agreement; provided, however, that (i) the aggregate amount of the Commitments of the assigning U.S. Lender subject to each such assignment shall in no event be less than \$10,000,000 and (ii) other than in the case of an assignment to another U.S. Lender (that is, at the time of the assignment, a party hereto) or to an Affiliate of such U.S. Lender or to a Federal Reserve Bank, Agents and, so long as no Event of Default shall have occurred and be continuing, U.S. Borrower must each give its prior written consent, which consents shall not be unreasonably withheld. Each Canadian Lender may assign to one or more Canadian Lenders or any other Person all or a portion of its interests, rights and obligations under this Agreement; provided, however, that (i) the aggregate amount of the Commitments of the assigning Canadian Lender subject to each such assignment shall in no event be less than \$10,000,000 and (ii) other than in the case of an assignment to another Canadian Lender (that is, at the time of the assignment, a party hereto) or to an Affiliate of such Canadian Lender, Agents and, so long as no Event of Default shall have occurred and be continuing, Canadian Borrower must each give its prior written consent, which consents shall not be unreasonably withheld. As a condition precedent to any such assignment, the parties to each such assignment shall execute and deliver to the applicable Agent, for its acceptance an Assignment and Acceptance in the form of Exhibit E hereto (each an "Assignment and Acceptance") with blanks appropriately completed, together with any Note or Notes subject to such assignment and a processing and recording fee of \$3,000 paid by the assignee (for which Borrowers will have no liability). Upon such execution, delivery and acceptance, from and after the effective date specified in each Assignment and Acceptance, (A) the assignee thereunder shall be a party hereto and, to the extent provided in such Assignment and Acceptance,

71

77

have the rights and obligations of a Lender hereunder and (B) the Lender thereunder shall, to the extent provided in such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto except in respect of provisions of this Agreement which survive payment of the Obligations and termination of the Commitments). Notwithstanding anything contained in this Agreement to the contrary, any Lender may at any time assign all or any portion of its rights under this Agreement and the other Loan Documents as collateral to a Federal Reserve Bank; provided that no such assignment shall release such Lender from any of its obligations hereunder.

(c) By executing and delivering an Assignment and Acceptance, the assignor and assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than the representation and warranty that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim, the applicable assignor makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or any of the other Loan Documents or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any of the other Loan Documents or any other instrument or document

furnished pursuant thereto; (ii) the applicable assignor makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Borrower or the performance or observance by any Borrower of any of its obligations under this Agreement or any of the other Loan Documents or any other instrument or document furnished pursuant hereto; (iii) the applicable assignee confirms that it has received a copy of this Agreement, together with copies of the financial statements referred to in Section 6.2 hereof and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) the applicable assignee will, independently and without reliance upon any Agent, the applicable assignor or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement and the other Loan Documents; (v) the applicable assignee appoints and authorizes U.S. Agent or Canadian Agent, as the case may be, to take such action as agent on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to such Agent by the terms hereof, together with such powers as are reasonably incidental thereto; and (vi) the applicable assignee agrees that it will perform in accordance with their terms all obligations that by the terms of this Agreement and the other Loan Documents are required to be performed by it as a Lender.

(d) The entries in the records of each applicable Agent as to each Assignment and Acceptance delivered to it and the names and addresses of the Lenders and the Commitments of, and principal amount of the Obligations owing to, each Lender from time to time shall be conclusive, in the absence of manifest error, and Borrowers, Agents and the Lenders may treat each Person the name of which is recorded in the books and records of the applicable Agent as a Lender hereunder for all purposes of this Agreement and the other Loan Documents.

72

78

(e) Upon the applicable Agent's receipt of an Assignment and Acceptance executed by an assigning Lender and the assignee thereunder, together with any Note or Notes subject to such assignment and the written consent to such assignment (to the extent consent is required), such Agent shall, if such Assignment and Acceptance has been completed with blanks appropriately filled, (i) accept such Assignment and Acceptance, (ii) record the information contained therein in its records and (iii) give prompt notice thereof to the applicable Borrower. Within five Business Days after receipt of notice, the applicable Borrower, at its own expense, shall execute and deliver to the applicable Agent new Notes payable to the order of such assignee in the appropriate amounts and, if the assigning Lender has retained Commitments hereunder, new Notes to the order of the assigning Lender in the appropriate amounts. Such new Notes shall be dated the effective date of such Assignment and Acceptance and shall otherwise be in the forms required hereunder.

(f) Any Lender may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 11.6, disclose to the assignee or participant or proposed assignee or participant, any information relating to any Borrower furnished to such Lender by or on behalf of any Borrower.

11.7 Limitation of Interest. Borrowers and the Lenders intend to strictly comply with all applicable federal and Texas laws, including applicable usury laws (or the usury laws of any jurisdiction, including Canada, whose usury laws are deemed to apply to the Notes or any other Loan Documents despite the intention and desire of the parties to apply the usury laws of the State of Texas). Accordingly, the provisions of this Section 11.7 shall govern and control over every other provision of this Agreement or any other Loan Document which conflicts or is inconsistent with this Section, even if such provision declares that it controls. As used in this Section, the term "interest" includes the aggregate of all charges, fees, benefits or other compensation which constitute interest under applicable law, provided that, to the maximum extent permitted by applicable law, (a) any non-principal payment shall be characterized as an expense or as compensation for something other than the use, forbearance or detention of money and not as interest, and (b) all interest at any time contracted for, reserved, charged or received shall be amortized, prorated, allocated and spread, in equal parts during the full term

of the Obligations. In no event shall Borrowers or any other Person be obligated to pay, or any Lender have any right or privilege to reserve, receive or retain, (a) any interest in excess of the maximum amount of nonusurious interest permitted under the laws of the State of Texas or the applicable laws (if any) of the United States or of any other applicable jurisdiction, or (b) total interest in excess of the amount which such Lender could lawfully have contracted for, reserved, received, retained or charged had the interest been calculated for the full term of the Obligations at the Ceiling Rate. The daily interest rates to be used in calculating interest at the Ceiling Rate shall be determined by dividing the applicable Ceiling Rate per annum by the number of days in the calendar year for which such calculation is being made. None of the terms and provisions contained in this Agreement or in any other Loan Document (including, without limitation, Section 9.1 hereof) which directly or indirectly relate to interest shall ever be construed without reference to this Section 11.7, or be construed to create a contract to pay for the use, forbearance or detention of money at an interest rate in excess of the Ceiling Rate. If the term of any Obligation is shortened by reason of acceleration of maturity as a result of any Default or by any

73

79

other cause, or by reason of any required or permitted prepayment, and if for that (or any other) reason any Lender at any time, including but not limited to, the stated maturity, is owed or receives (and/or has received) interest in excess of interest calculated at the Ceiling Rate, then and in any such event all of any such excess interest shall be canceled automatically as of the date of such acceleration, prepayment or other event which produces the excess, and, if such excess interest has been paid to such Lender, it shall be credited pro tanto against the then-outstanding principal balance of the applicable Borrower's obligations to such Lender, effective as of the date or dates when the event occurs which causes it to be excess interest, until such excess is exhausted or all of such principal has been fully paid and satisfied, whichever occurs first, and any remaining balance of such excess shall be promptly refunded to its payor.

11.8 Survival. The obligations of Borrowers under Sections 2.2(c), 2.2(d), 7.9, 11.3 and 11.4 hereof and all other obligations of Borrowers in any other Loan Document (to the extent stated therein), the obligations of each Issuer under the last sentence of Section 2.2(b)(iii) and the obligations of the Lenders under Section 10.5 and 11.7 hereof, shall, notwithstanding anything herein to the contrary, survive the repayment of the Loans and Reimbursement Obligations and the termination of the Commitments and the Letters of Credit.

11.9 Captions. Captions and section headings appearing herein are included solely for convenience of reference and are not intended to affect the interpretation of any provision of this Agreement.

11.10 Counterparts. This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same agreement and any of the parties hereto may execute this Agreement by signing any such counterpart.

11.11 Venue; Governing Law. This Agreement and (except as therein provided) the other Loan Documents are performable in Harris County, Texas, which shall be a proper place of venue for suit on or in respect thereof. Each Borrower irrevocably agrees that any legal proceeding in respect of this Agreement or the other Loan Documents shall be brought in the district courts of Harris County, Texas or the United States District Court for the Southern District of Texas, Houston Division (collectively, the "Specified Courts"). Each Borrower hereby irrevocably submits to the nonexclusive jurisdiction of the state and federal courts of the State of Texas. Each Borrower hereby irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to any Loan Document brought in any Specified Court, and hereby further irrevocably waives any claims that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum. Each Borrower further (1) agrees to designate and maintain an agent for service of process in the State of Texas in connection with any such suit, action or proceeding upon request by any Agent and to deliver to Agents evidence thereof and (2) irrevocably consents to the service of process

out of any of the aforementioned courts in any such suit, action or proceeding by the mailing of copies thereof by certified mail, return receipt requested, postage prepaid, to such Borrower at its address as provided in this Agreement or as otherwise provided by applicable law.

74

80

Nothing herein shall affect the right of any Agent or any Bank to commence legal proceedings or otherwise proceed against any Borrower in any jurisdiction or to serve process in any manner permitted by applicable law. Each Borrower agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. THIS AGREEMENT AND (EXCEPT AS THEREIN PROVIDED) THE OTHER LOAN DOCUMENTS SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE APPLICABLE LAWS OF THE STATE OF TEXAS AND THE UNITED STATES OF AMERICA FROM TIME TO TIME IN EFFECT; PROVIDED, HOWEVER, THAT, EXCEPT AS MAY BE REQUIRED UNDER APPLICABLE LAWS, THE USURY LAWS OF THE STATE OF TEXAS OR THE UNITED STATES OF AMERICA SHALL NOT APPLY TO ADVANCES MADE IN CANADA BY CANADIAN LENDERS TO CANADIAN BORROWER, BUT RATHER THE USURY LAWS OF THE PROVINCE OF ONTARIO AND THE FEDERAL LAWS OF CANADA APPLICABLE THEREIN SHALL GOVERN IN SUCH CONTEXT.

11.12 Severability. Whenever possible, each provision of the Loan Documents shall be interpreted in such manner as to be effective and valid under applicable law. If any provision of any Loan Document shall be invalid, illegal or unenforceable in any respect under any applicable law, the validity, legality and enforceability of the remaining provisions of such Loan Document shall not be affected or impaired thereby.

11.13 Tax Forms; Net Payments.

(a) Each U.S. Lender which is organized under the laws of a jurisdiction outside the United States shall, on the day of the initial borrowing from each such U.S. Lender hereunder and from time to time thereafter if requested by U.S. Borrower or U.S. Agent, provide U.S. Agent and U.S. Borrower with the forms prescribed by the Internal Revenue Service of the United States certifying as to such U.S. Lender's status for purposes of determining exemption from United States withholding taxes with respect to all payments to be made to such U.S. Lender hereunder or other documents satisfactory to such U.S. Lender, U.S. Borrower and U.S. Agent indicating that all payments to be made to such U.S. Lender hereunder are not subject to United States withholding tax or are subject to such tax at a rate reduced by an applicable tax treaty. Unless U.S. Borrower and U.S. Agent shall have received such forms or such documents indicating that payments to such U.S. Lender hereunder are not subject to United States withholding tax or are subject to such tax at a rate reduced by an applicable tax treaty, U.S. Borrower and U.S. Agent shall be entitled to withhold taxes from such payments at the applicable statutory rate.

(b) Except as provided in Section 11.13(a), (i) all payments (whether of principal, interest, fees, reimbursements or otherwise) by Borrowers under this Agreement and the other Loan Documents shall be made without set-off or counterclaim and shall be made free and clear of and without deduction for any present or future tax, levy, impost or any other charge, if any, of any nature whatsoever now or hereafter imposed by any taxing authority and (ii) if the making of such payments by any Borrower is prohibited by law unless such a tax, levy, impost or other charge is deducted or

75

81

withheld therefrom, the applicable Borrower shall pay to the relevant Agent, on the date of each such payment, such additional amounts (without duplication of any amounts required to be paid by the applicable Borrower hereunder) as may be necessary in order that net amounts received by the Lenders after such deduction or withholding shall equal the amounts which would have been received

if such deduction or withholding were not required. The applicable Borrower shall confirm that all applicable taxes, if any, imposed on this Agreement or transactions hereunder shall have been properly and legally paid by it to the appropriate taxing authorities by sending official tax receipts or notarized copies of such receipts to the relevant Agent within 30 days after payment of any applicable tax. Notwithstanding the foregoing, in no event shall the compensation payable under this Section (to the extent, if any, constituting interest under applicable laws) together with all amounts constituting interest under applicable laws and payable in connection with this Agreement and the other Loan Documents exceed the Ceiling Rate.

(c) Each Canadian Lender is a resident of Canada for purposes of the Income Tax Act (Canada).

11.14 Interest Act (Canada). Whenever interest is calculated on the basis of a year of 360 or 365 days, for the purposes of the Interest Act (Canada), the yearly rate of interest which is equivalent to the rate payable hereunder is the rate payable multiplied by the actual number of days in the year and divided by 360 or 365, as the case may be. All interest will be calculated using the nominal rate method and not the effective rate method and the deemed reinvestment principle shall not apply to such calculations.

11.15 Judgment Currency. The obligation of each Borrower to make payments on any Obligation to the Lenders or to any Agent hereunder in any currency (the "first currency") shall not be discharged or satisfied by any tender or recovery pursuant to any judgment expressed in or converted into any other currency (the "second currency") except to the extent to which such tender or recovery shall result in the effective receipt by the applicable Lender or the applicable Agent of the full amount of the first currency payable, and accordingly the primary obligation of each Borrower shall be enforceable as an alternative or additional cause of action for the purpose of recovery in the second currency of the amount (if any) by which such effective receipt shall fall short of the full amount of the full currency payable and shall not be affected by a judgment being obtained for any other sum due hereunder.

11.16 Conflicts Between This Agreement and the Other Loan Documents. In the event of any conflict between the terms of this Agreement and the terms of any of the other Loan Documents, the terms of this Agreement shall control.

11.17 Limitation on Charges; Substitute Lenders; Non-Discrimination. Anything in Sections 3.3(c) or 7.9 notwithstanding:

76

82

(1) No Borrower shall be required to pay to any Lender reimbursement with regard to any costs or expenses described in such Sections, unless such Lender notifies the applicable Borrower of such costs or expenses within 90 days after the date paid or incurred;

(2) none of the Lenders shall be permitted to pass through to any Borrower charges and costs under such Sections on a discriminatory basis (i.e., which are not also passed through by such Lender to other customers of such Lender similarly situated where such customer is subject to documents providing for such pass through); and

(3) if any Lender elects to pass through to any Borrower any material charge or cost under such Sections or elects to terminate the availability of LIBOR Borrowings for any material period of time, the applicable Borrower may, within 60 days after the date of such event and so long as no Default shall have occurred and be continuing, elect to terminate such Lender as a party to this Agreement; provided that, concurrently with such termination such Borrower shall (i) if Agents and each of the other Lenders shall consent, pay that Lender all principal, interest and fees and other amounts owed to such Lender through such date of termination or (ii) have arranged for another financial institution approved by Agents (such approval not to be unreasonably withheld) as of such date, to become a substitute Lender for all purposes under this Agreement in the manner provided in Section 11.6; provided further that, prior to substitution for any Lender, the

applicable Borrower shall have given written notice to Agents of such intention and the Lenders shall have the option, but no obligation, for a period of 60 days after receipt of such notice, to increase their Commitments in order to replace the affected Lender in lieu of such substitution.

11.18 Multiple Persons Comprising Canadian Borrower. The parties recognize and acknowledge that "Canadian Borrower" is comprised of more than one Person. All duties and obligations imposed on "Canadian Borrower" hereunder or under any of the other Loan Documents shall be the joint and several duties and obligations of each Person comprising "Canadian Borrower", notwithstanding the manner in which any of such obligations shall be allocated among the Persons comprising "Canadian Borrower" for the purposes of such Persons' internal records and accounts. Whenever this Agreement or any of the other Loan Documents requires the execution and delivery of any document or instrument by "Canadian Borrower", such requirement may be satisfied by execution and delivery by any single one of the Persons comprising "Canadian Borrower", and execution and delivery of any document or instrument by any single one of the Persons comprising "Canadian Borrower" shall be binding upon each of the Persons comprising "Canadian Borrower".

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the Effective Date.
